Bead Quilled Jewelry Kathy King,2011-01-04 Author Kathy King has developed a variation the decorative paper craft of quilling to create unique designs in beadwork. In bead quilling--instead of thin strips of paper--thin strips of beads, made with square stitch, are wrapped to form circles, scrolls, and squares. The holes of the beads, rather than the sides, are exposed, to become part of the distinctive design. The author works with simple and complex combinations of quilled beads to create a variety of jewelry designs. She also incorporates crystals, pearls, and decorative threads into the pieces to add interest and texture.

Mickey's Fishcamp is named after three generations of Prescott fishermen who commercially fished the waters of the Inside Passage, and is located near one of the oldest Tlingit settlements in Wrangell, Alaska. Here, next to the rainforest and sea, author Vivian Faith Prescott has found her place in the world. She is a student and teacher of the natural environment—harvesting spruce tips, berries, sea lettuce, and goose tongue and processing salmon, halibut, and hooligan—who combines traditional practices with modern knowledge. Heartwarming and introspective, *My Father's Smokehouse* tells one woman's stories of Traditional Knowledge that is learned and passed on, from one generation to the next.
