**The Moon Goddess' Sins** Vanessa Nicole, The Moon Goddess and the king of the forest fell in love, but their love was that of a forbidden love. Separated by the rulers of earth they lived on but she bore his sons and daughter. Afraid that she couldn't care for them she cast them off into the clans beneath her along with her Wrath, Sloth, Envy, Gluttony, Lust, Pride and Greed. Because they were her children they suffered in many ways but they knew that they were the chosen ones and needed to endure all the sufferings so that one day, they could be happy.

Latino American Folktales Thomas A. Green,2009-03-20 Latino Americans have a powerful voice in society and a wealth of cultural traditions. Fundamental to those traditions are numerous folktales. Some are funny, some draw upon the supernatural, some look back on ancestral ways, and some capture the experience of Latinos in the United States. Written expressly for students and general readers, this book assembles and comments on a wide range of Latino American folktales. These are grouped in topical sections on origins; heroes, heroines, villains, and fools; society and conflict; and the supernatural. Each tale is introduced by a headnote, and the volume closes with a selected, general bibliography of print and electronic resources suitable for student research. Students of literature and language will value this book for its exploration of Latino American folktales, while students of history and society will welcome its illumination of the Latino American experience. The more than 30 tales are grouped in thematic sections on origins; heroes, heroines, villains, and fools; society and conflict; and the supernatural.
