But despite his best efforts, Daisy is done being scared. New to Sacramento, she is ready to jump headfirst into life--until she is attacked one night. Then it what feels like the blink of an eye, everything has changed and you are faced with more resolution options than New Year's Eve. The journey can be wholly overwhelming, but it doesn’t have to be the worst thing that’s ever happened to you. Choice will be your ally. As the child of a blended family of divorced parents, a now unmarried woman, and a veteran family law attorney, Nicole Sodoma knows divorce. In Please Don't Say You're Sorry, she serves up both humorous and decidedly unfunny realities of marriage and divorce alongside empowering insights for finding your way through either. He was there for her, patiently waiting for her love. Eros, the man who gave her all his love with all his heart and soul. Will she fall for that innocent and pure love? But what if there's something behind that innocent soul she knew? What he's not really that innocent? What if he has something dark behind his innocent facade? Will she choose to reciprocate his love? Or will his love remain unrequited? Will they have a happy ending? Or will she run away after knowing that he was exactly the villain of the love she once wanted to have?

The Last Lecture Randy Pausch,2008-04-08 After being diagnosed with terminal cancer, a professor shares the lessons he's learned—about living in the present, building a legacy, and taking full advantage of the time you have—in this life-changing classic. We cannot change the cards we are dealt, just how we play the hand. —Randy Pausch A lot of professors give talks titled The Last Lecture. Professors are asked to consider their demise and to ruminate on what matters most to them. And while they speak, audiences can't help but mull over the same question: What wisdom would we impart to the world if we knew it was our last chance? If we had to vanish tomorrow, what would we want as our legacy? When Randy Pausch, a computer science professor at Carnegie Mellon, was asked to give such a lecture, he didn't have to imagine it as his last, since he had recently been diagnosed with terminal cancer. But the lecture he gave—Really Achieving Your Childhood Dreams—wasn't about dying. It was about the importance of overcoming obstacles, of enabling the dreams of others, of seizing every moment (because time is all you have . . . and you may find one day that you have less than you think). It was a summation of everything Randy had come to believe. It was about living. In this book, Randy Pausch has combined the humor, inspiration and intelligence that made his lecture such a phenomenon and given it an indelible form. It is a book that will be shared for generations to come.

A Gentle Reminder Bianca Sparacino,2020-11 A gentle reminder, for the days you feel light in this world, and for the days in which the sun rises a little slower. A gentle reminder for when your heart is full of hope, and for when you are learning how to heal it. A gentle reminder for when you finally begin to trust in the goodness, and for when you need the kind of words that hug your broken pieces back together. A gentle reminder for when growth hangs heavy in the air, for when you need to tuck your strength into your bones just to make it to tomorrow. A gentle reminder for when you are balancing the messiness, and the beauty, of what it means to be human, when you are teaching yourself that it is okay to be both happy and sad, that you are real, not perfect. A gentle reminder for when you seek the words you needed when you were younger. A gentle reminder for when you need to hear that you deserve to be loved the way you love others. A gentle reminder for when you need to recognize that you are not your past, that you are not your faults. A gentle reminder for when you need to believe in staying soft, in continuing to be the kind of person who cares. A gentle reminder for when you need to believe in loving deeply in a world that sometimes fails to do so. A gentle reminder to keep going. A gentle reminder to hope--
