In the land of Dorthar, the Storm Lord reigns as king. According to law, the Storm Lord's youngest son will be the rightful heir. His queen, the cunning and ambitious Val Mara, intends her young son, Amrek, to be that heir. But fate has other ideas. When the Storm Lord abducts a Lowlander priestess, conceives a child with her, and then dies in mysterious circumstances, the unborn baby of that union suddenly becomes the heir to a vast kingdom—a situation that Val Mara is eager to rectify. When his mother also dies, the infant, Raldnor, must be taken far from the Storm Lord's stronghold to escape the queen's murderous wrath, forsaking all knowledge of his royal heritage. Raldnor grows up among the people of the Plains, but he is set apart from his friends and neighbors by the mystery of his past. Meanwhile, Amrek has taken the throne as his mother intended. If Raldnor is to reclaim his destiny and defeat the usurper who has taken his place, he will have to survive trials of strength, political sabotage, and threats against his life, regaining his birthright as the true Storm Lord of Dorthar.

The Storm Lord Trilogy Box Set Sidney St. James, The Storm Lord Trilogy Box Set (The Complete Series Books 1-3): An Epic Paranormal Romance When it is time for two souls to meet, there's not one single thing on earth which can prevent them from getting together, no matter where each are located, even if it comes in the form of a black panther that's 200 years old! Book 1: The Flaming Blue Sword Angelica Thompson, an award-winning romance novelist, decides to end her turbulent relationship back home in Denver and heads to a secluded spot on the shores of Black Rock Cove in Oregon. Writer's block is preventing her from finishing her last novel in her paranormal romance series and is being pressured by her publisher, BeeBop Publishing, to finish by the end of the summer. She discovered the first night of her arrival how vividly her mind's thoughts and dreams came alive. Her imagination of a dead sea captain, a black panther pouncing on her for his evening meal, and falling to her death in a cove hundreds of feet below are only the beginning. Janie, a local real estate agent, awakens the young woman in her cottage. Was she awakened during a dream or... could it be real? Book 2: Nine Months Will Tell Continuation of the Storm Lord Trilogy in Chapter Two finds Angelica Thompson and Sheriff Kevin Connors expecting their first child. Her pregnancy comes as a surprise to her and Kevin because it is precisely nine months after their defeat of Ethan Knight in Chapter One of the Storm Lord Trilogy series. The question now that arises for the two love-birds is whether the Storm Lord lost his life in their final battle in the first of the series or did he, somehow, survive the epic encounter. Throughout the book, significant events taking place appear to threaten the life of Angel's first child. Is she too old, past the age of 39, to give birth? She wonders if it's just her age. Is there a problem with her child? Book 3: The Three Keys to Armageddon For this final chapter in the Storm Lord Trilogy Series, love must begin between a human and a supernatural being. This happens. The hero, the human character in this novel, is put into some kind of danger, where they come to realize they can overcome this danger either on their own or with the assistance of the supernatural love interest! Using the rich background of the spiritual world of Archangels Michael and his Sword of Angels and Gabriel with his trumpet of victory as the background, Sidney St. James' Storm Lord Trilogy Series pursues the return of Satan himself with a paranormal world of evil versus good filled with fascinating characters. The ever-moving series' sharp dialogue, highly original plotlines, and a stylistic flair are as rhythmic and vibrant as his earlier works. Through James' fertile imagination, these three novels in the series are provocative, confrontational, and contain highly ingenious twists and turn into the unexpected, but always with a healthy dose of humor, not to mention romance.
