

Lesbian Kiss&sortm&ajax&p2

Mary Dugger

The Lesbian Body Monique Wittig,1975

The History of Lesbian Hair Mary Dugger,1996-09-01 In *The History of Lesbian Hair*, Mary Dugger delivers an unrelentingly hilarious view of the modern world. The redoubtable Ms. D. offers an uproarious array of illustrated essays, diagrams, and short takes covering Life (The Downside to Lesbian Chic, Build Your Own Lesbian, So You Want to Be a Straight Girl, and children—"Pets with Thumbs"), Liberty (Far Right Trading Cards, the ethics of outing), and The Pursuit of Happiness (the birth of the indomitable alter ego Marie DuGuerre, and her ongoing search for love, romance, and a decent vacation).

The Girls in the Back Room Kelly Hankin,2002

Odd Girls and Twilight Lovers Lillian Faderman,1991 A broad spectrum of lesbian life, past and present.

Lavender Mansions Irene Zahava,2019-03-11 George Stambolian, Terri de la Peña, Audre Lorde, Paul Monette, Edmund White, and Jaime Manrique are just six of the writers represented in this collection of forty contemporary lesbian and gay short stories. Gathered together for the first time in one volume are writings by both lesbians and gay men who represent a multiplicity

of ethnic and racial backgrounds. Irene Zahava has compiled a unique and necessary collection, selecting stories for their artistic power and for their treatment of topics that are significant in lesbian and gay life and politics today. An alternative thematic table of contents allows the reader to understand lesbian and gay life according to its most culturally and politically significant themes: childhood/growing up; coming out/finding community; families; oppression/resistance; bisexuality; relationships/friendships; AIDS; and aging/dying.

Five Lesbian Brothers/four Plays Five Lesbian Brothers (Theater troupe), Maureen Angelos, 2000 This book collects all the full-length work by this New York-based theater collective, including *The Secretaries*, *Brave Smiles*, *Brides of the Moon*, and *Voyage to Lesbos*. 25 photos.

Brave Smiles Five Lesbian Brothers (Theater troupe), 2010 In *Brave smiles* ...another Lesbian tragedy, master satirists the Five Lesbian Brothers turn their merciless eyes on the history of lesbians in theater, film, and literature. From their dismal yet erotically charged beginnings at the orphanage under the grip of a sadistic headmistress, our five heroines cross continents and a century to face their absurdly tragic ends. Along the way, they

experience alcoholism, suicide, loneliness, pill popping, blacklisting, and a malignant brain tumor. Students of the lesbian art of misery will recognize gleeful skewerings of *The Well of Loneliness*, *The Group*, *Maedchen in Uniform*, and *The Children's Hour* in this rollicking, hilarious, and smart multicharacter classic--P. [4] of cover.

Lesbian/woman Del Martin,Phyllis Lyon,1983

My Lesbian Affair Lisa D. Vaughn,2011-10-27 This is a fiction romance novel about a woman named Lucy. Lucy is in a 7 year relationship with Michael. However, she cannot commit to marriage with Michael and she does not know why until she meets Tina

The Kiss That Counted Karin Kallmaker,2013-03-18 Don't miss this Lammy Award Winner!!! CJ Roshe knows she can never relax her vigilance, especially when her grip on her secrets begins to slip. Contact with the good-hearted Karita Hanssen leaves CJ wishing for impossible things—friends, roots, a lover who knows her real name. With a life cheerfully balanced between all the things that she loves, Karita gives freely of her time and affection. She isn't looking for more until something in CJ's eyes suggests that there could be feelings deeper, stronger—and more dangerous—than any she has ever felt. CJ is committed to only

tonight with her body and certainly no tomorrows when it comes to her heart. Karita has always lived for today while she waits for tomorrow to happen. One kiss couldn't change all that—unless it's the kiss that counted. Golden Crown and Lambda Literary award-winning author Karin Kallmaker's tale of two women, two outlooks and two futures trying to become one adds to her long list of best-selling and critically acclaimed lesbian romance novels.

Lesbian Crossroads Ruth Baetz, 1980

Killing Off the Lesbians Liz Millward, Janice G. Dodd, Irene Fubara-Manuel, 2017-05-23 So, the film or television lesbian character dies. It seems to happen frequently. But does it really? If so, is it something new? Surveying the fates of numerous characters over decades, this study shows that killing off the lesbian is not a new trend. It is a form of symbolic annihilation and it has had an impact in real life. When more women are working behind the scenes, what appears on-screen also becomes more diverse--yet unhappily the story lines don't necessarily change. From the Xenaverse to GLAAD to the Lexa Pledge, fans have demanded better. As fan fiction migrates from the computer screen to the printed page, authors reanimate the dead and insist on happy endings.

