**The Last Best Story** Maggie Lehrman, 2018-08-07 A witty, fresh romantic comedy, set on one fateful prom night, about two high-schools seniors who can't quite admit they are in love. Think E. Lockhart meets Katie Cotugno. It's the end of senior year, and Rose Regnero is over it. She's over chasing stories for a school newspaper no one reads. Over missing out on "normal" high school life. And most of all, over Grant Leitch: editor-in-chief, former close friend, never-quite-boyfriend. Now all she wants is a typical prom, complete with handsome date, fancy corsage, and dancing to cheesy pop songs. It's the end of senior year, and Grant Leitch is in denial. He's in denial about handing over the reins of the paper to an unworthy underclassman. In denial that Rose suddenly, inexplicably quit the paper and now won't talk to him. But mostly he's in denial that she is at prom with another guy, and it's no one's fault but his own. Grant's only hope of luring Rose back to him (and the paper) is a juicy story she won't be able to resist. In the end it takes a toga-wearing prom crasher, an emergency lockdown, a secret stalker, and a wild after-party to bring Grant and Rose together for one last story...and one final chance to admit that they're made for each other.

The Last Story of Mina Lee Nancy Jooyoun Kim, 2020-09-01 A REESE'S BOOK CLUB PICK INSTANT NEW YORK TIMES BESTSELLER Riveting and unconventional, *The Last Story of Mina Lee* traces the far-reaching consequences of secrets in the lives of a Korean immigrant mother and her daughter Margot Lee's mother is ignoring her calls. Told through the intimate lens of a mother and daughter who have struggled all their lives to understand each other, *The Last Story of Mina Lee* is a powerful and exquisitely woven debut novel that explores identity, family, secrets, and what it truly means to belong. Rather than being dictated by genre, for co-editors Gaiman and Sarrantonio there is only one true distinction in fiction: the one dividing realistic and imaginative fiction. *STORIES* is a collection of the very best original fiction from some of the most imaginative writers in the world, as well as a showcase for some of fiction’s newer stars. One hell of a huge book of great, exciting stories which will become a uniting force for readers of all forms of imaginative fiction.

**The Last Girl** Nadia Murad, 2017-11-07 WINNER OF THE NOBEL PEACE PRIZE • In this “courageous” (The Washington Post) memoir of survival, a former captive of the Islamic State tells her harrowing and ultimately inspiring story. Nadia Murad was born and raised in Kocho, a small village of farmers and shepherds in northern Iraq. A member of the Yazidi community, she and her brothers and sisters lived a quiet life. Nadia had dreams of becoming a history teacher or opening her own beauty salon. On August 15th, 2014, when Nadia was just twenty-one years old, this life ended. Islamic State militants massacred the people of her village, executing men who refused to convert to Islam and women too old to become sex slaves. Six of Nadia's brothers were killed, and her mother soon after, their bodies swept into mass graves. Nadia was taken to Mosul and forced, along with thousands of other Yazidi girls, into the ISIS slave trade. Nadia would be held captive by several militants and repeatedly raped and beaten. Finally, she managed a narrow escape through the streets of Mosul, finding shelter in the home of a Sunni Muslim family whose eldest son risked his life to smuggle her to safety. Today, Nadia's story—as a witness to the Islamic State's brutality, a survivor of rape, a refugee, a Yazidi—has forced the world to pay attention to an ongoing genocide. It is a call to action, a testament to the human will to survive, and a love letter to a lost country, a fragile community, and a family torn apart by war.

**The Last Story** Christopher Pike, 2020-09-22 After her untimely death, eighteen-year-old Shari tries to prove that she did not commit suicide and attempts to keep the person responsible from killing again.

*The Last True Story I'll Ever Tell* John Crawford, 2006-04-04 In the tradition of Michael Herr's *Dispatches*, a National Guardsman's account of the war in Iraq. John Crawford joined the Florida National Guard to pay for his college tuition, willingly exchanging one weekend a month and two weeks a year for a free education. But in Autumn 2002, one semester short of graduating and newly married—in fact, on his honeymoon—he was called to active duty and sent to the front lines in Iraq. Crawford and his unit spent months upon months patrolling the streets of Baghdad, occupying a hostile city. During the breaks between patrols, Crawford began recording what he and his fellow soldiers witnessed and experienced. Those stories became *The Last True Story I'll Ever Tell*—a haunting and powerful, compellingly honest book that imparts the on-the-ground reality of waging the war in Iraq, and marks as the introduction of a mighty literary voice forged in the most intense of circumstances.

*Ending of the last Story* Aarsal Shamsi, 2022-05-11 In the midst of a bustling writers' event, Mathew finds himself in an intriguing conundrum. His story, marked by an unfinished ending, has left his readers baffled and eager for closure. As lines form to decipher the elusive conclusion, a mysterious girl claims to hold the missing pieces. As Mathew grapples with the pressure of providing a satisfying ending, his estranged wife, Lucy, re-enters his life. Her newfound appreciation for his work leaves Mathew puzzled. Meanwhile, a fan named Beck unveils a surprising twist: in the world of his own story, the characters have overshadowed the writer, and Mathew is left questioning his own significance. This narrative delves into the complexities of creativity, recognition, and the blurred lines between fiction and reality, all while exploring the uncharted territory of the writer's own story.

