Prayer Storm James W. Goll, 2011-07-28 Without a concerted storm of prayer around the clock and around the globe we cannot expect to see revival in our time. Updating the model of the Moravians in Herrnhut, Germany two centuries ago, James Goll lays out a plan for today: an Internet-based community of intercessors who commit to pray one hour per week for (1) revival in the church, (2) youth awakening, (3) Israel, and (4) major crises. God does nothing but in answer to prayer, said John Wesley. This first book in the Prayer Storm series helps to raise up a new worldwide band of fervent intercessors.

Obelisk Neil Pearson,2007-10-01 This remarkable book details the work of one of the most extraordinary publishing enterprises in history. Censor-baiting, provocative, simultaneous publisher of the literary elite and of 'dirty books', Jack Kahane's Obelisk Press

published Henry Miller, Anaïs Nin, Lawrence Durrell, D. H. Lawrence, and James Joyce among others. At the same time Kahane subsidised his literary endeavours with cheap erotica and trash fiction from long-forgotten eccentrics such as New York Daily News' Rome correspondent and self-styled 'Marco Polo of Sex' N. Reynolds Packard. Kahane's business model was simple: if a book was banned in the UK and US it could be profitably published in Paris. Here, for the first time, Neil Pearson has pulled together the incendiary story of Obelisk, including biographies of Kahane and his major and minor authors, and a bibliography of Obelisk books. This beautifully written volume – part cultural history, part reference book – will be required reading for anyone interested in controversial writing, censorship, 1920s Paris, publishing history and authors such as Miller, Joyce and Nin.

Us and Them: The Authorised Story of Hipgnosis Mark Blake,2023-02-02 'Hugely entertaining history' - Mojo Between the

late '60s and early '80s, design house Hipgnosis created some of the most iconic and ubiquitous album artwork of all time. Their original lifespan coincided with the golden age of the 12-inch LP, beginning just as the Beatles' Sgt Pepper made the record sleeve the ultimate blank canvas and ending just as new technology looked set to usurp vinyl. Having originally been approached to design an album cover for their friends Pink Floyd, students Aubrey 'Po' Powell and Storm Thorgerson would go on to define the visual identity of rock and roll for the next fifteen years, swiftly gaining international prominence for their famed The Dark Side of the Moon artwork. This paved the way for other major musicians to set foot in the surreal photo-design world of Storm and Po, resulting in seminal Hipgnosis creations for the likes of Led Zeppelin, Paul McCartney, Genesis, Black Sabbath, ELO and Yes. In this authorised account, with access to previously unpublished material and exclusive contributions from David Gilmour, Jimmy Page, Peter Gabriel, Roger Waters, Robert Plant and even Aubrey Powell himself, Mark Blake goes behind the scenes of the Hipgnosis partnership to reveal the pioneering ambition and grand vision that led to their success, as well as the clashing egos and artistic differences that undermined it. The Hipgnosis story also offers

hitherto-untold insight into some of music's most legendary bands, as viewed through the prism of the people who shaped their imagery and cultural legacy. With the work of Hipgnosis continuing to be referenced, reproduced and revered worldwide, *Us and Them* serves as a celebration, a cautionary tale and a compelling human drama, exploring the vital intersection between art and music.
