Dash & Lily's Book of Dares Rachel Cohn, David Levithan, 2010-10-26 Now a Netflix original series starring Austin Abrams and Midori Francis! A whirlwind holiday season romance from the New York Times bestselling authors of *Nick & Norah's Infinite Playlist*. "I've left some clues for you. If you want them, turn the page. If you don't, put the book back on the shelf, please." 16-year-old Lily has left a red notebook full of challenges on her favorite bookstore shelf, waiting for just the right guy to come along and accept its dares. Dash, in a bad mood during the holidays, happens to be the first guy to pick up the notebook and rise to its challenges. What follows is a whirlwind romance as Dash and Lily trade dares, dreams, and desires in the notebook they pass back and forth at locations all across New York City. But can their in-person selves possibly connect as well as their notebook versions, or will their scavenger hunt end in a comic mismatch of disastrous proportions? Co-written by Rachel Cohn (GINGERBREAD) and David Levithan, co-author of *WILL GRAYSON*, *WILL GRAYSON* with John Green (*THE FAULT IN OUR STARS*), *DASH & LILY'S BOOK OF DARES* is a love story that will have readers scouring bookstore shelves, looking and longing for a love (and a red notebook) of their own.

Lily's Crossing Patricia Reilly Giff, 1999-01-12 This "brilliantly told" (New York Times) Newbery Honor Book gives readers a sense of what it was like to be on the American home front while our soldiers were away fighting in World War II. As in past years, Lily will spend the summer in Rockaway, in her family's summer house by the Atlantic Ocean. But this summer of 1944, World War II has changed everyone's life. Lily's best friend, Margaret, has moved to a wartime factory town, and, much worse, Lily's father is going overseas to the war. There's no one Lily's age in Rockaway until the arrival of Albert, a refugee from Hungary with a secret sewn into his coat. Albert has lost most of his family in the war; he's been through things Lily can't imagine. But soon they form a special friendship. Now Lily and Albert have secrets to share: They both have told lies, and Lily has told one that may cost Albert his life.

Lily's Ultimate Party Nancy N. Rue, 2001 With little enthusiasm from the Girlz Only Club to plan a party celebrating the end of sixth grade, Lily makes plans herself until small disasters force her to change her attitude towards others.

Lily's Twinkly Bedtime Katie Peters, 2009 These delightful and sparkly fairy friends are a candy-sweet treat! The Twelve Days of Dash & Lily Rachel Cohn, David Levithan, 2016-10-18 New York Times bestselling authors Rachel Cohn and David Levithan are back together with a life-affirming holiday romance starring Dash and Lily. Just in time for the series release of Dash & Lily on Netflix! Dash and Lily have had a tough year since readers watched the couple fall in love in Dash & Lily's Book of Dares. Lily's beloved grandfather suffered a heart attack, and his difficult road to recovery has taken a major toll on her typically sunny disposition. Lily's spark has dimmed so much that Langston, her brother, has put aside his grudge against Dash to team up and remind Lily what there is to love about life. With only twelve days left until Christmas-Lily's favorite time of the year-Dash, Langston, and their friends take Manhattan by storm to help Lily recapture the holiday spirit of New York City in December, a time and place unlike anywhere else in the world. Told in alternating chapters, *The Twelve Days of Dash & Lily* is bound to be a Christmas favorite for seasons to come. Cohn and Levithan write with verve and plenty of wry comedy. . . . The Lily's Quest Nathaniel Hawthorne, 2013-10-23 Short story written by famous American novelist Nathaniel Hawthorne.

Lily's Song Susan Gabriel, 2016-03-07 Wildflower McAllister's daughter, Lily, now 14, struggles with her mother's reluctance to tell her who her father is. When a stranger appears on the family doorstep, drunk and evoking ghosts from the past, it threatens to break the close-knit McAllister family apart. Meanwhile, Wildflower has a deep secret of her own. When Lily discovers it by accident, it changes everything she thought she knew about her mother. The events that follow silence the singing she dreamed of sharing with the world. With her signature metaphors, Gabriel weaves a compelling tale that captures the resilience and strength of both mother and daughter, as secrets revealed test their strong bond and ultimately change their lives forever. Set in 1956 southern Appalachia.

Lily Cindy Bonner, 1992 It's been a long time since there's been such a plain-and-simple, head-over-heels love story as this one. It's about a good girl who falls so in love with a bad boy that she forsakes everything to ride with him - outlaw and fugitive that he is. Lily DeLony, fifteen, tells her very one-sided version of what happened on Christmas Eve night 1883 in the town of McDade, Texas,

when a vigilante group made up of ordinary citizens struck against a gang of outlaws. One of the outlaw gang was the love of Lily's young life. One of the vigilantes was her father. The DeLony family is churchgoing, God-fearing, hardworking, controlled. The father's word is law and is seldom spoken softly. But Lily was raised to meet the challenge of hard work. She's a strong, upright girl who knows the rules of virtue and righteousness. And follows them. Follows them, that is, until she meets Marion Shot Beatty, youngest of the Beatty brothers. By the end of the story, Lily has forsaken all that for the love of Shot Beatty and an unknown future - one that included a pistol in Lily's skirt pocket. Lily's telling of this tale is characterized by her spirit, her will, her fearlessness, and the endearing gullibility of youth. Utterly convincing, utterly beguiling, Lily introduces a wonderful new writer with an ear for a certain kind of voice not heard so clearly since Charles Portis' True Grit.

