Carts and Other Stories Zdravka Evtimova,2012 There are two things children should get from their parents: roots and wings. -- Johann Wolfgang von Goethe Roots and wings are the key words that best describe the short story collection, Carts and Other Stories, by Zdravka Evtimova. The book is emotionally multilayered and memorable because of its internal power, vitality and ability to touch both the heart and your mind. Within its pages, the reader discovers new perspectives true wealth, and learns to see the world with different eyes. The collection lives on the borders of different cultures. Carts and Other Stories will take the reader to wild and powerful Bulgarian mountains, to silver rains in Brussels, to German quiet winter streets and to wind bitten crags in Afghanistan. This book lives for those seeking to discover the beauty of the world around them, and will have them appreciating what they have -- and perhaps what they have lost as well.

Carefree Black Girls Zeba Blay,2021-10-19 One of Kirkus Review's Best Books About Being Black in America Powerful... Calling for Black women (in and out of the public eye) to be treated with empathy, Blay's pivotal work will engage all readers, especially fans of Mikki Kendall's Hood Feminism. —Kirkus (Starred) An empowering and celebratory portrait of Black women—from Josephine Baker to Aunt Viv to Cardi B. In 2013, film and culture critic Zeba Blay was one of the first people to coin the viral term #carefreeblackgirls on Twitter. As she says, it was "a way to carve out a space of celebration and freedom for Black women online." In this collection of essays, Carefree Black Girls, Blay expands on this initial idea by delving into the work and lasting achievements of influential Black women in American culture--writers, artists, actresses, dancers, hip-hop stars--whose contributions often come in the face of bigotry, misogyny, and stereotypes. Blay celebrates the strength and fortitude of these Black women, while also examining the many stereotypes and rigid identities that have clung to them. In writing that is both luminous and sharp, expansive and intimate, Blay seeks a path forward to a culture and society in which Black women and their art are appreciated and celebrated.

Portraits of Literacy Development Patricia Antonacci,Catherine M. O'Callaghan,2004 With an emphasis on the many uses of assessment data, this book offers prospective teachers a unique new approach to using various assessments to inform their literacy instruction at every level. Through examples and discussion, readers are shown how to scaffold literacy instruction for emergent, early, and fluent readers, based on information they have gathered about pupils' learning. A solid research base and strong treatment of underlying theory support dozens of practical, accessible strategies that are clearly aligned with performance-based assessments. The alignment of performance-based assessments and corresponding instructional strategies with national standards facilitates prospective teachers' understanding of the Leave No Child Behind initiative and its implications--prepares them for the expectations of colleagues, parents, and school boards. Includes coverage of technology as it relates to literacy teaching and learning. The authors' clear, pragmatic style makes the material easily understandable to undergraduates, graduates and classroom teachers of literacy in Early Childhood and Elementary Schools.

The Motherlode Clover Hope,2021-02-02 An illustrated highlight reel of more than 100 women in rap who have helped shape the genre and eschewed gender norms in the process The Motherlode highlights more than 100 women who have shaped the power, scope, and reach of rap music, including pioneers like Roxanne Shanté, game changers like Lauryn Hill and Missy Elliott, and current reigning queens like Nicki Minaj, Cardi B, and Lizzo—as well as everyone who came before, after, and in between. Some of these women were respected but not widely celebrated. Some are impossible not to know. Some of these women have stood on their own; others were forced into templates, compelled to stand beside men in big rap crews. Some have been trapped in a strange critical space between respected MC and object. They are characters, caricatures, lyricists, at times both feminine and explicit. This book profiles each of these women, their musical and career breakthroughs, and the ways in which they each helped change the culture of rap.

Patriarchy in Practice Nikki van der Gaag,Amir Massoumian,Dan Nightingale,2023-02-09 This collection covers a diverse and multi-disciplinary range of topics on how masculinities might be re-imagined outside of patriarchal power structures. Crucially, the book highlights the lived complexity of both patriarchies and masculinities as plural and situated, exploring questions of how they are constructed, negotiated and re-negotiated in daily practice; of how performative regimes interact, contradict and overlap with each other across a range of contexts. Contributors engage with theoretical frameworks engaging with feminist theory, contemporary politics of gender, bodies and marginalised experiences of masculinites. Global case studies are wide-ranging and include analysis of masculinity among communities such as drag artists, InCels and e-sports enthusiasts, as well as in the context of the body, for instance in relation to alcoholism and physical disability. In an era of resurgence of typically hegemonic patriarchal figures in the form of 'strong men' leadership, this book seeks to uncover what an alternative vision of masculinity could look like - one that is firmly rooted in a gender equality and feminist discourse.

