Fourth and Long John U. Bacon,2013-09-03 The New York Times bestseller about the state of college football: Why we love the game, what is at risk, and the fight to save it—"A fascinating saga" (Booklist). In search of the sport's old ideals amid the roaring flood of hypocrisy and greed, bestselling author John U. Bacon embedded himself in four college football programs—Penn State, Ohio State, Michigan, and Northwestern—and captured the oldest, biggest, most storied league, the Big Ten, at its tipping point. He sat in as coaches dissected game film, he ate dinner at training tables, and he listened in locker rooms. He talked with tailgating fans and college presidents, and he spent months in the company of the gifted young athletes who play the game. *Fourth and Long* reveals intimate scenes behind closed doors, from a team's angry face-off with their athletic director to a defensive lineman acing his master's exams in theoretical math. It captures the private moment when coach Urban Meyer earned the devotion of Ohio State's Buckeyes on their way to a perfect season. It shows Michigan's athletic department endangering the very traditions that distinguish the college game from all others. And it re-creates the euphoria of the Northwestern Wildcats winning their first bowl game in decades. Most unforgettably, *Fourth and Long* finds what the national media missed in the ugly aftermath of Penn State's tragic scandal: the unheralded story of players who joined forces with Coach Bill O'Brien to save the university's treasured program—and with it, a piece of the game's soul. This is the work of a writer in love with an old game—a game he sees at the precipice. Bacon's deep knowledge of sports history and his sensitivity to the tribal subcultures of the college game power this elegy to a beloved and endangered American institution.

Deterrence "From Cold War to Long War" Austin Long,2008-10-27 Since its inception six decades ago, the RAND Corporation has been one of the key institutional homes for the study of deterrence. This book examines much of this research for lessons relevant to the current and future strategic environment. It is therefore part intellectual history and part policy recommendation, intended to encourage debate and discussion on how deterrence can best be incorporated into U.S. strategy.

All Summer Long Hope Larson,2018-05-01 \*A Kirkus Reviews Best Book of 2018!\* All Summer Long, a coming-of-age middle-grade graphic novel about summer and friendships, written and illustrated by the Eisner Award-winning and New York Times–bestselling Hope Larson. Thirteen-year-old Bina has a long summer ahead of her. She and her best friend, Austin, usually do everything together, but he's off to soccer camp for a month, and he's been acting kind of weird lately anyway. So it's up to Bina to see how much fun she can have on her own. At first it's a lot of guitar playing, boredom, and bad TV, but things look up when she finds an unlikely companion in Austin's older sister, who enjoys music just as much as Bina. But then Austin comes home from camp, and he's acting even weirder than when he left. How Bina and Austin rise above their growing pains and reestablish their friendship and respect for their differences makes for a touching and funny coming-of-age story.

Hall of Smoke H.M. Long,2021-01-19 Epic fantasy featuring warrior priestesses, and fickle gods at war, for readers of Brian Staveley's *Chronicles of the Unhewn Throne*. Epic fantasy featuring warrior priestesses and fickle gods at war, for readers of Brian Staveley's *Chronicles of the Unhewn Throne*. Hessa is an Eangi: a warrior priestess of the Goddess of War, with the power to turn an enemy's bones to dust with a scream. Banished for disobeying her goddess's command to murder a traveller, she prays for forgiveness alone on a mountainside. While she is gone, raiders raze her village and obliterate the Eangi priesthood. Grieving and alone, Hessa - the last Eangi - must find the traveller and atone for her weakness and secure her place with her loved ones in the High Halls. As clans from the north and legionaries from the south tear through her homeland, slaughtering everyone in their path Hessa strives to win back her goddess' favour. Beset by zealot soldiers, deceitful gods, and newly-awakened demons at every turn, Hessa burns her path towards redemption and revenge. But her journey reveals a harrowing truth: the gods are dying and the High Halls of the afterlife are fading. Soon Hessa's trust in her goddess weakens with every unheeded prayer. Thrust into a battle between the gods of the Old World and the New, Hessa realizes there is far more on the line than securing a life beyond her own death. Bigger, older powers slumber beneath the surface of her world. And they're about to wake up.

The Clock Of The Long Now Stewart Brand,2008-08-01 Using the designing and building of the Clock of the Long Now as a framework, this is a book about the practical use of long time perspective: how to get it, how to use it, how to keep it in and out of sight. Here are the central questions it inspires: How do we make long-term thinking automatic and common instead of difficult and rare? Discipline in thought allows freedom. One needs the space and reliability to predict continuity to have the confidence not to be afraid of revolutions Taking the time to think of the future is more essential now than ever, as culture accelerates beyond its ability to be measured Probable things are vastly outnumbered by countless near-impossible eventualities. Reality is statistically forced to be extraordinary; fiction is not allowed this freedom This is a potent book that combines the chronicling of fantastic technology with equally visionary philosophical inquiry.