Here's Lily Nancy N. Rue, 2012 Grow with the spirited, sometimes awkward, but always charming Lily as she learns what real beauty is. In this fun, entertaining story, readers meet awkward sixth grader Lily Robbins who, after receiving a compliment about her looks from a woman in the modeling business, becomes obsessed with her appearance and with becoming a model. As she sets her sights on winning the model search fashion show, she exchanges her rock and feather collection for lip gloss, fashion magazines, and a private club with her closest friends. But when the unthinkable happens the night before the fashion show, Lily learns a valuable lesson about real beauty. This best-selling, biblically based fiction series for girls--with a fresh new look and updated content--addresses social issues and coming-of-age topics, all with the spunk and humor of Lily Robbins as she fumbles her way through unfamiliar territory. As readers come to love Lily and her stories, they'll also benefit from the companion nonfiction books that will help them through their own growing pains.

Mercy Lily Lisa Albert, 2011-10-08 Lily's mother has slowly been losing herself to MS. When traditional treatment and other therapies fail, it becomes clear that she wants to die. In Oregon, the Death with Dignity Act allows a patient to make the decision to end their own life. Now Lily, a high school sophomore, has to make an unimaginable choice.

Lily Hates Goodbyes Jerilyn Marler, 2012-03-01 Lily's Daddy is in the military. Join her as she learns to cope with her emotions and to be happy in her daily life while she looks forward to joyfully saying hello when Daddy gets home.

Lily's Garden Deborah Kogan Ray, 2002-10-01 In January, Lily receives a box of fresh oranges from her grandmother in California. In February, Lily sends her grandmother maple syrup from the trees on her family farm in Maine. And so the year goes on through the pages of this warmly

illustrated picture book--a calendar of the months, seasons, and holidays seen through the lens of things planted and harvested in Lily's garden.

Lily's Ghosts Laura Ruby, 2005-09 A sinister old house, an intriguing new friend, a 50-year-old mystery, and a tag-team of disgruntled ghosts force 13-year-old Lily to unearth her family's deepest secrets in this multilayered tale that's both hilarious and harrowing, comic and creepy.

Lily's Mountain Hannah Moderow, 2017 Unable to believe their father died while climbing Mount Denali, twelve-year-old Lily and her older sister, Sophie, climb the mountain in order to rescue him.

Lily's Promise Kathryn Erskine, 2021-05-18 From National Book Award–winning author Kathryn Erskine comes a heartfelt, poignant novel that tackles grief, change, and the struggle to let your voice be heard. Perfect for fans of Lynda Mullaly Hunt, Erin Entrada Kelly, and Ali Benjamin. Shy, eleven-year-old Lily made her dad an important promise before he passed away—that she would “Strive for Five” and speak her mind at least five times. But speaking up one time, let alone five, is easier said than done. It’ll be even harder now that Lily must attend public school for the first time. Fortunately, she meets curling-obsessed Hobart and quiet Dunya at the beginning of sixth grade. Their kindness gives Lily hope that life without Dad might just be bearable. But when Lily and her friends are bullied by Ryan and his mean clique, she quickly discovers the true meaning of friendship and speaking out. Despite the anxiety she feels, Lily knows she needs to stand up for herself and others. And she’ll use the tools her dad gave her to not only keep her final promise but bring her whole school together. Following Lily’s journey and the snarky, insightful, and humorous commentary from Libro, the actual book, who guides readers through this thoughtful tale, makes *Lily’s Promise* a strong title for social emotional learning.

Lights, Action, Lily! Nancy N. Rue, 2002 Cast in the school play, Lily wants everyone to be perfect, except there's one problem, Shad.

Lily and the Major Linda Lael Miller, 2011-05-24 The first novel in the romantic Orphan Train trilogy is a beloved historical classic about a woman who must choose between her family and her one true love—by #1 New York Times bestselling author Linda Lael Miller. In his arms, she discovered how tender—and how bold—true passion could be... Lily Chalmers wanted only two things from life—a farm of her own, and to find the sisters she hadn’t seen since they were all little girls heading West on the orphan train. She certainly had no desire for a husband. Yet proud, innocent Lily had no idea what desire meant until she met Major Caleb Halliday, a man who could ignite her very being with a single touch...a glance...a whisper. Sheltered in his arms, Lily rode the crest of a wild, helpless passion. And though she struggled against her own willful heart, she knew she could never choose between the dazzling man who had claimed her love so completely, and her bold, long-cherished dream...