Sinfonia Bulgarica Zdravka Evtimova,2014-02-01 Sinfonia Bulgarica is a novel about four women in contemporary Bulgaria: a rich cold-blooded heiress, a masseuse dreaming of peace and quiet that never come, a powerful wife of the most influential man in the country, and a waitress struggling against all odds to win a victory over lies, poverty and humiliation. It is a realistic book of vice and yearning, of truthfulness and schemes, of love and desperation. The heroes are plain-spoken characters, whose action is limited by the contradictions of a society where lowness rules at many levels. The novel draws a picture of life in a country where many people believe that Money is the most loyal friend of man. Yet the four women have an even more loyal friend: ruthlessness of life.

The Next Next Level Leon Neyfakh,2015-07-14 In the tradition of Carl Wilson's Let's Talk About Love, an unforgettable account of fame, fandom, and the problem of making art in the twenty-first century In his multi-hyphenate ambitions, the musician who calls himself Juiceboxxxx couldn't be more modern—you might call him a punk rock-rapper-DJ-record executive-energy drink-magnate. Journalist Leon Neyfakh has been something more than a fan of Juiceboxxxx's since he was a teenager, when he booked a show for the artist in a church basement in his hometown of Oak Park, Illinois. Juiceboxxxx went on to the tireless, lonely, possibly hopeless pursuit of success on his own terms—no club was too dank, no futon too grubby, if it helped him get to the next, next level. And, for years, Neyfakh remained haunted from afar: was art really worth all the sacrifices? If it was, how did you know you'd made it? And what was the difference, anyway, between a person like Juiceboxxxx—who devoted his life to being an artist—and a person like Neyfakh, who elected instead to pursue a stable career and a comfortable, middle-class existence? Much more than a brilliant portrait of a charismatic musician always on the verge of something big, *The Next Next Level* is a wholly contemporary story of art, obsession, fame, ambition, and friendship—as well as viral videos, rap-rock, and the particulars of life on the margins of culture.

The Book of Longings Sue Monk Kidd,2020-04-21 “An extraordinary novel . . . a triumph of insight and storytelling.” —Associated Press “A true masterpiece.” —Glennon Doyle, author of *Untamed* An extraordinary story set in the first century about a woman who finds her voice and her destiny, from the celebrated number one New York Times bestselling author of *The Secret Life of Bees* and *The Invention of Wings* In her mesmerizing fourth work of fiction, Sue Monk Kidd takes an audacious approach to history and brings her acclaimed narrative gifts to imagine the story of a young woman named Ana. Raised in a wealthy family with ties to the ruler of Galilee, she is rebellious and ambitious, with a brilliant mind and a daring spirit. She engages in furtive scholarly pursuits and writes narratives about neglected and silenced women. Ana is expected to marry an older widower, a prospect that horrifies her. An encounter with eighteen-year-old Jesus changes everything. Their marriage evolves with love and conflict, humor and pathos in Nazareth, where Ana makes a home with Jesus, his brothers, and their mother, Mary. Ana's pent-up longings intensify amid the turbulent resistance to Rome's occupation of Israel, partially led by her brother, Judas. She is sustained by her fearless aunt Yaltha, who harbors a compelling secret. When Ana commits a brazen act that puts her in peril, she flees to Alexandria, where startling revelations and greater dangers unfold, and she finds refuge in unexpected surroundings. Ana determines her fate during a stunning convergence of events considered among the most impactful in human history. Grounded in meticulous research and written with a reverential approach to Jesus's life that focuses on his humanity, *The Book of Longings* is an inspiring, unforgettable account of one woman's bold struggle to realize the passion and potential inside her, while living in a time, place and culture devised to silence her. It is a triumph of storytelling both timely and timeless, from a masterful writer at the height of her powers.
