Stolen Dreams (Storms of New England Book 3) Kari

Lemor,2020-04-18 Can he loosen up enough to let her in? Control is Alex Storm's middle name. Every aspect of his life is scheduled down to the minute. His routines are part of him, and he cannot deviate. Finding a woman who can put up with his strict organization has been difficult... until Gina blows back into town. A nomadic life spent with her bohemian mother made Gina Mazelli the definition of a free spirit. Inheriting her grandmother's house requires her to put down temporary roots right next door to the sexiest control freak she's ever known. Alex hopes helping Gina fix up the house will lead to a quick sale and an end to the explosive chemistry between them. But every day they're together, Gina realizes she wants to create a home, especially if she can convince a certain uptight perfectionist that he's the key to making her dreams come true.

Family Storms V.C. Andrews,2011-02-22 The first in a new series by New York Times bestselling author V.C. Andrews is a classic story featuring the dark side of jealousy—and the cruelty of deception. In the eye of the storm...is anywhere truly safe? Living on the streets with her destitute mother, selling knickknacks and trinkets just to survive, Sasha Porter dreams of someday having a normal life, with a real house and family. But she never dreamed a devastating tragedy would bring her those very things: on a stormy night by a rainspattered highway, a speeding car veers out of control, striking and killing her mother and badly injuring Sasha. In the hospital, Sasha is whisked off to a fancy private suite at the request of wealthy Mrs. Jordan March, a complete stranger who keeps watch by Sasha's bedside and insists she come live at her family's sprawling, luxurious mansion. Sasha soon learns Mrs. March never recovered from the loss of her daughter Alena, and with nowhere else to go, Sasha agrees to use Alena's room, sleep in her bed, and wear her clothes. But someone will make sure that Sasha never takes Alena's place: a

jealous sister dead set on making Sasha's life a living hell.

Evalle and Storm: Belador book 11 Dianna Love,2019-04-30 New York Times bestseller Dianna Love's Beladors are back with a special story for Evalle and Storm! To bond or not to bond should be a simple question, but nothing is ever easy in the life of this particular Skinwalker and Belador couple. Investigating a strange death in unfamiliar territory threatens to rip them apart forever as Storm tracks a predatory majik killing in the cruelest ways and Evalle makes a dangerous gamble to save what's left of her disappearing preternatural powers ... and herself. Until he completes the mating bond with Evalle, Storm has no way to find her if she's kidnapped again and preternaturals are actively hunting her in a chaotic Atlanta. Word hasn't gotten out that she can no longer shift into a powerful gryphon. When Storm's estranged uncle in Arizona pleads for help in finding the cause behind a strange death on his tribe's reservation, Storm agrees to

go just to get Evalle out of the city and somewhere safe. A good idea on paper, not so much when he confronts a predatory majik that attacks his. Prior to surviving a brutal imprisonment, Evalle wanted nothing more than to bond with her Skinwalker mate to share their lives and energy. She cheated death upon escape only to discover she's lost the ability to shift into a gryphon and her powers are failing. Opening a connection with her Storm could destroy him as she discovers her body is going through new insurmountable changes. When she's offered a chance to bring her gryphon back, Evalle jumps at it, determined to heal herself and save her life with Storm. Too late, Storm realizes he's made a deadly mistake by bringing his mate with him. A Witch's Heart Sasha Y. Tearson,2022-02-24 Storm De'Larosa has had her run of bad luck and misfortune, along with mistakes that now had her on the run, constantly moving from place to place with her infant son. Death and darkness stalked her every move, striking down everyone close to her. Having fought shadows all her life, she was coming to the point where there was not much fight left in her. She has lost nearly everything in her life, and the only thing she has left to protect was her son who is, even at a young age, showing remarkable abilities that must

remain hidden for their safety. Storm was coming to the end of her rope with nowhere left to run. Finding temporary sanctuary was her only goal. That among survival. In her travels, Storm comes across Rhys Airaldi and his unusual family, who, to her great dismay, insists on helping her and her son. She could not be more displeased than if they had offered to give her a lobotomy. The last thing she wanted was more blood on her hands. Though, there was also the fact that Storm was keeping a secret that she dared not share with a soul, let alone with complete strangers. The Airaldis, however, seemed to have a dark history of their own that dated back centuries. Rhys himself seemed determined to keep the past just that, the past, even as it becomes apparent that that was a fruitless endeavor. Doom lurked like a specter, ready to strike, and as they face the perils of the unknown, dark secrets are brought to light and family ties are put to the test. Now in a race against time with their lives inexplicably destined to be intertwined by fate, they can only ask themselves who was carrying the more damning secret? Hopefully the answer didn't come much too late.
