Leaves Fall Down Lisa Bullard,2010 Two friends learn why leaves change colors and fall off the trees in autumn and enjoy raking them into a huge pile for jumping.

Leaves! Leaves! Leaves! ,2012 During the four seasons of the year Buddy Bear and his mother go leaf walking and discover a lot of interesting things about leaves.

Leaves David Ezra Stein,2007-08-16 It's a young bear's first autumn, and the falling leaves surprise him. He tries to put them back on the trees, but it doesn't work. Eventually, he gets sleepy and burrows into the fallen leaves for a long nap. When he wakes up, it's spring, and there are suddenly brand-new leaves all around, welcoming him. Graceful illustrations and a childlike main character offer the perfect way to talk with children about the wonder of the changing seasons.

Fletcher and the Falling Leaves Julia Rawlinson,2020-09-01 As the autumn season sets in, Fletcher is very worried his beautiful tree has begun to lose all of its leaves. Whatever Fletcher attempts to do to save them, it's simply no use. When the final leaf falls, Fletcher feels hopeless... until he returns the next day to a glorious sight. A tender, uplifting tale about acceptance and hope for the future.'Captivating' Publishers Weekly'Preschoolers will love being in on the joke, even as they marvel at the bright petals that herald the astonishing beauty of spring' ALA Booklist

House of Leaves Mark Z. Danielewski,2000-03-07 “A novelistic mosaic that simultaneously reads like a thriller and like a strange, dreamlike excursion into the subconscious.” —The New York Times Years ago, when House of Leaves was first being passed around, it was nothing more than a badly bundled heap of paper, parts of which would occasionally surface on the Internet. No one could have anticipated the small but devoted following this terrifying story would soon command. Starting with an odd assortment of marginalized youth -- musicians, tattoo artists, programmers, strippers, environmentalists, and adrenaline junkies -- the book eventually made its way into the hands of older generations, who not only found themselves in those strangely arranged pages but also discovered a way back into the lives of their estranged children. Now this astonishing novel is made available in book form, complete with the original colored words, vertical footnotes, and second and third appendices. The story remains unchanged, focusing on a young family that moves into a small home on Ash Tree Lane where they discover something is terribly wrong: their house is bigger on the inside than it is on the outside. Of course, neither Pulitzer Prize-winning photojournalist Will Navidson nor his companion Karen Green was prepared to face the consequences of that impossibility, until the day their two little children wandered off and their voices eerily began to return another story -- of creature darkness, of an ever-growing abyss behind a closet door, and of that unholy growl which soon enough would tear through their walls and consume all their dreams.

The Leaves on the Trees Thom Wiley,2011 Follows a group of children as they enjoy the sights and smells of fall, including the crunchy leaves and those that have changed color. Based on the song The wheels on the bus.

The Falling Leaves Steve Metzger,2002 All the fall leaves have big plans to twist and twirl in the autumn wind. But not Yellow Hickory. She's afraid. The other leaves laugh at her. But the wind has a few surprises for them all!

A Pile of Leaves Jason Fulford,Tamara Shoppin,2018-09-17 Dig through the leaf pile in this collage-inspired book with see-through pages Readers explore

the concept of layering and collage with this interactive exercise in composition. Each clear acetate page features a single element in the leaf pile, though some are not leaves at all! As readers turn the pages, the leaf pile is deconstructed piece by piece on the right side, and reconstructed on the left. Younger readers will enjoy the seek-and-find aspect of the hidden objects, while older readers might experiment by adding their own images between the pages. A key at the back provides the names of each kind of leaf shown. Inspired by the Whitney Museum's approach to looking at art, these books provide a new way to look at the world. Colors are brighter than they appear - printed in pure Pantones. Ages 2-4

The Last Leaves Falling Fox Benwell, Sarah Benwell, 2016-06-07 In Japan, teenaged Abe Sora, who is afflicted with Lou Gehrig's Disease, finds friends online and elicits their help to end his suffering.

A Room Made of Leaves Kate Grenville, 2020-07-02 The first new novel in almost ten years from award-winning, best-selling author Kate Grenville.

Why Evergreens Keep Their Leaves Annemarie Riley Guertin,2019-09-01 One autumn evening, Little Redbird settled down for one last sleep before flying south for winter. As he slept, a strong gust of wind shook him from his cozy nest Little Redbird hurts his wing and misses his chance to fly south for the winter. As he searches for a new home amongst the trees, he begins to realize that not all trees are fit for the winter cold. As more and more trees refuse him shelter, too preoccupied with their preparations for the frost, Little Redbird fears the worst. That is, until he comes across a friendly bunch of evergreens. In the spirit of Oscar Wilde's *The Happy Prince*, *Why Evergreens Keep Their Leaves* is a timeless story of kindness and why the fir, spruce, and juniper trees are evergreen all winter long.

Aunt Ant Leaves Through the Leaves Nancy Coffelt,2012 In a homonym-filled tale reminiscent of *The Little Red Hen*, a monkey asks for help moving a stack of bananas so that he can bake a pie.

Falling Leaves Adeline Yen Mah,1999-04-06 The emotionally wrenching yet ultimately uplifting memoir of a Chinese woman struggling to win the love and acceptance of her family. Born in 1937 in a port city a thousand miles north of Shanghai, Adeline Yen Mah was the youngest child of an affluent Chinese family who enjoyed rare privileges during a time of political and cultural upheaval. But wealth and position could not shield Adeline from a childhood of appalling emotional abuse at the hands of a cruel and manipulative stepmother. Determined to survive through her enduring faith in family unity, Adeline struggled for independence as she moved from Hong Kong to England and eventually to the United States to become a physician and writer. A compelling, painful, and ultimately triumphant story of a girl's journey into adulthood, Adeline's story is a testament to the most basic of human needs: acceptance, love, and understanding. With a powerful voice that speaks of the harsh realities of growing up female in a family and society that kept girls in emotional chains, *Falling Leaves* is a work of heartfelt intimacy and a rare authentic portrait of twentieth-century China. Riveting. A marvel of memory. Poignant proof of the human

will to endure. —Amy Tan

Fall Leaves Fall! Zoe Hall, 2000 What's the best part of fall? Fall leaves! Red leaves, yellow leaves, leaves for crunching, leaves for jumping.
