Sealed with a Kiss Sam Skyborne, 2022-05-01 To what lengths would you go for love? If you had a second chance with your first love, would you take it? Two decades ago Jacquie Lyon fled the seaside town of Skala Eressos that had been her home until then, in a fit of despair as only a crazed, love-sick teenager with a crushed heart could. Now, a successful academic living in Cambridge, UK, she is presented with an opportunity to return and make amends for her childhood foolish indiscretions. Dorothy Rowland came to the island years ago as a young mother, looking to make a new life for her and her baby girl. She became a teacher in the local school and since then her focus had been on being a conscientious mother and teacher, always making sure to do 'the right thing'. Now, in her later years, she finds herself faced with a last chance at love which would mean raising a few eyebrows, if not breaking a few 'rules'. Will Jac return home and risk opening those old wounds? Will Dot finally throw caution to the wind and take a chance on love? And will Jac find the academic breakthrough she's been looking for? Praise for the book: "A lesbian romance with heart and soul." "A crush come true..." "A heartfelt age gap story to love." "Sam Skyborne is guaranteed to make you think and feel." "Skyborne's writing stays with me..." "Made me really want to go there... to visit Lesbos, Sappho's island." About this lesbian romance collection: Each book is a self-contained story and can be read as a standalone novel. Can the eye of the storm really be heart-shaped? Praise for this book: A must read from Sam Skyborne. It has a little of everything needed for a great read! I could not put it down. Right from the climbing goats to the rescue mission.. right up to the nailbiting end, I was hooked. I finished *Eye of the Storm* at 1am yesterday morning. Absolutely loved it.... I was hooked from the first sentence, until the very last. The story of Pat and Robin is one filled with many ups and downs and keeps you wanting to know more...
