Lion: A Long Way Home Saroo Brierley, 2017-01-12 *** NOW NOMINATED FOR SIX OSCARS, INCLUDING BEST PICTURE, SUPPORTING ACTOR AND SUPPORTING ACTRESS *** Lion is the heartbreaking and inspiring original true story of the lost little boy who found his way home twenty-five years later and is now a major film starring Dev Patel, Nicole Kidman and Rooney Mara. As a five-year old in India, I got lost on a train. Twenty-five years later, I crossed the world to find my way back home. Five-year-old Saroo lived in a poor village in India, in a one-room hut with his mother and three siblings... until the day he boarded a train alone and got lost. For twenty-five years. This is the story of what happened to Saroo in those twenty-five years. How he ended up on the streets of Calcutta. And survived. How he then ended up in Tasmania, living the life of an upper-middle-class Aussie. And how, at thirty years old, with some dogged determination, a heap of good luck and the power of Google Earth, he found his way back home. Lion is a triumphant true story of survival against all odds and a shining example of the extraordinary feats we can achieve when hope endures. 'Amazing stuff' The New York Post 'So incredible that sometimes it reads like a work of fiction' Winnipeg Free Press (Canada) 'A remarkable story' Sydney Morning Herald Review 'I literally could not put this book down. Saroo's return journey will leave you weeping with joy and the strength of the human spirit' Manly Daily (Australia) 'We urge you to step behind the headlines and have a read of this absorbing account...With clear recollections and good old-fashioned storytelling, Saroo...recalls the fear of being lost and the anguish of separation' Weekly Review (Australia)

Mouse & Lion, 2011 From the illustrator of the classic edition of Snow-White and the Seven Dwarfs On a ridge above the Kalihari, Lion naps, until Mouse bumbles into him, willy-nilly, startling him awake. After a show of teeth, Lion is softened by Mouse's pledge of loyalty and sets him free. When a cold moon

brings a humbling lesson, Lion comes to recognize Mouse's keen skill, and deeper kindness. Mouse and Lion, Aesop's fabled duo, renew their ancient bond in this warm retelling by Rand Burkert, illuminated by the authentic natural detail of Nancy Ekholm Burkert's art.

A Coalition of Lions Elizabeth Wein, 2013-07-09 DIVDIVCaught between two kingdoms, Princess Goewin must balance the demands of leadership with those of her own happiness/divDIV With her own kingdom in upheaval and her vicious aunt out for blood, Goewin, princess of Britain and daughter of High King Artos, flees to the British-allied African kingdom of Aksum. The Social Life of the Lion J.A. Rudnai, 2012-12-06 THE HABITAT Nairobi National Park lies to the south-southeast of the capital of Kenya, Nairobi, where the Athi Plains meet the Eastern escarpment of the Rift Valley. These plains form part of the semi-arid highland plateau lying between the coast and the Rift Valley. Both the city itself, and the Park bordering it, are a meeting place of two generally distinct types of landscape and climate. While to the east-southeast are semi-arid plains with grasslands and scattered trees, the western-north western parts are higher, hilly, cooler, more humid and support lush forests. The combination of latitude-a little over one degree south of the Equator -and altitude-average of 1600 m. (5000-5500 ft.) -combine to give Nairobi a most equable climate where the temperature varies during the year between about 11 degrees and 27 degrees centigrade (mean minimum and mean maximum for eight years). However, considerable changes are usually experienced within each day and a rise from 14 degrees C at 0600 hours to 22 degrees at 1100

hours is not unusual. Nairobi Park has a unique concentration of wild animals living in their natural habitat less than 10 km. from the centre of a modern city of half a million people. The only interference with the natural course of events in the Park is that normally required for the proper management of a game park, such as maintenance of roads and dams, and, in this particular case, partial fencing towards the city.

How to Be a Lion Ed Vere, 2018-06-26 From the New York Times bestselling author/illustrator of *Max the Brave* comes an inspiring and adorable picture book about a pair of unlikely friends who face down a pack of bullies. In this timely and charming story about the importance of being true to yourself, mindfulness, and standing by your friends, we meet Leonard, a lion, and his best friend Marianne, a . . . duck. Leonard and Marianne have a happy life together—talking, playing, writing poems, and making wishes, But one day, a pack of bullies questions whether it's right for a lion and a duck to be pals. Leonard soon learns there are many ways to be a lion, and many ways to be a friend, and that sometimes finding just the right words can change the world . . . This sweet, funny, thoughtful, and much-needed story will open up readers' eyes to the importance of being who they are and not backing down to hurtful criticism. It's an empowering tale about connecting with others and choosing kindness over bullying, and shows children how angry and provocative words can be overcome by empathy and inner courage.

And Marieta van der Merwe herself, the inspiring proprietor of Harnas who shares her home with needy wild animals.
