A Book of Seasons Alice Provensen,Martin Provensen,1976 An easy-to-read description of the continuously changing seasons.

Las Abejas Marco Tavanti,2014-01-27 Las Abejas came to be known by the international community as the civil counterpart to the neozapatista movements and as a Christian pacifist movement. This book presents the voices of Las Abejas and of numerous collaborators alongside an innovative theoretical analysis of the dynamics of identity construction. The uniqueness of this study is the analysis of the role of international human rights observers in relation to indigenous communities in resistance. In this fascinating study, Marco Tavanti explains how cultural, religious, political, human rights and nonviolent frameworks combine in a syncretic identity of resistance.

Informe mundial sobre las drogas 2008 United Nations Office on Drugs and Crime,2008-12-04 En la primera sección del Informe se sigue presentando un análisis en profundidad de las tendencias de los cuatro mercados principales de drogas. Además, y con objeto de conmemorar el centenario de la Comisión del Opio de Shanghái y los cien años de la fiscalización internacional de drogas, en el Informe figura también un examen detallado de la evolución del sistema internacional de fiscalización de drogas. Se incluye asimismo un breve anexo estadístico que ofrece un examen pormenorizado sobre la producción, los precios y el consumo. Como en años anteriores, el presente informe se basa en datos extraídos principalmente del Cuestionario para los informes anuales (CPIA) remitido por los gobiernos a la ONUDD en 2007, que se complementan en los casos necesarios con los de otras fuentes, si se dispone de ellos. Dos de las principales limitaciones que ello conlleva son las siguientes: i) la presentación de información en el marco del CPIA no es lo bastante sistemática en cuanto al número de países que responden ni en cuanto al contenido, y ii) la mayoría de los países carece de los sistemas de vigilancia idóneos que se precisan para obtener datos fiables, completos e internacionalmente comparables. Los sistemas nacionales de vigilancia están, no obstante, mejorando y la ONUDD ha contribuido a ese proceso de mejora.

Informe mundial sobre las drogas 2014 United Nations Office on Drugs and Crime,2014-08-01 En el Informe Mundial sobre las Drogas se presenta un panorama de la evolución anual de los mercados de las diversas categorías de drogas, que abarca desde la producción y el tráfico — incluso con respecto al surgimiento de nuevas rutas y modalidades— hasta el consumo. En el capítulo 1 del Informe Mundial sobre las Drogas 2014 figura una sinopsis de los acontecimientos más recientes relativos a los opiáceos, la cocaína, el cannabis y las anfetaminas (incluido el éxtasis) y los efectos del consumo de drogas en la salud. El capítulo 2 se centra en la fiscalización de los precursores que se utilizan en la fabricación de drogas ilícitas.
