**Unclean Lips** Josh Lambert, 2014 Winner of the 2014 Jordan Schnitzer Book Award presented by the Association for Jewish Studies Jews have played an integral role in the history of obscenity in America. For most of the 20th century, Jewish entrepreneurs and editors led the charge against obscenity laws. Jewish lawyers battled literary censorship even when their non-Jewish counterparts refused to do so, and they won court decisions in favor of texts including *Ulysses*, *A Howl*, *Lady Chatterley's Lover*, and *Tropic of Cancer*. Jewish literary critics have provided some of the most influential courtroom testimony on behalf of freedom of expression. The anti-Semitic stereotype of the lascivious Jew has made many historians hesitant to draw a direct link between Jewishness and obscenity. In *Unclean Lips*, Josh Lambert addresses the Jewishness of participants in obscenity controversies in the U.S. directly, exploring the transformative roles played by a host of neglected figures in the development of modern and postmodern American culture. The diversity of American Jewry means that there is no single explanation for Jews' interventions in this field. Rejecting generalizations, this book offers case studies that pair cultural histories with close readings of both contested texts and trial transcripts to reveal the ways in which specific engagements with obscenity mattered to particular American Jews at discrete historical moments. Reading American culture from Theodore Dreiser and Henry Miller to *Curb Your Enthusiasm* and *FCC v. Fox*, *Unclean Lips* analyzes the variable historical and cultural factors that account for the central role Jews have played in the struggles over obscenity and censorship in the modern United States.

**Lips Unsealed** Belinda Carlisle, 2011-04-05 NEW YORK TIMES BESTSELLER • A spellbinding and shocking look at Belinda Carlisle's role in forming the Go-Go's and her rise, fall, and eventual rebirth as a wife, mother, and sober artist "An unflinching look back . . . with heartbreaking honesty and a wry sense of humor."—USA Today The women of the iconic eighties band the Go-Go's will always be remembered as they appeared on the back of their debut record: sunny, smiling, each soaking in her own private bubble bath with chocolates and champagne. The photo is a perfect tribute to the fun,

irreverent brand of pop music that the Go-Go's created, but it also conceals the trials and secret demons that the members of the group—in particular, its lead singer, Belinda Carlisle—struggled with on their rise to stardom. *Lips Unsealed* is Belinda's story in her own words—from her crazy days on tour with the Go-Go's to her private problems with abusive relationships, self-esteem, and a thirty-year battle with addiction. Ultimately, it is a love letter to music, the lifelong friendships between the members of the Go-Go's, the beloved husband and son who led Belinda to sobriety, and a life which, though deeply flawed, was—and is still—fully lived.

**Fish Lips** Carolyn Van Langenberg, 2001 Gillian Hindmarsh is an Australian researcher, investigating architectural history in Penang, Malaysia. From a city archive, she discovers a photograph of Rose, a young English woman from the 1940s. In Gillian's imagination, Rose is a black and white romantic fantasy taken from an old forties movie. Rose, however, was real. She has no family name to identify her. Her ghost is seen from time to time by a fisherman in the waters off Georgetown, and in 1982, when disturbed by dredging for a bridge to the mainland, she looks for a body into which to reincarnate. And she wants her lover, Li-tsieng to reincarnate also. Wang Li-tsieng, the dissolute son of a wealthy Straits Chinese family, returned from the safety of exile in Chile, to be with his English Rose. Shortly after his return, they were killed by a bomb, as they danced in the underwater dining hall of one of the Wang family mansions in Georgetown. Patrick Dreher, Gillian's lover, is a dredging engineer who rents a house on Jalan Dunn, where he is disturbed by Rose's spectral presence. Rose makes a significant choice by allowing herself to be seen by Gillian, in Patrick's house. The novel weaves together issues of history and memory, east and west, body and spirit, coloniser and colonised in a fiction that interrogates the ways we order both individual and collective histories to make sense of our own worlds. In this dark romance, loss and madness hover just below the surface.

**Bless These Lips** Sharla Fritz, 2012 *Bless These Lips: 40 Days of Spiritual Renewal* examines things we say that get in the way of our relationships with God and with others. Each chapter draws on lip product analogies and uses humor, anecdotes, and observations to introduce Scripture passages that address common behaviors and attitudes.

**Kiss the Death from My Lips** Daniel P. Moriarty, 2002-10 Detective Frank Demura, of NYPD Manhattan South, smells trouble when he reaches a crime scene, and investigates the murder of a Catholic brother whose body washed up from the East River. Soon Demura receives cut-and-paste notes from an unknown killer. After two more murders another note arrives predicting that the big one comes off when purple and rose converge. Meanwhile, the police lab reveals that Circe, the psychotic serial killer has kissed her victims to death. With unwanted assistance from the killer, Demura is relieved from the case and is sent packing to a psychiatrist, Sherry Dybinski. Analysis helps to answer some questions: What role did Demura's past play in these grisly murders? Later, Demura is detailed along with his motley band of detectives to guard the president who is coming to town. Instead, Demura disobeys orders and directs his team to St. Patrick's Cathedral setting up a final confrontation with the predator from hell.

