Storms of Life Oyetutu Osibajo,2017-02-15 This book demonstrates the awareness of storms and how real storms are based on individual experiences, and Biblical application. Storms of life cannot be prevented except through Gods grace and intervention. This book makes us realize that there are different types of storms- unexpected storm, instant storm or financial storm to mention a few. Whatever type of storm it may be, it gives no notice before it manifest. Storm is no respecter of any one; it does not care about whom you are or your personality. It does not recognize whether you are prayerful or not, but it will strike. The storm brought us sadness and hurt and some famine; but yet we still rise by His Grace. The book exposes us to the facts that there will be storms in life. Storms are unpredictable; and we should not allow our faith to be moved during the storm; because there are times we feel like we have lost the battle. However, just as surely as the Lord is in control of our blessings, He is in charge of our storms. When things look the bleakest, God will show up! There is always an entry and exit to every storm. The test always brings testimony if we put Jesus in the middle of the Storm. It is safer in the storm with Jesus. The book indicates various ways we can deal with storms of life without allowing it to affect our health. During the storm we need to focus on God and take advice from the right people. We should have faith and act to stop the storm. Self-pity cannot help, but a courageous mind that will not accept defeat. The storm is temporary, and you will overcome it by Gods Grace through praying and trusting in the Lord.

Anchors in the Storm Jessica Kane,2020-12 Anchors in the Storm is a book for children and families about loss and grief. It is a spiritual book that addresses difficult feelings in a way that encourages connection. In my experience, by talking about difficult feelings, we get to know our loved ones on a deeper level, a level that creates the very connections that really are everlasting. I hope this book can provide some comfort and connection for children and their families as they navigate trying times.

Disney's the Lion King ,2006

Weathering the Storm Xavier Watson & Tara M. Watson, SFC, A,2008-10-27 This book is a journey through life changing events. It all began on August 29, 2005, the day that changed my family's life forever. Hurricane Katrina hit New Orleans and all the surrounding areas, but the damage was due to the levee breach 4 1/2 miles away from my family's home. The journey takes us from New Orleans to Mississippi and now presiding in Decatur, Georgia. The blessing was being employed by the military. With my 18 years of service, and as a Non-Commissioned Officer I have influenced my children to reach for their dream. A leader must Be Know and Do to survive and with that inspiration I have instilled in my children to become the best person they can by working hard and studying their interests for the future. Xavier is an example of what an actor must Be Know and Do. Since moving to Decatur, Georgia he has shown interest in being an actor and quickly took it to another level. We will take you through the audition process, booking the first gig and starring in his first Nickelodeon (GOGURT)commercial sponsored by the Kids Choice Awards and also booking the video of Our Future is Green, featuring Mayor Shirley Franklin. During the process Xavier has learned that before you can have a chance at fame and fortune, you must pursue all aspects of getting a job as an actor. And to get that you must have talent and be determined to perform your best for the people that can give you a job. My guide through, Weathering the Storm: A Young Actor's Journey to Hollywood will give you, the young and talented out there the encouragement to go forth with your career.

Modern Christianity Corrupted Robert Klingenberg,2012-06-01 The roots of an insidious Religious Humanism have for some time now steadily been growing deeper and deeper and taking a firm hold in the modern Christian Church in America and across the world.
