The Long and the Short of It Andy Fawthrop,2017-02-14 A collection of short stories which contain sudden twists and unexpected changes in directions. Drink, drugs, violence, arson, murder, suicide and revenge all feature in these troubled tales. And that's to say nothing of the problems of love, loneliness, charity, delirium and homelessness. These problems are discovered and sometimes resolved, but there is that sly element of deception in all of us at times which makes it even trickier to figure out the real truth.

How did Granddad concoct such a wonderful bedtime story that Laura was transported into another dimension? Why was the totally innocent Denis Travers arrested and held for hours on end by gendarmes? Read a tale of dark intrigue that takes place at carnival time in ancient Venice. All that and much more besides! Included are two stories written by Daniel Thomas, translated into English. The original French versions appear at the end of the book for readers who wish to enjoy the magic of that wonderful language.

Can the youngest knight restore the Coin of Fortune to the people of Stonegate? How do an armadillo and an antelope defeat a tribe of hunters in the heart of the Amazon Rainforest? Will the regal rivalry of Candyland ever be resolved? What happens when a Halloween party gets seriously spooky? And why is Ella Green acting so strangely? These are just some of the questions that our children have storified for you, in their most invinciblest of voices. These stories are for children by children.
