One Step Closer Jeff Blue,2020-12-08 From the unique perspective of the executive who discovered them, One Step Closer reveals how Brad Delson's college internship was a catalyst for a group of young musical visionaries, led by Mike Shinoda, which gave rise to a band that survived countless rejections, exceeded everyone's expectations but their own, and became the voice of a generation. This against-all-odds story chronicles the early days of Linkin Park, from their first demo and Whisky a Go Go performance as Xero, through their tireless efforts to perfect their iconic sound and the discovery of Chester Bennington. Jeff Blue was there when no one else believed—first as their publisher, then as their A&R guy. This is his memoir of that incredible journey. Riveting and inspiring, One Step Closer is a testament to perseverance, as well as a detailed behind-the-scenes account of the building of a dream and what it takes to make it.

It Starts with One Jason Lipshutz,2024-10-01 From the executive director of music at Billboard, an extensive look inside the 20+ year career of mega-selling rock band Linkin Park, featuring new interviews, exclusive quotes, and insights from the band's associates and collaborators Linkin Park is one of the 21st Century's biggest, and most important, rock bands. All it takes is one quick glance at the numbers— 11 Top 40 hits on the Hot 100 and six No. 1 albums on the Billboard 200, over a dozen massive tours, 27 major award wins, 100+ million records sold worldwide, over 30 million monthly Spotify listeners —to realize that when it comes to the metrics of music consumption and fandom, there's no bigger group in recent memory. And yet, despite their enduring legacy within rock, there's never been a full, comprehensive biography of Linkin Park—until now. In IT STARTS WITH ONE: The Legend and Legacy of Linkin Park, Billboard's executive director of music, Jason Lipshutz, chronicles the innovation and influence of this legendary band, from their early childhoods to the moment their paths crossed to the genesis of their iconic first album, Hybrid Theory, and all that followed. Not only were they able to synthesize trends in pop and hip-hop amidst the post-grunge era and nu metal boom, then constantly reinvent their sound over multiple albums, Linkin Park's radically vulnerable lyrics also helped usher in a new era of artists (and fans) more open to discussing mental health and prioritizing inclusivity. Led by their front men, Chester Bennington and Mike Shinoda, who balanced each other out artistically, Linkin Park never shied away from songs that put their issues front and center, for the world to see and feel. Tragically, Chester succumbed to his demons and passed away in 2017, but the music endures—and in order to truly appreciate the band's singular power to bring people together, we need to take a closer look at how exactly Linkin Park changed popular music. Through in-depth reporting and interviews, as well as new reflections from their collaborators and contemporaries, IT STARTS WITH ONE explores how one band made such a big impact on modern music, effectively cementing Linkin Park's long overdue place in music history.

In the end - A tribute to Chester Bennington Rosanna Costantino,2022-01-13 «It starts with... A boy born on March 20, 1976, a skinny little boy with his contagious laugh, a boy whose childhood was stolen. Then the boy turned into a man with a great passion for music, a man who made his dream come true, becoming one of the most famous singers of all times, a man who was a wonderful friend, husband, father, a man who, behind that joyful and lighthearted facade, hid demons so wicked and devious you couldn't imagine. Chester was all of this. In this amazing tribute, Rosanna Costantino was able to transmute the emotions and the feelings of every fan in the world into written words, opening her heart. At the same time, she also described in detail the life of this great man, from the day he was born to his tragic death, what his bandmates, his friends, and Linkin Park fans have experienced, and how they were able to hold on and stay strong together. Chester and Linkin Park are a source of inspiration for all the soldiers, their music saved so many lives, they told us not to give up through their lyrics, they made us feel invincible, they are our heroes and now, with Rosanna's book, we can have a little piece of Chester to always keep with us.» Paola Trogu

Linkin Park Neil Daniels,2009 One of the most popular American rock bands of the 21st century, Linkin Park has grossly superseded the ambitions, talents and durability of their original nu-metal contemporaries to become a first rate rock band. Split into five sections, Daniels' guide begins with an extensive group biography, followed by a section covering the band's music, videos, tours, films and DVDs. A hugely illuminating and visually stunning study of a truly modern rock act.