**Mae Murray** Michael G. Ankerich, 2012-11-01 Presents the life of the silent-movie star who got her start as a dancer in the Ziegfeld Follies but descended into poverty and mental instability following the introduction of talkies, failed marriages, and legal battles.

*Eternity Was Shaped Like Her Lips*, 2021-06-15

**Red Lip Theology** Candice Marie Benbow, 2022-01-18 A moving essay collection promoting freedom, self-love, and divine wholeness for Black women and opening new levels of understanding and ideological transformation for non-Black women and allies “Candice Marie Benbow is a once-in-a-generation theologian, the kind who, having ground dogma into dust with the fine point of a stiletto, leads us into the wide-open spaces of faith.”—Brittney Cooper, author of *Eloquent Rage* and co-editor of *The Crunk Feminist Collection* Blurring the boundaries of righteous and irreverent, *Red Lip Theology* invites us to discover freedom in a progressive Christian faith that incorporates activism, feminism, and radical authenticity. Essayist and theologian Candice Marie Benbow's essays explore universal themes like heartache, loss, forgiveness, and sexuality, and she unflinchingly empowers women who

struggle with feeling loved and nurtured by church culture. Benbow writes powerfully about experiences at the heart of her Black womanhood. In honoring her single mother's love and triumphs—and mourning her unexpected passing—she finds herself forced to shed restrictions she'd been taught to place on her faith practice. And by embracing alternative spirituality and womanist theology, and confronting staid attitudes on body positivity and LGBTQ+ rights, Benbow challenges religious institutions, faith leaders, and communities to reimagine how faith can be a tool of liberation and transformation for women and girls.

**Read My Lips** Sally Kellerman, 2013-04-30 Academy Award and Golden Globe nominee Sally Kellerman explores her life and career, and also examines how Hollywood itself has changed over the years.

**How Can I Talk If My Lips Don't Move?** Tito Rajarshi Mukhopadhyay, 2011-04-01 An astounding new work by the author of *The Mind Tree* that offers a rare insight into the autistic mind and how it thinks, sees, and reacts to the world. When he was three years old, Tito was diagnosed as severely autistic, but his remarkable mother, Soma, determined that he would overcome the “problem” by teaching him to read and write. The result was that between the ages of eight and eleven he wrote stories and poems of exquisite beauty, which Dr. Oliver Sacks called “amazing and shocking.” Their eloquence gave lie to all our assumptions about autism. Here Tito goes even further and writes of how the autistic mind works, how it views the outside world and the “normal” people he deals with daily, how he tells his stories to the mirror and hears stories back, how sounds become colors, how beauty fills his mind and heart. With this work, Tito—whom Portia Iversen, co-founder of Cure Autism Now, has described as “a window into autism such as the world has never seen”—gives the world a beacon of hope. For if he can do it, why can't others? “Brave, bold, and deeply felt, this book shows that much we might have believed about autism can be wrong.”—*Boston Globe*

**Lips Touch: Three Times** Laini Taylor, 2009-11-01 In the style of Stephenie Meyer, three tales of supernatural love that all hinge on a life-changing kiss. Three tales of supernatural love, each pivoting on a kiss that is no mere kiss, but an action with profound consequences for the kissers' souls: *Goblin Fruit*: In Victorian times, goblin men had only to offer young girls sumptuous fruits to tempt them to sell their souls. But what does it take to tempt today's savvy girls? *Spicy Little Curses*: A demon and the ambassador to Hell tussle over the soul of a beautiful English girl in India. Matters become complicated when she falls in love and decides to test her curse.

**Smile^z** Quin Zahniser, 2022-02-02 A cleft adventure from birth to nine written by a boy born with cleft. Hi, My name is Quin, my dad calls me Smile^z. Even though we look different, we should all be treated the same. I have two brothers Zman, he's two years older than me and A, he's my identical twin without cleft. I was born with a severe unilateral cleft lip and palate. Sometimes it is hard to make friends because people think I am ugly, but I think I am cool just because of the way I look. My dad taught me to face my differences and say, I was born with my nose just like you were born with yours. I hope you enjoy my book. Your Champ, Smile^z

**Read My Lips (a College Obsession Romance)** Daryl Banner, 2016-05-26 I ran away from the glitz and privilege of my famous New York City family to this small-town Texas college to find myself. I didn't expect to find him... ..the muscular, tatted bad-boy who would soon become my obsession. He was broken, lost, and voiceless ... just like me. His eyes smoldered me with one look. His touch awakened the woman inside me. And through his lips, his perfect, plush, kissable lips, he drew out the inspiration deep in my soul I did not know was there. I needed to believe that he could save me. I wanted him to help me find my voice at last ... the voice that would set me apart from my tragically perfect family, the voice that would finally break me free ... If only he could hear a word of it. NOTE: The College Obsession Romance series centers around a group of friends and the relationships they form during their time at a small-town Texas school. They are angsty, steamy new adult novels with HEAs and NO cheating. Although they are obsession-themed romances, there are no stalkers or psychos!
