**Blood and Laughter** Manjula Padmanabhan, 2020-03-25 A neighbourhood that turns a blind eye to a recurring gruesome crime. A game show that puts the lives of its contestants on the line. An insidious tableau that pits three artists against each other. A world where organs of the poor are commercially harvested for the rich. *Collected Plays* brings together, in a much-anticipated series, the dramatic works of Onassis Prize-winning playwright and author Manjula Padmanabhan. *Blood and Laughter*, the first volume, presents within its covers Padmanabhan's full-length plays – including the three-times cinematized *Lights Out*, the previously unpublished *Mating Game Show* and *Artist's Model*, and the award-winning *Harvest* – all known for their masterful portrayal of the dilemmas of morality, relationships and the idea of justice. Horror, anticipation and chilling realism mark each of these works, drawing readers and audiences alike to the edge of their seats. With new introductions to the works that affirm the relevance of the themes of the plays, this collection showcases the playwright's mastery of her art and reconfirms her standing among the leading dramatists of our time.

**Leela's Book: A Novel** Alice Albinia, 2012-01-09 Steeped in the tradition of the Indian epic, yet modern and vastly entertaining. —The Times (London) In her fiction debut, Alice Albinia weaves a multithreaded epic tale that encompasses divine saga and familial discord and introduces an unforgettable heroine. Leela—alluring, taciturn, haunted—is moving from New York back to Delhi. Worldly and accomplished, she has been in self-imposed exile from India and her family for decades; twenty-two years earlier, her sister was seduced by the egotistical Vyasa, and the fallout from their relationship drove Leela away. Now an eminent Sanskrit scholar, Vyasa is preparing for his son's marriage. But when Leela arrives for the wedding, she disrupts the careful choreography of the weekend, with its myriad attendees and their conflicting desires. Gleefully presiding over the drama is Ganesh—divine, elephant-headed scribe of the Mahabharata, India's great epic. The family may think they have arranged the wedding for their own selfish ends, but according to Ganesh it is he who is directing events—in a bid to save Leela, his beloved heroine, from Vyasa. As the weekend progresses, secret online personas, maternal identities, and poetic authorships are all revealed; boundaries both religious and continental are crossed; and families are ripped apart and brought back together in this vibrant and brilliant celebration of family, love, and storytelling.

**Leela's Gift** Janet Levine, 2010-07-05 High in the Himalayas, Leela, a New Yorker, unexpectedly undertakes a terrifying yet ultimately enlightening spiritual journey into the deepest secrets of her mind. In Darjeeling, at Maharishi's ashram, under the sure guidance of the yogi master, she reaches her great realization. On her return to New York she struggles, and ultimately succeeds, in sharing the secret teachings of her vision. The novel uncovers archetypal and highly relevant spiritual teachings. East meets West in Leela helping her as Maharishi says, To understand ancient wisdom in a modern world. Meditation and yoga offer practical paths to freedom from the often dispiriting and desperate quality of our contemporary lives. In captivating prose the novel intertwines Leela's journey with modern philosophy and primal wisdom telling a story as old as the human heart.

*Off Rock* Kieran Shea, 2017-04-18 "Five awesome and entertaining words to describe this one: 'Bank heist set in space.' Yes, please" - io9 In the year 2778, Jimmy Vik is feeling dissatisfied. After busting his ass for assorted interstellar mining outfits for close to two decades, downsizing is in the wind, his ex-girlfriend/supervisor is climbing up his back, and daily Jimmy wonders if he's played his last good hand. So when Jimmy stumbles upon a significant gold pocket during a routine procedure on Kardashev 7-A, he believes his luck may have changed—larcenously so. But smuggling the gold "off rock" won't be easy. To do it, Jimmy will have to contend with a wily criminal partner, a gorgeous covert assassin, the suspicions of his ex, and the less than honorable intentions of an encroaching, rival mining company. As the clock ticks down, treachery and betrayal loom, the body count rises, and soon Jimmy has no idea who to trust.

**At the Heart of Work and Family** Anita Iltis Garey, Karen V. Hansen, 2011 At the Heart of Work and Family presents original research on work and family by scholars who engage and build on the conceptual framework developed by well-known sociologist Arlie Russell Hochschild. These concepts, such as the second shift, the economy of gratitude, emotion work, feeling rules, gender strategies, and the time bind, are basic to sociology and have shaped both popular discussions and academic study. The common thread in these essays covering the gender division of housework, childcare networks, families in the global economy, and children of consumers is the incorporation of emotion, feelings, and meaning into the study of working families. These examinations, like Hochschild's own work, connect micro-level interaction to larger social and economic forces and illustrate the continued relevance of linking economic relations to emotional ones for understanding contemporary work-family life.

While they vary widely in form, tone and length, recurring through the collection are stories that reflect on the figure of the artist in self-imposed exile.