Linkin Park - What they've done Michael Fuchs-Gamböck,Thorsten Schatz,Georg Rackow,2014-06-04 Von Xero über Hybrid Theory zu Linkin Park - die Band durchlebte in ihrer Karriere bis heute viele Höhen und Tiefen, feierte weltweit Erfolge, war jedoch nicht immer unumstritten. Kaum eine andere Band ist so vielseitig, so wandelbar, so innovativ. Mit ihren Songs heben sie die Grenzen der Genres auf. Ob Crossover, Rock, Nu-Metall, Alternative, Electro, Pop oder Hip-Hop - stilistisch erfinden sich die Musiker immer wieder neu, unabhängig davon, was Fans und Kritiker von den häufigen Richtungswechseln halten. Linkin Park - What they've done beschreibt den turbulenten Werdegang einer äußerst kreativen, polarisierenden und sozial engagierten Gruppe, die es als erste Rockband geschafft hat, eine Milliarde Klicks auf YouTube zu bekommen. Allen Vorwürfen zum Trotz, denen sie aufgrund ihrer fortwährenden musikalischen Veränderungen ausgesetzt waren, verkauften Linkin Park über 55 Millionen Tonträger und konnten zahllose Auszeichnungen sowie Chart-Platzierungen für sich verbuchen.

Clare loves her older brother, Luke—it’s not his fault that he’s always in the wrong place at the wrong time. Life as Luke’s sister hasn’t been easy—their community hasn’t been nearly as forgiving of his transgressions as she and her parents are—but he’s done his time and is on his way home again, and she has to believe this time will be different. But when the truths behind his arrests begin to surface, everything Clare’s always known is shaken to its core. Clare has to decide if sticking up for herself and her future means selfishly turning her back on family...or if it’s the only way to keep herself from drowning along with them.

The Struggle for Justice and Truth Tomas Cudzis, 2023-02-09 This book is a collection of all four parts of The Struggle for Justice and Truth book series by Tomas Cudzis, a fan fiction work dedicated as a tribute to the Linkin Park music band, from which songs the author’s inspiration has come. The goal being, it should look like Linkin Park were making the soundtrack for the book, not the other way around. Note: This book only includes references to the songs that should be played with each section for an enhanced experience, It doesn’t contain any of the songs referenced in itself, and it’s purely optional for the reader to gain access to those songs at their own expense. As use of those songs is purely experimental, it doesn’t guarantee improved experience compared to merely reading this book, although test readers did find it most helpful. Synopsis: Tomas’s sense of inferiority since his childhood has forced him to transform himself physically, becoming the underground king of illegal MMA fights in the heart of Hong Kong. After an unfortunate incident involving the Triads, he is forced into hiding in the United States, where he is actively hunted by them and others. Realizing he has no other choice, he takes on the Triads by himself in his last attempt for freedom, or vengeance. To his surprise, he survives, with the help of a top-secret US agency, enlisting in their ranks and together taking on criminals considered to be untouchable. However, with the ever-increasing body count at Tomas’s hands, he realizes he can’t handle the emotional trauma and doesn’t like what he is turning into. Determined to break the chain and leave his old life behind, Tomas finds himself sucked right back into it every single time he tries, leaving him feeling hopeless fighting a fight that he considers pointless. “I don’t know. It can’t be outfought, it can’t be outdone, it can’t be outrun. It’s just the way it is. There is no justice, except the one that is paid for in blood or money. I don’t have money.” In his personal struggle for justice and truth, convinced that the current government is becoming more and more dystopian with every passing day, he pushes to find out the truth against all odds, in hopes that it will finally bring him inner peace stopping worldwide growing tyranny.

Traveling Music Neil Peart, 2004-09 Neil Peart decided to drive his BMW Z-8 automobile from L.A. to Big Bend National Park, in Southwest Texas. As he sped along “between the gas-gulping SUVs and asthmatic Japanese compacts clumping in the left lane, and the roaring, straining semis in the right,” he acted as his own DJ, lining up the CDs chronologically and according to his possible moods. “Not only did the music I listened to accompany my journey, but it also took me on sidetrips, through memory and fractals of associations, threads reaching back through my whole life in ways I had forgotten, or had never suspected... Sifting through those decades and those memories, I realized that I wasn’t interested in recounting the facts of my life in purely autobiographical terms, but rather ... in trying to unweave the fabric of my life and times. As one who was never much interested in looking back, because always too busy moving forward, I found that once I opened those doors to the past, I became fascinated with the times and their effect on me. The songs and the stories I had taken for granted suddenly had a resonance that had clearly echoed down the corridors of my entire life, and I felt a thrill of recognition, and the sense of a kind of adventure. A travel story, but not so much about places, but about music and memories.”

Raised in Britain's hard-working, heavy industrial heartland, he and his music were forged in the Black Country.
