**Back to You** Lauren Dane, 2015-06-01 What won't he do for a second chance? Former model Kelly Hurley has finally put the ashes of the past behind her. After a passionate but turbulent marriage to rock star Vaughan Hurley that ended in heartbreak and divorce, Kelly rebuilt her life in Portland, where she settled so their two young daughters could be close to their father. Just not so close Kelly couldn't truly make her own way without interference from the man who shattered her heart. Now Kelly's finally ready to move on, and she's planning to marry another man. But not if Vaughan has anything to say about it. Vaughan knows he was a fool all those years ago. A young, selfish—and prideful—fool. Even as he buried himself in the fast, decadent rock-star lifestyle, he could never drown out the memory of Kelly's beauty and love. Or the sweet, searing heat whenever they touched. For years, he's had to deal with the pain of seeing her only because of their daughters, but it was never enough. Now Vaughan must prove that he's the only man Kelly needs, before he loses her for good. And there's only one way to do it...

**Made in Manhattan** Lauren Layne, 2022-01-18 From the New York Times bestselling author of the Central Park Pact comes a reverse My Fair Lady for the modern era about a pampered and privileged Manhattan socialite who must teach an unpolished and denim-loving nobody from the Louisiana Bayou how to fit in with the upper crust of New York City. Perfect for fans of Christina Lauren and Sally Thorne. Violet Townsend has always been a people pleaser. Raised in the privileged world of Upper East Side Manhattan, she always says the right things, wears the right clothes, and never rocks the boat. Violet would do anything for the people closest to her, especially her beloved grandmother. So when she asks Violet to teach the newly-discovered grandson of her friend how to fit in with New York City’s elite, Violet immediately agrees. Her goal? To get Cain Stone ready to take his place as heir to his family company...but to say he’s not exactly an eager student is an understatement. Born and raised in rural Louisiana and now making his own way in New Orleans, Cain Stone is only playing along for the paycheck at the end. He has no use for the grandmother he didn’t know existed and no patience for the uppity Violet’s attempts to turn him into a suit-wearing, museum-attending gentleman. But somewhere amidst antagonistic dinner parties and tortured tux fittings, Cain and Violet come to a begrudging understanding—and the uptight Violet realizes she’s not the only one doing the teaching. As she and Cain begin to find mutual respect for one another (and maybe even something more), Violet learns that blindly following society’s rules doesn’t lead to happiness...and that sometimes the best things in life come from the most unexpected places.

**Frisk Me** Lauren Layne, 2015-07-28 Officer Luc Moretti had no idea that his dive into the East River would have him drowning in a media frenzy. No matter how many times he tells reporters he was just doing his job, they're determined to make him into NYC's newest hero. Coming from a long line of NYPD's finest, Luc knows that being a cop has nothing to do with headlines and viral videos, and he's more than ready to get back to life away from the cameras-until he meets the gorgeous but jaded journalist assigned to film a TV special on him . . . Ava Sims may be the only woman in NYC who isn't in love with Officer Moretti. That's why she's going after the real story-to find out about the man behind the badge. *Untouched* Lauren Hawkeye, 2014-12-09 New York Times and USA Today bestselling romance author Lauren Hawkeye serves up a captivating story of loss, self-discovery, and deep-seated desire. Some secrets are best left locked away in the past.... Alexa Kendrick has no recollection of the car accident that left her scarred and sent her life careening wildly off course. When the half-sister she thought she’d never meet shows up at her door with an invitation to a new life, Alexa finds herself in Florence, Arizona, a town notorious for being populated with more prison inmates than actual citizens...a town that has done its best to hide its own dark secret. After Ellie is called out of town, she leaves her sister with the keys to her flower shop and Alexa finds herself swapping lives with her sibling: running Ellie’s business, living in the house left to them both by their absentee father...and forging a smoldering relationship with sexy-as-sin penitentiary officer, Nate Fury—a man with his own demons. But arranging flowers by day and tangling with the only man who has ever seen her real self by night isn’t enough to silence the mysterious panic that fuels Alexa’s dark dreams. When Nate brings home a book written by an inmate, one describing an unspeakable crime, the shackles binding Alexa’s own lost memories begin to shatter. And as the devastating truth comes to light, she realizes that Nate holds the key to unlocking her past, as well as her heart.

**Our Short History** Lauren Grodstein, 2018-03-20 “Lauren Grodstein breaks your heart, then miraculously pieces it back together so it’s bigger—and stronger—than before.” —Celeste Ng, author of *Everything I Never Told You* How can a woman learn to let go of the people she loves the most? Karen Neulander, a successful New York political consultant and single mother, has always been fiercely protective of her son, Jacob, now six. She’s had to be: when Jacob’s father, Dave, found out Karen was pregnant and made it clear that fatherhood wasn’t in his plans, Karen walked out of the relationship, never telling Dave her intention was to raise their child alone. But now Jake is asking to meet his dad, and with good reason: Karen is dying. When she finally calls her ex, she’s shocked to find Dave ecstatic about the son he never knew he had. First, he can’t meet Jake fast enough, and then he can’t seem to leave him alone. Karen quickly grows anxious as she watches Dave insinuate himself into Jake’s life just as her own strength and hold on Jake grow more tenuous. As she struggles to play out her last days in the “right” way for Jake, Karen wrestles with the knowledge that the only thing she cannot bring herself to do for her son—let his father become a permanent part of his life—is the thing he needs from her the most. With heart-wrenching poignancy, unexpected wit, and mordant humor, Lauren Grodstein has created an unforgettable story about parenthood, sacrifice, and life itself.

tony suburb of Greenwich, Connecticut. Welcome to Greenwich, Connecticut, where the lawns and the women are perfectly manicured, the Tito's and sodas are extra strong, and everyone has something to say about the infamous new neighbor. Let's be clear: Emily Charlton does not do the suburbs. After leaving Miranda Priestly, she's been working in Hollywood as an image consultant to the stars, but recently, Emily's lost a few clients. She's hopeless with social media. The new guard is nipping at her heels. She needs a big opportunity, and she needs it now. When Karolina Hartwell, a gorgeous former supermodel, is arrested, her fall from grace is merciless. Her senator-husband leaves her, her Beltway friends disappear, and the tabloids pounce. In Karolina, Emily finds her comeback opportunity. But she quickly learns Greenwich is a world apart and that this comeback needs a team approach. So it is that Emily, the scorned Karolina, and their mutual friend Miriam, a powerful attorney turned stay-at-home mom, band together to navigate the social land mines of suburban Greenwich and win back the hearts of the American public. Along the way, an unexpected ally emerges in one Miranda Priestly. With her signature wit, Lauren Weisberger offers an alluring look into a sexy, over-the-top world—and proves it's style and substance together that gets the job done.
