**My Generation. British Art in the 1960s** ,2015 This occasion presented an opportunity to look back at the art created by younger artists during those heady, 'swinging' times when the University was established, and to build links between the University and the blossoming art sector across Kent. These three exhibitions each have their own distinctive take on this rich and inventive period, and together provide a wide-ranging exploration of some notable developments and achievements in painting, sculpture, printmaking and photography of the period. The shows themselves are spread over a seven-month period, and will be accompanied by a season of talks and events. 00Exhibition: Studio 3 Gallery, University of Kent, Canterbury Campus, UK / Mascalls Gallery, Paddock Wood, UK / The Beaney House of Art and Knowledge, Canterbury, UK (19.01-23.08.2015).

**Secrets of the I Ching** Joseph Murphy,1999-12-01 The classic guide to tapping the practical benefits of an age-old book of wisdom--revised to captivate today's spiritual seekersBased on the revered Chinese philosophy with a 5,000-year-old tradition, the I Ching, or Book of Changes, is rich in revelations. An eminent expert on the powers of the subconscious, Dr. Joseph Murphy opens the guiding force of this ancient text to anyone with an appreciation of the possibilities. With the help of three coins--ordinary pennies will do-- readers will learn to apply their intuitive abilities to receive the I Ching's answers. With a practical outlook, this hands-on guide presents simple techniques for enlisting the I Ching's aid in everyday problem-solving and decision-making. Murphy explains the I Ching hexagram system, revealing its roots in human psychology and the principle of constant change. Demystifying obscure terms and symbols, the author leads the way to consulting the I Ching for clarity and guidance in times of confusion and crisis. By combining basic mathematical formulas with spiritual awareness, readers will realize the miracle-working potential of their own mind and connect with the I Ching's truths. As a result, they'll gain vital insights into questions about career, family, romance, financial security, and life goals. And they'll discover the wonder of genuine peace of mind. SECRETS OF THE I CHING, does not claim to predict the future. But it does provide the tools to mark any future with the promise of greater personal and spiritual fulfillment.

**Deep Experiencing** Olga V. Lehmann,Jaan Valsiner,2018-01-18 This Brief brings together empirical accounts that contribute to the investigation of the cultural phenomena of deep personal experiences. It examines everyday life experiences and its influence on the development of successful social interactions. Issues of silence, the subjective feelings of opportunities, and culturally canalized feelings of "being here" or "being influenced by others are all deep personal experiences that are rooted within the framework of cultural psychology. By bringing together the discourses of Dialogical Self Theory (DST) and Cultural Psychology of Semiotic Mediation for a new generation of researchers who address issues of this phenomenon, chapters aim to link phenomena-saturated empirical accounts with general theoretical innovations. In addition, the Brief studies socially relevant issues from the lenses of Cultural Psychology. Topics featured in this Brief include: Globalization and its effect on identity and personal experiences. The subjective nature of opportunities. Migrating identities across generations. Serious illness and its influence on communication. Deep Experiencing will be of interest to researchers, professors, and graduate students in the fields of psychology, cognitive psychology, medicine, anthropology, social work, and aesthetics.