*Ashfall* Mike Mullin,2011-10-14 Many visitors to Yellowstone National Park don't realize that the boiling hot springs and spraying geysers are caused by an underlying supervolcano, so large that the caldera can only be seen by plane or satellite. And by some scientific measurements, it could be overdue for an eruption. For Alex, being left alone for the weekend means having the freedom to play computer games and hang out with his friends without hassle from his mother. Then the Yellowstone supervolcano erupts, plunging his hometown into a nightmare of darkness, ash, and violence. Alex begins a harrowing trek to search for his family and finds help in Darla, a travel partner he meets along the way. Together they must find the strength and skills to survive and outlast an epic disaster.

*Shogun* James Clavell,2023-12-12 The classic epic novel of feudal Japan that captured the heart of a culture and the imagination of the world, by the #1 New York Times bestselling author and unparalleled master of historical fiction, James Clavell After Englishman John Blackthorne is lost at sea, he awakens in a place few Europeans know of and even fewer have seen--Nippon. Thrust into the closed society that is seventeenth-century Japan, a land where the line between life and death is razor-thin, Blackthorne must negotiate not only a foreign people, with unknown customs and language, but also his own definitions of morality, truth, and freedom. As internal political strife and a clash of cultures lead to seemingly inevitable conflict, Blackthorne's loyalty and strength of character are tested by both passion and loss, and he is torn between two worlds that will each be forever changed. Powerful and engrossing, capturing both the rich pageantry and stark realities of life in feudal Japan, *Shogun* is a critically acclaimed powerhouse of a book. Heart-stopping, edge-of-your-seat action melds seamlessly with intricate historical detail and raw human emotion. Endlessly compelling, this sweeping saga captivated the world to become not only one of the best-selling novels of all time but also one of the highest-rated television miniseries, as well as inspiring a nationwide surge of interest in the culture of Japan. Shakespearean in both scope and depth, *Shogun* is, as the New York Times put it, ...not only something you read--you live it. Provocative, absorbing, and endlessly fascinating, there is only one: *Shogun*.

*Book Clubs* Elizabeth Long,2003-08 Book clubs are everywhere these days. And women talk about the clubs they belong to with surprising emotion. But why are the clubs so important to them? And what do the women discuss when they meet? To answer questions like these, Elizabeth Long spent years observing and participating in women's book clubs and interviewing members from different discussion groups. Far from being an isolated activity, she finds reading for club members to be an active and social pursuit, a crucial way for women to reflect creatively on the meaning of their lives and their place in the social order.

*The Long Twentieth Century* Giovanni Arrighi,1994 Winner of the American Sociological Association PEWS Award (1995) for Distinguished Scholarship The Long Twentieth Century traces the epochal shifts in the relationship between capital accumulation and state formation over a 700-year period. Giovanni Arrighi masterfully synthesizes social theory, comparative history and historical narrative in this account of the structures and agencies which have shaped the course of world history over the millennium. Borrowing from Braudel, Arrighi argues that the history of capitalism has unfolded as a succession of long centuries--ages during which a hegemonic power deploying a novel combination of economic and political networks secured control over an expanding world-economic space. The modest beginnings, rise and violent unravel-ing of the links forged between capital, state power, and geopolitics by hegemonic classes and states are explored with dramatic intensity. From this perspective, Arrighi explains the changing fortunes of Florentine, Venetian, Genoese, Dutch, English, and finally American capitalism. The book concludes with an examination of the forces which have shaped and are now poised to undermine America's world power.

*The Ashe County Frescoes of Benjamin F. Long IV* Janet C. Pittard,David B. Chiswell,2021-06-04 This book documents the history of four ecclesiastical frescoes completed by artist Benjamin F. Long IV in Ashe County, North Carolina, in the 1970s and 1980s. The story of the Ashe County frescoes celebrates their setting in the Blue Ridge Mountains and testifies to Long's intensity, precision and stamina. Commissioned by the Ashe County Frescoes Foundation, the authors contextualize the artistic and the spiritual aspects of the frescoes by connecting the figures in the scenes with their sources in the Bible. Drawn from extensive interviews with the artist, this book explores the frescoes' uniqueness. Interviews with people used as models, assistants, volunteers and observers focus on the frescoes' impact on the community, and the role of the Ashe County Frescoes Foundation in the protection and preservation of these artworks.
