MadCat Kathy Mackel,2005-03-01 MadCat Campione is the best twelve-year-old catcher in New Hampshire.. And this year her fastpitch softball team, the Norwich Sting, is going National. They'll be shooting to make the National Fastpitch Softball World Series, playing against the best teams from around the country. MadCat is thrilled. But going National isn't quite what MadCat expected. Almost half the girls from the Sting -- girls who have played together for years -- have been cut to make room for hotshots from nearby towns. Their coach tells them the most important thing is to play to win. MadCat's best friend, Jess, isn't fun anymore: all she can think about is beating the competition, both inside and outside the team. Things are getting tenser and tenser. The Sting's winning all their games; they're sure to make it to the big time. They know nothing can stop them, not when their motto is Eating Dirt Is Better Than Losing. But is winning really more important than anything? Or will all their victories just add up to nothing?

Quest for Peace Jeremiah Nichols,2011-01-28 The primary goal of this book is to bring you the bible in a new and exciting way that will strengthen your relationship with Jesus through an entertaining story. It's Christian Fiction so there are a ton of scriptures in the book with good sermons and songs that should be a blessing to you. It's Christian Sci Fi so there are some new technologies that are based in the future that are really cool and exciting inventions of mine.The most exciting technology to my knowledge has never been done in Sci Fi and is found at the end of the book it is called a SHIFT being which is an acronym for the description of the new technology. You'll have to get the book to find out what this technology is. The story picks up where Civil Refuge, my first book, left off . The introduction should brief you on all that you need to know to make this book fun and exciting. I would, however recommed that you get Civil Refuge and read it first so you will be privy to all of the entire story. Quest for Peace storyline is about a Civil War that is in effect on the planet Ionious with a great cast of characters in the Ionious Army. It is the North against the South and they need a constant contact with God to get them through all of their everyday battles. The South is in a Quest for Peace and the North is out for blood and control of the element Vionium. There is much comedy in the book on both sides. You will also find suspense drama and intrigue. The characters are faced with situations that only a miracle from God could get them through and it happens alot in the book. God literally and figuratively shows up in the book as well as Jesus in a triumphant manner you will just have to get the book and find out for yourself of all the amazing things that God does in this book.
