Lesbian Porn Magazines and the Sex Wars Elizabeth Groeneveld,2023-04-18 Lesbian Porn Magazines and the Sex Wars re-examines the heated debates about the politics of sexuality known as the sex wars, investigating how they were fundamentally engaged in the complex intersections of gender, race, class, and sexuality. Groeneveld presents an accessible and fascinating framing of lesbian sex magazines as activist media texts engaged in education, community building, and dialogue, amplifying theories or writers and artists across the intersectional spectrum. Making use of archival material and a cohort of lesbian radical porn magazines, the book posits that collectively these magazines helped create and circulate new ideas about sex, power, and identity. The chapters cover lesbian public culture, trans self-representation, AIDS activism, and issues of consent. This is an essential intervention into sexuality studies and is suitable for students and scholars in gender and sexuality studies, sociology, media studies, literature, and cultural studies. Lesbian Porn Magazines and the Sex Wars: Reimagining Sex, Power and Identity is the 2021 winner of the NWSA Routledge Subversive Histories, Feminist Futures Prize.

Arousing Possibilities Maureen Engel,2008

Lesbians in Television and Text after the Millennium R. Beirne,2008-09-15 Taking up such issues as mainstreaming, the male gaze, and female masculinity, this book puts forward provocative readings of little explored texts and offers new insights into the contemporary representation of lesbians.

Finger-licking Good Tamsin Wilton,1996 Lesbians have lived through the porn wars, the sex wars and the dildo wars but, asks Tamsin Wilton, isn't it time to start making love, not war? For all the hype and visibility around lesbians in the mass media, lesbian sex is under attack from all sides -- a consequence of the resurgence of the far Right, the revival of religious fundamentalism, the increase in fascist activity and the construction of 'family values' as a political and social totem. While the combined might of the political and religious Right attempt to marginalize and eradicate lesbian sexuality, a number of feminists have joined them. This controversial book is primarily an exploration of political struggles around lesbian sex within lesbian communities, which sets out to expose the profoundly damaging influence of the lesbian sex 'police', and to argue for unity between feminists and queers who share a political commitment to transform the institution of gender itself. Queer feminist Tamsin Wilton has written this book as an act of resistance, 'tomcatting around the field of sex, marking out the territory for the dykes'. Bringing a forthright, fresh perspective to debates around Lesbian sadomasochism, butch-femme, dildos, lesbian porn and the lesbian sex prefects, she draws interesting conclusions. Is the dildo-wielding dyke a victim of false consciousness, or the ultimate radical feminist rebel? Who is the real 'fascist', the SM dyke or the revolutionary feminist who castigates her?

Explicit Utopias Amalia Ziv,2015-07-06 Provides an incisive account of women’s porn and queer porn of the 1980s and 1990s. Explicit Utopias explores a problem that has long haunted feminist, lesbian, and queer critics: the obstacles to imagining women’s desire and sexual agency. Pornography is one arena in which women have actively sought to imaginatively overcome this problem, yet pornography has also been an object of passionate feminist contention. Revisiting the feminist sex wars of the 1980s, Amalia Ziv offers a comprehensive and thoughtful reassessment of the arguments and concerns of both camps, tying these early debates to the contemporary surge of concern over the pornification of culture. She also sets out to rectify the lack of critical attention to marginal sexual representations by examining the feminist, queer, and psychoanalytic literature on several key issues, including fantasy, the phallus, identification, and gender performativity.

Sisters in the Life Yvonne Welbon,Alexandra Juhasz,2018-03-16 From experimental shorts and web series to Hollywood blockbusters and feminist porn, the work of African American lesbian filmmakers has made a powerful contribution to film history. But despite its importance, this work has gone largely unacknowledged by cinema historians and cultural critics. Assembling a range of interviews, essays, and conversations, Sisters in the Life tells a full story of African American lesbian media-making spanning three decades. In essays on filmmakers including Angela Robinson, Tina Mabry and Dee Rees; on the making of Cheryl Dunye's The Watermelon Woman (1996); and in interviews with Coquie Hughes, Pamela Jennings, and others, the contributors center the voices of black lesbian media makers while underscoring their artistic influence and reach as well as the communities that support them. Sisters in the Life marks a crucial first step in narrating the history and importance of these compelling yet unsung artists. Contributors. Jennifer Devere Brody, Jennifer DeClue, Raul Ferrera-Balanquet, Alexis Pauline Gumbs, Thomas Allen Harris, Devorah Heitner, Pamela L. Juicy Lesbian MILFs Ms. Mistiq,2019-01-04 A big fat collection of taboo temptations, forbidden fantasies, and lesbian lovers awaits... In this collection of 24 panty melting, shockingly explicit erotic short stories, you'll meet a bunch of mature MILFs who know what they want... and exactly how to get it! It's younger, inexperienced lovers they crave, and they'll stop at nothing to get them. Can you handle the dirty desires of these older women? Stories Include: - Doctor, It Hurts! - Lesbian Sex Ritual - My Husband's Brat - Getting Her - and many more tales of hardcore lesbian MILFs! We light the lamps. It is a an older looking part of the temple. As we move deeper I notice there are things carved into the walls. We stop to look at it. It looks like naked dancing women have been carved into the walls. They look like they are in a trance, some lie on top of each other while others kneel in front of a depiction of the cat headed Bastet. It looks like some kind of feminine fertility ritual. I wonder why this area was secretly walled off from the rest of the temple? Wait until you see what is at the end of the tunnel. She says. She's right. When we get there I only stand and stare. Before us is a large statue of Bastet, in her lap are the naked stone forms of two women. They are in sixty nine position, their heads between each others thighs. They are meticulously, and explicitly carved. And it is clear that one is dominant and larger, while the other is submissive and smaller. It is some kind of sex rite. She says. Her words make my pussy pulse. It feels so... powerful. I say, unsure what I mean. Yeah. She says. I think we can guess what this room was used for. She casts the light of the lantern revealing soft polished stone alcoves in the round chamber. We exchange a furtive look. Well, this is going to make for some interesting lectures. I manage to say, and I shift uneasily, I'm suddenly aware of a line of pussy juice running down my leg. What the hell has gotten into me. Let me show you the best part. She says, and she turns and presses something in the wall and I hear the stone slab moving back into place. We are alone in here now. No one knows how to enter accept us. She says. There is something conspiratorial in her voice. This was a place for secret acts. Need more? Click Look Inside now!
