**The Goodbye Storm** Danielle Stewart, 2015-08-06 Autumn Chase is painfully aware grief is a beast that won't be chased off before it's ready to leave. When an icy road and a dark night leave her a young widow, she's forced to trade in her perfectly planned future for the unknown. Like a child hiding from a monster, she pulls her covers up over her head with the intention of sheltering herself forever. But once an unexpected stranger shows up on her doorstep, Autumn has to choose between being alone or connecting with someone who is hurting as badly as she is. Noah Key, an emergency room doctor, has solemnly informed countless families that their loved one could not be saved. However, when his own wife dies suddenly there are no words to bring him comfort. His in-laws want him to fall to pieces to confirm his love for his late wife. His colleagues want him to take time off to grieve. The only thing Noah wants is to work enough hours in the day to forget his wife is gone. He's written himself a prescription for a cocktail of distraction and exhaustion in order to trick his brain into thinking his life isn't in shambles. When the world keeps moving on without them, Noah and Autumn will need to decide if they'll survive the storm or allow themselves to be swept away by it.

How, in this day and age, could something like this happen?--Back cover.

**Storm** Kim Hargreaves, Kathleen Hargreaves, Graham Watts (Photographer), 2013 Kim Hargreaves needs little introduction to seasoned knitters. Her flair for femininity and elegance has earned her worldwide fame as a knitwear designer. Rowan Yarns gave Kim her first job and fostered her career as a designer. Their prestigious bi-annual magazines, with exquisite photography, were a showcase for her talents for more than a decade. In this book, they have chosen to revisit 25 of her truly great designs in their favorite classic yarns: wools, mohairs and cottons, so there is something to knit all year round. There are smart little sweaters, soft cardigans, tailored jackets and cute tops, with beaded, textured, plain and lacy stitches, plus a few accessories. -- from publisher's website.

**Random Summer Storms** Denise Ann Stock, 2020-07-15 Life can sometimes be a collection of random storms that we must weather, like ships at sea. Families maneuver these storms throughout their lives. Ian and Dee Conner share the storms their family members experience in this third book of a series. The Connors are a close-knit family of five who live in a beach community, enjoying surfing, biking, and doing what most families do. Together they weather some tumultuous storms. The couple tried to run from a big storm they created in California, moving to the east coast of Florida to start over and raise their family. They shut away the skeletons of their past, never telling anyone their secrets. Other skeletons appear on both sides of Ian and Dee's family trees, but often these skeletons (storms) are what bring families together. Eventually, Ian and Dee realize that nothing can stop a raging storm: They must face the past to have a future. Their family and children must chart their own course in life. It may not always be what they hoped, but one day the storm will end, and the waters will calm. That is, until the next Random Summer Storms.

**The Runaway Storm** Danielle Stewart, 2015-08-21 For five years Jamie has managed to outrun his past, his pain, and anything remotely resembling an emotion. Now, with his

probation over, he's finally ready to leave town with plans to fade into the crowd and noise of Las Vegas. No more court-ordered grief counseling. No guardian trying to keep him out of trouble. He's convinced all he needs is a blackjack table and a strong drink for the rest of his life. Trixie believes she can tame the monster that keeps her tethered to Las Vegas. Her boyfriend, Eli, is difficult, but she can handle him. One night, however, her child's in danger rather than herself, and she realizes running is the only chance they have to survive. Jamie offers safe passage out of town on one condition—Trixie cannot pry into his past. With every mile they drive, they grow closer. But the storm that chases them won't relent, and somehow they must find a way to weather it together.

Shadow of the Storm (Out From Egypt Book #2) Connilyn Cossette,2016-10-18 In the Depth of the Storm's Shadow, Only Truth Can Light Her Way Having escaped Egypt with the other Hebrews during the Exodus, Shira is now living in freedom at the foot of Mt. Sinai, upon which rests the fiery glowing Cloud containing the shekinah glory of God. When the people disobey Yahweh and build a golden idol, the ensuing chaos gives Shira an unexpected opportunity to learn the arts of midwifery. Although her mother wishes for her to continue in the family weaving trade, Shira's gifts shine brightest when she assists with deliveries. In defiance of her mother, Shira pursues her heart's calling to become an apprentice midwife. When a delivery goes horribly wrong, Shira finds herself bound to a man who betrayed her, the caretaker of three young children, and the target of a vengeful woman whose husband was killed by Shira's people, the Levites. As contention between the Hebrew tribes and the foreigners fans the flames of another dangerous rebellion, Shira will come face-to-face with the heartbreak of her past that she has kept hidden for so long. How can she let go of all that has defined her to accept the love she's denied herself and embrace who she truly is?

**The Storm** Elizabeth Darwall,1810

**Storm on the Island** ,1942 The story of a nine-year old girl who lived with her family on an island off the coast of South Carolina, and who shared in the island adventures during a hurricane.

**Storm on the Island** Eleanor Lattimore,2016-03-01 This second edition of Storm on the Island is a revised and edited version of a classic story about a family living through a hurricane on the Carolina coast. It was pitch black outside. A storm was roaring over the little sea island where Rose Ann and her family lived. The house shook in the wind but it was still standing when at last the storm was over. Fields were flooded and the crops ruined by salt water Worst of all, the causeway to the mainland had been washed away and they were cut off from supplies. Rose Ann minded the baby, Paul caught fish to eat, and they all managed to help another family marooned by high water. But when it was all

over, and Paul and Rose Ann realized that they had lived through a hurricane, things seemed different and they somehow felt more grown up. Eleanor Frances Lattimore's delightful drawings illustrate the story. (Text taken from the front flap of the dust jacket on the first edition of this book. )