We, Too, Must Love Ann Aldrich, 2015-08-29 A literary lesbian landmark that “will transport today’s readers . . . to the 1950s homosexual scene” (Marcia M. Gallo, author of *Different Daughters*). Three years after the publication of her groundbreaking 1955 bestseller, *We Walk Alone*, Ann Aldrich expanded on her journalistic portraits of lesbian subcultures in and around New York, in *We, Too, Must Love*. Inspired by the hundreds of letters she received by women from around the country (many reprinted here), Aldrich tackled questions of class division; explored the diverse careers lesbians held; guided readers through the social cliques and bar scenes; set the record straight on gay stereotypes; observed the differences among the “Village,” “Uptown,” and Brooklyn lesbian communities; and hinted at the growing consciousness that would fuel later lesbian and gay rights movements. *We Walk Alone* and *We, Too, Must Love* are, in effect, “indispensable guides to a hidden world” (Advocate.com). “Simultaneously intimate and investigative, subjective and discerning” (UTNE Magazine), “Aldrich touched innumerable lives and gave hope to lesbians mired in a harsh and ignorant era. Read these books to learn what it was like back then, what we believed and how we made a start in the struggle against prejudice.” —Ann

Bannon, author of *The Beebo Brinker Chronicles*

Oedipus at Palm Springs Five Lesbian Brothers (Theater troupe), Maureen Angelos, 2010 Irreverent theater group the Five Lesbian Brothers get their greasy prints on a classic. 'Oedipus at Palm Springs' follows the dark adventure of two couples on a retreat to the desert resort town. While new parents Fran and Con try desperately to jump-start their sex life, May-December love bunnies Prin and Terri can't keep their hands off each other. What begins as a hilarious, boozy weekend takes a horrific turn after a secret is revealed. Two parts comedy with a shot of tragedy shaken over ice, *Oedipus at Palm Springs* is a brave examination of the messy guts of relationships.--P. [4] of cover.

Bisexuality and the Challenge to Lesbian Politics Paula C Rust, 1995-10 The subject of bisexuality continues to divide the lesbian and gay community. At pride marches, in films such as *Go Fish*, at academic conferences, the role and status of bisexuals is hotly contested. Within lesbian communities, formed to support lesbians in a patriarchal and heterosexist society, bisexual women are often perceived as a threat or as a political weakness. Bisexual women feel that they are regarded with suspicion and distrust, if not openly scorned. Drawing on her research with over 400

bisexual and lesbian women, surveying the treatment of bisexuality in the lesbian and gay press, and examining the recent growth of a self-consciously political bisexual movement, Paula Rust addresses a range of questions pertaining to the political and social relationships between lesbians and bisexual women. By tracing the roots of the controversy over bisexuality among lesbians back to the early lesbian feminist debates of the 1970s, Rust argues that those debates created the circumstances in which bisexuality became an inevitable challenge to lesbian politics. She also traces it forward, predicting the future of sexual politics.

Lesbian Bullshyt Tanisha McMillan, 2010-04-25 Lesbian

Bullshyt is a very exciting lesbian love story because it's real. It will make you laugh and cry and maybe even think to yourself that you know people who are like the characters in the book. A young woman, who'd just had a baby, recently married, and then discovers a feeling that shakes up her life as she knows it. It's self discovery, acceptance, keeping your family together and the journey into a relationship with a woman, followed by all the ups and downs.

Pillow Talk II Lesléa Newman, 2000 Compiled again by the editor of the bestselling collection of lesbian erotica - 'Pillow Talk' -

comes this new anthology of tales of lesbian love and lust.

Outrageous, poignant, funny, bittersweet and unabashedly erotic, it will leave readers begging for more.

Dormitory Dearest Nicolette Dane,2016-03-15 Having just started her freshman year at college, Natasha Blake has a lot of issues to deal with. She's kind of a geek, she's a bit anxious, and... oh, she's got this feeling that maybe she prefers girls over boys. Learning to accept how she feels isn't the easiest thing in the world for Natasha. Enter Hosannah. Bright, funny, pretty, a junior living in Natasha's dorm. Hosannah is a girl who knows who she is and what she wants. But she's been burned in the past, and Natasha's uncertainty isn't something Hosannah has time for. Coming-of-age indecision peppered with a dash of anxiety can really throw a girl for a loop. Does Natasha's answer live just two floors up? --- This book is written for those who love lesbian romance, lesbian fiction, lesfic, lesbian authors, lesbian writers, lesbian lovers, lesbian novels, lesbian books, lesbian stories, college lesbians, young lesbians, first time lesbians.

A Year Straight Elena Azzoni,2011-10-25 After having spent nearly her entire adult life dating women (and liking it), Elena Azzoni felt pretty secure in her sexual orientation: she'd even just

been crowned Miss Lez 2007. Then, one day in yoga class, a male teacher moved in close to adjust her pose . . . and she suddenly found herself intensely—bafflingly—attracted to him. Eventually she initiated a flirtation with him; after that, there was no going back. *A Year Straight* is a chronicle of the hilariously disastrous year following Azzoni's abrupt dive into the world of dating men: old enough to drink and keep her own hours, but as clueless as an adolescent when it comes to deciphering men's words and actions, Azzoni is uniquely positioned to find herself in some ridiculously absurd scenarios. Often cringe-worthy and occasionally unbelievable, *A Year Straight* is a wildly entertaining look at one woman's experiences dating a new sex—the opposite sex.

Lesbian Culture Julia Penelope, Susan J. Wolfe, 1993 Essays, stories, pictures, cartoons help to explain the culture of the lesbian.

Reviewing *Lesbian Kiss&sortm&ajax&p2*: Unlocking the Spellbinding Force of Linguistics

In a fast-paced world fueled by information and interconnectivity, the spellbinding force of linguistics has acquired newfound

prominence. Its capacity to evoke emotions, stimulate contemplation, and stimulate metamorphosis is really astonishing. Within the pages of "Lesbian Kiss&sortm&ajax&p2," an enthralling opus penned by a highly acclaimed wordsmith, readers embark on an immersive expedition to unravel the intricate significance of language and its indelible imprint on our lives. Throughout this assessment, we shall delve in to the book is central motifs, appraise its distinctive narrative style, and gauge its overarching influence on the minds of its readers.
