**The Storm's Betrayal** Corry L. Lee,2021-04-27 For the rebellion to succeed, the great Stormhawk—Bourshkanya's paranoid, seemingly unkillable fascist leader—must die. For Celka, who uses magic in ways no one believed possible; Gerrit, the Stormhawk's son, returned to his side; and Filip, Gerrit's old friend, torn between duty and loyalty, the cost may be everything they hold dear.

**Storm Kings** Lee Sandlin,2014-03-11 With 16 pages of black-and-white illustrations In Storm Kings, Lee Sandlin retraces America's fascination and unique relationship to tornadoes and the weather. From Ben Franklin's early experiments, to the great storm debates of the nineteenth century, to heartland life in the early twentieth century, Sandlin shows how tornado chasing helped foster the birth of meteorology, recreating with vivid descriptions some of the most devastating storms in America's history. Drawing on memoirs, letters, eyewitness testimonies, and numerous archives, Sandlin brings to life the forgotten characters and scientists that changed a nation and how successive generations came to understand and finally coexist with the spiraling menace that could erase lives and whole towns in an instant.

COMING OF THE STORM CLOUDS Ronald Lee Christopher,2012-08-28 Coming of the Storm Clouds, as the author notes, came to him because it seems to him that every time there is a storm, something bad happened. He recalls talking in length with his grandmother after he returned from Vietnam about what it was like growing up in the late 1800s and the early 1900s. To him Valera told some very interesting stories. He talked to his own mother to fill in the gaps. The words of those two grand people, and a few others, lie within the covers of this book. Even a few secrets are revealed.

*The Storm Testament II* Lee Nelson,2023-02-02 In 1845 an enterprising Philadelphia publisher decides to send a beautiful female journalist, disguised as a schoolteacher, to the Mormon city of Nauvoo on the Mississippi River. He hopes she will lure the Mormon polygamists out of hiding and get the real story that has evaded male journalists too long. Caroline Logan accepts the assignment with dreams of riches and fame as a best-selling author. Caroline refuses to be distracted from her goal, even when she finds herself falling in love with the daring Dan Storm, former mountain man now guard at the Nauvoo Temple construction site. Caroline rejects her feelings for Dan, even when an unexpected clash between Boggs and Storm results in Caroline and Dan becoming stranded on a deserted Mississippi River island. She refuses to be drawn into a romance that would interfere with her book project. Blackmail from Boggs, a slave revolt in a Mexican gold mine, a vicious dog, a surprise Indian raid, an unexpected death, a midnight buffalo stampede, an unorthodox Mormon bishop, and an early winter storm on the continental divide bring this novel to an unexpected conclusion.

**The Storm Testament III** Lee Nelson,2023-02-02 As the golden spike is driven in and the transcontinental railroad is officially finished, Sam Storm finds himself jobless - and attracted to a high-society beauty named Catherine. Thus Sam sets out to launch a daring business scheme involving firewater, stolen horses, and a dangerous journey that will make him rich enough to impress Catherine's doting father. When he returns to Salt Lake, however, Sam finds that wooing the lovely Catherine may be more difficult than just impressing her father. Nor can he forget the ravaged Shoshone village he passed through on his journey and the horrific scene he saw there. And when strange events begin to fit together to reveal a sinister plot, Sam must once again set off on an adventure - this time to discover the truth, and eventually to save the woman he loves.
