The Stories of the Lotus Sutra Gene Reeves,2010-11 The Lotus Sutra is one of the world's great religious scriptures and most influential texts. It has been a seminal work in the development of Buddhism throughout East Asia and, by extension in the development of Mahayana Buddhism throughout the world. Taking place in a vast and fantastical cosmic setting, the Lotus Sutra places emphasis on skillfully doing whatever is needed to serve and compassionately care for others, on breaking down sharp distinctions between the ideals of the fully enlightened buddha and the bodhisattva who vows to postpone personal salvation until all beings may share it together, and especially on each and every being's innate capacity to become a buddha.

A Lotus Grows in the Mud Goldie Hawn,2006-02-28 In this candid, insightful, and unconventional memoir, Goldie Hawn invites us to join her in an inspirational look back at the people, places, and events that have touched her. It is the spiritual journey of a heart in search of enlightenment. With her trademark effervescence, Goldie delivers a personal look at private and powerful events that carried her through life: her father's spontaneity; her mother's courage; and the joy of being a daughter, a sister, a parent, and a lover. She writes about her childhood dreams of becoming a ballerina. She takes us on a tour of her go-go years in 1960s New York City, the phenomenon of TV's Rowan & Martin's Laugh-In, her Oscar-winning debut in Cactus Flower and Hollywood stardom. She writes intimately about the challenges of love, anger and fear, and the importance of compassion and integrity. She speaks openly about her family, her partner Kurt Russell, her children; her faith, her curiosity for that which she doesn't yet know, and her thirst for knowledge. Most of all, it is a trip back through a life well lived by a woman well loved.

As a child, Marisa's prayers were left unanswered as she begged God to save her from her abusive alcoholic father. Now she is convinced her nightmares are a punishment. God left her, and the nightmares are a curse the Devil placed on her for being a bad child. Finding herself alone in a world she doesn't understand, Marisa's fight for survival leads her to bullying others, taking drugs, and entering an abusive relationship as her life plummets into an endless chasm of bad decisions. Now in her forties and newly divorced, the nightmares return. Questioning her mental state and her ability to raise her kids, she begins a quest to find out the truth about the demons in her head. Marisa is astoundingly open about her doubts and concerns along her unlikely journey. Can she break the curse to find her inner peace and redemption? The Lotus Mary Peros,2014-08 It is the 1960's, and teenager Deena is an unhappy, angry, and rebellious girl. Confined to bed after a bike accident, she is visited by a mysterious stranger who takes her on a life journey of self-discovery, surrender, acceptance, and compassion. Life doesn't always go as planned, in fact, it rarely does; however, the greatest gift you can give yourself is faith that whatever happens actually is the plan. She closed her eyes and drifted off. At first it sounded as if someone was humming a tune outside, then she blinked open her eyes to see a hazy figure of a young man, leaning, arms folded, against the window. Who are you? she sat up, wide-eyed. She couldn't be sure, but it seemed he had some sort of wings attached to his back. He was wearing a loose grey sweatshirt, black gym pants, and had the presence of a majestic eagle. He had strong, manly features, warm brown eyes, the colour of melted chocolate,

and dark, wavy hair. Wow, she thought, unreal

Joan Krieger, Gregor's investigative partner and lover, accompanies him, though the summons is badly timed. Gregor has been pushing to get married while Joan, who saw the ruins of a marriage destroy her parents, balks. In her experience, families bring nothing but grief. Besides, she's no proper match for Gregor, with her reputation as a "fallen" woman, and being from a Jewish merchant family. Her fears are realized after their arrival at Lotus Hall. The duke is distant, Gregor's mother is concealing a secret about the long-lost family member, Gregor's other brother is hiding an affair that could bring scandal down on the family, and the other guests, important members of the Metaphysical Society, warn Joan of dire consequences if she continues to use forbidden magic in her investigations. When one of the signature Sherringford inventions is used to kill, uncovering the truth behind all the facades becomes imperative. For someone is hunting Sherringfords and unless they can all learn to trust each other, their family will be utterly destroyed.
