Four Feet Tall and Rising Shorty Rossi,2012-01-10 Luigi Francis Shorty Rossi, the tough-talking, fedora-wearing star of Animal Planet's hit show Pit Boss, may stand only four feet tall but that hasn't stopped him from living large, becoming a successful businessman and an outspoken advocate for pit bulls, the most misunderstood breed of dog in the world. A third generation dwarf, ex-gang member, and ex-con, Shorty knows what it's like to be misunderstood and in this candid memoir, he shares his personal story for the first time. No one expected Shorty to live let alone succeed, and yet he has, overcoming every challenge, from an abusive home to the violent streets and gangs of South Central LA, to the notorious cell blocks of Folsom Prison where he was imprisoned for attempted murder. After 10 years, 10 months, and 10 days behind bars, Shorty gained his freedom and the chance to put his entrepreneurial and negotiation skills to the test. He cut the ribbon on his own business, Shortywood, with three goals: to turn his life around, act as a talent agent for little people and establish and fund charities that advocate for, rescue and place abandoned or abused pit bulls into safe homes. In the process, he became a reality-TV star. Now, with Hercules, his rescued pit bull and newly trained service dog by his side, Shorty continues to save pits from the basements and backyards of breeders and abusers while taking on new and even bigger challenges. And nothing is gonna stand in his way. Shorty Rossi is four feet tall—and rising.

Shorty's Story Ron Herrett,2012-03-06 This story takes place in south eastern Alberta about nineteen fifteen (1915), along the western edge of the Cypress hills. Shorty Stout, a drifting cowboy arrives at the A-X ranch, (the AXE), and is given a meal and a bunk. The ranch belongs to Xavier Forrest and his wife Angela, hence the name, A-X. Shorty isn't the kind to lie around so the next morning he is out working and fixing. The first thing he does is to fix the windmill which has been making a racket for weeks. Because he is such a handy person with tools and can do almost any work, he is given a job on the ranch. When spring comes he attends a dance in town with the other hands and on the way back to the ranch he meets up with a widow and her son, Dawn and Matt Ryan. He stops to help them cut some firewood and soon he is working for them every weekend. He fixes fences, builds a log bunkhouse, puts running water in the house and many other jobs that have been neglected because there was no one to do them. When the bunkhouse is completed, a dance is held to show how much everyone's help has been appreciated. Meanwhile, out on the range, Shorty and his riding partner Gus, find a hidden valley in the hills, filled with Dawn Ryan's cattle. The valley is believed to be the floor of an ancient lake which drained out through the dry gully that is the only entrance. The cattle are separated and some are sold, bringing them some sorely needed cash to help keep the ranch going. Shorty, Dawn and Matt do some exploring and discover a small inner valley that is a small corner of paradise. This small valley is so beautiful that anyone entering it find it hard to even speak until they are back in the main valley. Matt discovers there is fish in the lake in the large valley, and he uses some improvised gear to catch a trout and cook it in the fire after coating it with clay. He and the school teacher, Karen Carter, take a group of students on a survival trip to teach them how to survive if they got lost, and to live off the land. Dawn and Shorty eventually realize they were meant for each other; a fact known to Matt and Angela, Dawn's older sister, for some time. Dawn asks Shorty to marry her and he agrees, but before getting married, they ride north to Medicine Hat to file for a homestead, taking in the Lost Valley. The day of the wedding arrives and afterwards, a huge reception and dance is held at the schoolhouse just outside town. About midnight, Matt and the school teacher help the newlyweds escape the party and go off by themselves. The weekend after the wedding, the three homesteaders head for Lost Valley, to get an idea of the land surrounding the valley. This valley has the richest soil and the best grass in Alberta and covers an estimated three hundred acres. Normally, a person is allowed to file on one hundred and sixty acres, but this area, being in the hills is described as waste land and they are allowed to file on a half section, or three hundred and twenty acres each. The government will pay to have the land surveyed, so a surveyor is found to do the job for them. When the land is surveyed and registered in their name, they need to find a way to make a wagon road to the valley, as the only way in is the dry watercourse that had drained the former lake in times long past. Many friends arrive to help with this task, which has to be done before building materials can be hauled into the valley. With much work over a long weekend, a road is made to the valley and the first wagon to ever enter the valley rolls over the newly constructed road. They are now ready to find a site to build a home on the Lost Valley Ranch. Shorty and Dawn spend a night in the Heavenly inner valley and in the morning she tells him he is to be a daddy and that nine months down the road a little girl named Allie will be born, because of one night spent in this enchanted valley.

Me 'n' Shorty Richard Guiney,2014-11-07 Me 'N' Shorty Leave the present world behind as you step into an extraordinary tale of two seventeen year olds, in this sweeping novel set against a United States that had been

plunged into despair by the Great Depression. The year was 1936, young Will Shaine's world had revolved around his beloved parents and the magnificent thoroughbred horses that they'd raised and trained on the family's horse farm. But now the death of his parents had left him alone in the world. He sat in the now quiet solitude of his home; the mantel clock seemed to be ticking away the seconds of his life, when he came to a life changing decision. He would sell the family property and go west to California. Out of respect for the hard work his family had invested in their horse farm, Will was determined not to squander, what would be his only inheritance. He placed the money in a money belt and would take it west. James Lotus Duke II, otherwise known as Shorty, left his family's farm in Tennessee after a final physical confrontation with his alcoholic abusive father. His father told him to get off the property and never come back. Shorty hit the road with 17 years of emotional scars. Would his intelligence and wild sense of humor be enough to overcome his father's voice that haunts his mind and tells him he'll never be any good, and the ultimate dream crushing echo, "I wish you were never born." Timely, as if an unseen force recognizes their needs, Will and Shorty are joined together for their passage across the continent. As they walk, hitch rides and hop trains, reality dictates that they grow up fast. They had no idea of what awaited them on the road. They find themselves exposed to the extremes of enormous wealth and to hobo camps and Hoovervilles, where people are struggling to get enough to eat. They cross paths with many colorful characters; some good, some bad, and some unhinged from reality. The worst of the worst lead them into dark life-threatening suspense, where seventeen year olds should not have to go. As they work their way across America they are also exposed to honest people with dreams of prosperity and goodness. It doesn't take long before Will and Shorty meet and fall in love with two American girls. Their relationships are so intense that they believe they will last forever. But like so many in times past, they feel a responsibility to establish a secure situation for their loved ones. Soon they find themselves back on the road aching with sweet sorrow from being separated from their girls, but with a renewed sense of purpose. The love of a distressed and troubled racehorse will lead them in a direction they did not expect, as pure adventure and life threatening situations continue to challenge them. Is young love strong enough to pull them through?
