📖 **VOICES PAST AND PRESENT - STUDIES OF INVOLVED, SPEECH-RELATED AND SPOKEN TEXTS** Ewa Jonsson, Tove Larsson, 2020-10-15 This volume provides a diachronic and synchronic overview of linguistic variability and change in involved, speech-related and spoken texts in English. While previous works on the topic have focused on more limited time periods, this book covers data from the 16th century up to the present day. The studies offer new insights into historical and present-day corpus pragmatics by identifying and exploring features of orality in a variety of registers. For readers who are new to the field, the range of approaches will provide a helpful overview; for readers who are already familiar with the field, the volume will shed light on the complexity of factors such as register, sociolinguistic variability and language attitude, thus making it a useful resource and stepping stone for further exploration. The volume celebrates the groundbreaking contributions of Professor Merja Kytö in making accessible speech-related corpus material and leading the way in its exploration.

📖 **WHILE THE BILLY BOILS** Henry Lawson, 2013 Fifty-two of Henry Lawson's stories and sketches that he had first published in newspapers and magazines from 1888 onwards were gathered in his collection *While the Billy Boils* (Angus & Robertson, 1896). Lawson was not responsible for their ordering and he had to give ground on their texts, especially on his idiosyncratic presentation of wordings that helped to breathe life into his characters and situations. The present edition dismantles the fait accompli of 1896 by presenting the individual items in the chronological order of their first publication and with their original newspaper texts. This will allow a new appreciation of Lawson's writing, one that is attentive to his developing powers. The edition also facilitates a close study of Lawson's collaboration with the producers of the collection in 1896, in particular with his copy-editor Arthur W. Jose and publisher George Robertson. Facsimile images (available online) of the printer's copy that they prepared for *While the Billy Boils* supplement the edition's listing of the alterations that each of them made, revealing the textual history of each story or sketch.

This quote from the original edition of *Riders of the Pale Horse* introduces the story of two young Americans, a foreign-service officer and a mission volunteer who cross paths near the Afghanistan border on very different assignments and yet with a common goal: to stop nuclear materials from falling into terrorists' hands. High-stakes political and spiritual conflict keep readers on the edge of their seat in this suspenseful story from bestselling author T. Davis Bunn.

📖 **TELL THEM SOMETHING BEAUTIFUL** Samuel D. Rocha, 2017-04-20 A collection of essays composed during the Obama presidency on politics, theology, art, and education. 📖 **ADLERIAN COUNSELING THEORY AND PRACTICE** William Lyman Camp FACAPP, 2022-03-17 The Adlerian approach to counseling is a highly structured approach. Adlerians operate according to a set of principles and procedures that make this form of counseling different from many other forms of counseling. In most other forms, a counselor sees a client and they talk, and they talk, and they talk. Adlerians try not to waste a moment. Every word said and everything done is designed according to plan. In the pages of this book, the writer will present techniques that have been used successfully, with the suggestion that the reader, too, may find real success in their use. Chapter 1 and 2 consists of Adlerian child psychology concepts and ideas with information drawn from lectures, interviews, writings, and conversations with Rudolf Dreikurs, MD, as well as ideas from other Adlerian authors, compiled, summarized, edited, updated, annotated, and supplemented for the twenty-first century. Chapters 3 and 4 are essentially the words of Dr. Dreikurs, compiled and edited from tapes, excerpts from his public conversations, lectures, and radio and television presentations—all organized and presented with his suggestions for their organization and presentation. Much of this material is presented primarily as a casebook, with explanations included and transcripts of cases conducted by Dr. Dreikurs. It is presented with his permission and appropriate confidentiality, including name changes, etc. Interspersed are comments, observations, and brief explanations presented for clarification.