**The Stranger in the Woods** Michael Finkel,2018-01-30 NEW

YORK TIMES BESTSELLER • The remarkable true story of a man who lived alone in the woods of Maine for 27 years, making this dream a reality—not out of anger at the world, but simply because he preferred to live on his own. “A meditation on solitude, wildness and survival.” —The Wall Street Journal In 1986, a shy and intelligent twenty-year-old named Christopher Knight left his home in Massachusetts, drove to Maine, and disappeared into the forest. He would not have a conversation with another human being until nearly three decades later, when he was arrested for stealing food. Living in a tent even through brutal winters, he had survived by his wits and courage, developing ingenious ways to store edibles and water, and to avoid freezing to death. He broke into nearby cottages for food, clothing, reading material, and other provisions, taking only what he needed but terrifying a community never able to solve the mysterious burglaries. Based on extensive interviews with Knight himself, this is a vividly detailed account of his secluded life—why did he leave? what did he learn?—as well as the challenges he has faced since returning to the world. It is a gripping story of survival that asks fundamental questions about solitude, community, and what makes a good life, and a deeply moving portrait of a man who was determined to live his own way, and succeeded.

*The Last Story* D. Wallberg,2011-10-26 The Last Story is the

My Last Story Sophia Palahicky, 2012-03-05 At the age of sixteen, Natasha Johnson ran away from home and became estranged from her family. Fifteen years later, she is taken to hospital after colliding head-on with an SUV. During her recovery, she is haunted by nightmares that reveal horrific stories of her childhood; she witnessed the death of her little sister. Her therapist recommends she return home to face her past and reunite with her family. When Natasha returns home she uncovers many family secrets. The story is set in the fictional town of Cedarville, British Columbia. Although the story is fictional, some of the events are inspired by true stories.

The Last Train Rona Arato, 2020-03-15 The Last Train is the harrowing true story about young brothers Paul and Oscar Arato and their mother, Lenke, surviving the Nazi occupation during the final years of World War II. Living in the town of Karcag, Hungary, the Aratos feel insulated from the war -- even as it rages all around them. Hungary is allied with Germany to protect its citizens from invasion, but in 1944 Hitler breaks his promise to keep the Nazis out of Hungary. The Nazi occupation forces the family into situations of growing panic and fear: first into a ghetto in their hometown; then a labor camp in Austria; and, finally, to the deadly Bergen Belsen camp deep in the heart of Germany. Separated from their father, 6-year-old Paul and 11-year-old Oscar must care for their increasingly sick mother, all while trying to maintain some semblance of normalcy amid the horrors of the camp. In the spring of 1945, the boys see British planes flying over the camp, and a spark of hope that the war will soon end ignites. And then, they are forced onto a dark, stinking boxcar by the Nazi guards. After four days on the train, the boys are convinced they will be killed, but through a twist of fate, the train is discovered and liberated by

a battalion of American soldiers marching through Germany. The book concludes when Paul, now a grown man living in Canada, stumbles upon photographs on the internet of his train being liberated. After writing to the man who posted the pictures, Paul is presented with an opportunity to meet his rescuers at a reunion in New York -- but first he must decide if he is prepared to reopen the wounds of his past.

**The Last Earth** Ramzy Baroud, 2018 This is a history of modern Palestine like no other: built from the testimony of people who have lived through it. Ramzy Baroud here gathers accounts from countless Palestinians from all walks of life, and from throughout the decades, to tell the story of the nation and its struggle for independence and security. Challenging both academic and popular takes on Palestinian history, Baroud unearths here the deep commonalities within the story of Palestine, ones that draw the people together despite political divisions, geographical barriers and walls, factionalism, occupation, and exile. Through these firsthand reports--by turns inspiring and terrifying, triumphant and troubled--we see Palestine in all its complexity and contradictions, ever vibrant in the memories of the people who have fought, physically and otherwise, for its future. A remarkable book, *The Last Earth* will be essential to understanding the struggles in the contemporary Middle East.

*The Bell Witch Unveiled at Last!: The True Story of a Poltergeist* DJ Lyons, 2008-03-03 Who was the true Bell Witch of Tennessee? John Bell of Adams, Tennessee, died on December 20, 1820. Why not? He was old. He was sick. He was comatose. Yet dozens of newspaper articles; a handful of published books, movies, videos, and websites; and countless amateur and professional storytellers all erroneously claim that John Bell was killed by a poltergeist. Who was this poltergeist many called the Bell Witch? Newspapers, books, websites, and countless people familiar with the 1817-1821 haunting pointed the finger of blame at a neighbor woman, Cate Batts. Her alleged guilt was purely circumstantial. For the first time, this breakthrough publication reveals the actual identities and motives of the three poltergeists. These three male entities followed John Bell from his former home in Rocky Mount, North Carolina, to Adams, Tennessee, seeking their revenge. Within the covers of this book, the Bell Witch is unveiled at last.
