

Love You&sortm

dad I. love you NOTEBOOK

L Love You, I Hate You Love Jozi,2019 I love you I hate you is a book about Johannesburg told in two parts. The first is told through design. It is the story of Love Jozi so far, a catalogue of more than 100 t-shirt graphics. We revisited our image archive from the past 15 years to narrate a tale of the city. T-shirts have always been the core product of the brand, and each range has emerged from a specific context. The book is illustrated by rich visuals which show how Johannesburg became our muse, inspiring bold designs and new ways of looking. The second econd part is told through a collection of short essays by contributing writers. We invited 34 Joburg thinkers, doers and observers to start a conversation with each t-shirt range. This collection spells out a complicated relationship with the city. The result explores Johannesburg in fresh ways and takes the reader down unexpected paths, grappling with a complex place that inspires competing emotions of love and hate.--Provided by publisher.

Look at My Striped Shirt! The Phat Phree,2006-12-26 Target. Observe. Ridicule. You run into them every day—the striped-shirt guy, the karaoke master, the dude with a pencil-thin beard, the guy who won't shut up about his fantasy football team—characters who annoy, irritate, and incense us all. Based on the wildly popular essay on ThePhatPhree.com by Mike Polk, this book is a look inside the heads of the most infuriating douchebags on Earth. It's the best of ThePhatPhree.com plus more than fifty all-new, hilarious pieces written by some of your favorite writers from this site. Everyone's (Least) Favorite, The Striped-Shirt Guy ... I will valet tonight! I will treat the valet with contempt and make sure that he knows that I am superior to him. I will tell him, "Take it easy on the brakes, champ"! When I do not hook up with a girl at the club, I will say that the place is "full of skanks" and wait in line at another bar, only to strike out again! Your "Cool" High School Teacher ... Here are some things I allow in my class that other teachers don't: eating, drinking, swearing, dancing, smoking, fighting, cell phones, Texas hold 'em, iPods, and sex. Like my Goo Goo Dolls tee? Anyone else here down with the Dolls? No? Me either. I'm just wearing it as a goof. The Guy with Amazing Taste in Music ... Personally, I haven't listened to the radio in fifteen years. If you have ever heard a band on the radio, then I can assure you, I am not a fan. I stopped listening to American music about ten years ago.

Love You Hard Abby Maslin,2019-03-12 Abby Maslin shares an inspiring story of resilience and commitment in a deeply affecting new memoir. After her husband suffered a traumatic brain injury, the couple worked together as he recovered—and they learned to love again. When Abby Maslin's husband, TC, didn't make it home on August 18, 2012, she knew something was terribly wrong. Her fears were confirmed when she learned that her husband had been beaten by three men and left for dead mere blocks from home, all for his cell phone and debit card. The days and months that followed were a grueling test of faith. As TC recovered from a severe traumatic brain injury that left him unable to speak and walk, Abby faced the challenge of caring for—and loving—a husband who now resembled a stranger. *Love You Hard* is the raw, unflinchingly honest story of a young love left broken, and the resilience required to mend a life and remake a marriage. Told from the caregiver's perspective, this book is a daring exploration of true love: what it means to love beyond language, beyond abilities, and into the place that reveals who we really are. At the heart of Abby and TC's unique and captivating story are the universal truths that bind us all. This is a tale of living and loving wholeheartedly, learning to heal after profound grief, and choosing joy in the wake of tragedy.

Vietnam, I Love You Tom Lee,2011-11-18 Doctor Jimmy Capri was anxious. Doctor Maureen Mo Lally had coerced him into presenting their paper at a military medical meeting in Hanoi. He feared that returning to Vietnam would unmask the post traumatic stress disorder, PTSD that he suffered from his first

tour at First Marines First Medical Battalion in Da Nang and that he had managed to submerge for over thirty-five years. The memories that had lain dormant did surface, including being shot and the details of his love affair with Mai Nguyen, a nurse at WHO Childrens Hospital. What he didn't anticipate from his short stay in Vietnam, was a new love.

On Fire John O'Leary, 2016-03-15 In the bestselling tradition of Brene Brown's *Daring Greatly* and Nick Vujicic's *Life Without Limits* comes a rousing 7-step plan for living a life on fire, filled with hope and possibility—from an inspirational speaker who survived a near-fatal fire at the age of nine and now runs a successful business inspiring people all around the world. When John O'Leary was nine years old, he was almost killed in a devastating house fire. With burns on one hundred percent of his body, O'Leary mustered an almost unimaginable amount of inner strength just to survive the ordeal. The insights he gained through this experience and the heroes who stepped into his life to help him through the journey—his family, the medical staff, and total strangers—changed his life. Now he is committed to living life to the fullest and inspiring others to do the same. An incredible and emotionally honest account of triumph over tragedy, *On Fire* contains O'Leary's reflections on being that little boy, the life-giving choices made then, and the resulting lessons he learned. O'Leary very clearly shares that without the right people providing the right guidance, at the right time, he never would have made it through those five months in the hospital, let alone the years that followed as he struggled to regain mobility, embrace his story, and ignite clarity of his life's purpose. *On Fire* encourages us to seize the power to choose our path and transform our lives from mundane to extraordinary. Once we stop thinking solely on the big moments in our lives, we can begin to focus on those smaller opportunities that tend to pass us by. These are the events—the inflection points in our lives—that can determine how we feel about life now, where we are headed in the future, and how many lives we can impact along the way. We can't always choose the path we walk, but we can choose how we walk it. Empowering, inspiring, remarkably honest, and heartfelt, O'Leary's strength and incredible spirit shine through on every page.

Profits from the sale of this book will benefit the Spiritus Christi Mental Health Ministry.

Murakami T Haruki Murakami, 2021-11-23 The international literary icon opens his eclectic closet: Here are photographs of Murakami's extensive and personal T-shirt collection, accompanied by essays that

reveal a side of the writer rarely seen by the public. Many of Haruki Murakami's fans know about his massive vinyl record collection (10,000 albums!) and his obsession with running, but few have heard about a more intimate passion: his T-shirt collecting. In *Murakami T*, the famously reclusive novelist shows us his T-shirts—from concert shirts to never-worn whiskey-themed Ts, and from beloved bookstore swag to the shirt that inspired the iconic short story *Tony Takitani*. These photographs are paired with short, frank essays that include Murakami's musings on the joy of drinking Guinness in local pubs across Ireland, the pleasure of eating a burger upon arrival in the United States, and Hawaiian surf culture in the 1980s. Together, these photographs and reflections reveal much about Murakami's multifaceted and wonderfully eccentric persona.
