Mad Cat Bloke Kim Wells,2011-10-20 You've heard of Mad Cat Lady, now meet the male equivalent. Who would have thought that when Ruth and Kim lost their treasured dog Gyp it would lead to adopting two kittens and a young dog, and then gradually increase the number of feline lodgers at their house to eleven cats? It would also set in motion a life of theft, drug abuse, relentless psychological training, vagrancy and debauchery. And that's just the cats! Enter a world of cats and cat rescue as seen through the eyes of Kim Wells aka Mad Cat Bloke.

MadCat Kathy Mackel,2005-03-01 MadCat Campione is the best twelve-year-old catcher in New Hampshire.. And this year her fastpitch softball team, the Norwich Sting, is going National. They'll be shooting to make the National Fastpitch Softball World Series, playing against the best teams from around the country. MadCat is thrilled. But going National isn't quite what MadCat expected. Almost half the girls from the Sting -- girls who have played together for years -- have been cut to make room for hotshots from nearby towns. Their coach tells them the most important thing is to play to win. MadCat's best friend, Jess, isn't fun anymore: all she can think about is beating the competition, both inside and outside the team. Things are getting tenser and tenser. The Sting's winning all their games; they're sure to make it to the big time. They know nothing can stop them, not when their motto is Eating Dirt Is Better Than Losing. But is winning really more important than anything? Or will all their victories just add up to nothing?

Madcat and Lemon Robert Reid,2020-05-19 Dad doesn't like cats, so when a stray cat shows up at the door, he must adjust his attitude. He learns to respect, even love, the two cats he is eventually charged with. Meanwhile, the cats themselves must learn to get along. This story of the two cats and the family of five who care for them is told from the ornery father's point of view.

The Last Horse Patrol Homer A. Taylor,2010-10-28 In the summer of 1977, drug smuggling was rampant in the southern Arizona desert. Using horses, smugglers made a massive profit, as these horse trains were much more difficult to detectuntil the United States Customs Patrol decided to beat these smugglers at their own game. Horses seized from the drug dealers were used by Customs Patrol agents, and soon the smugglers were running from the law. The Last Horse Patrol is the firsthand account of this law enforcement agenda, written by a retired member of the Customs Patrol, Homer Taylor. Taylor was an important part of the team, with extensive experience in the park service and in-depth knowledge of the Arizona desert. But it is not only a retelling of the how, when, and why of Customs Patrol; its a retelling of livelihood and friendship in the summer heat. It wasnt

all work and no play for these Customs Patrol officers. Together, they formed friendships and lifelong connections beneath the starry desert skies. Later, they mourned the closure of the Customs Patrol, the most cost effective and successful force against drug smuggling in United States history. For Homer Taylor, it was an experience he would never forget; for our country, it was a victory in the war on drugs.

Telling Stories Steven Cohan, Linda M. Shires, 2013-10-08 First Published in 2002. We are living in a time of rapid and radical social change. Modes and categories inherited from the past no longer seem to fit the reality experienced by a new generation. *New Accents* is intended as a positive response to the initiative offered by such a situation. Each volume in the series will seek to encourage rather than resist the process of change; to stretch rather than reinforce the boundaries that currently define literature and its academic study. This book introduces a theoretical framework for studying narrative fiction. A narrative recounts a story, a series of events in a temporal sequence.

Social Worlds of Children Anne Haas Dyson, 1993 Presents the results of a two-year ethnographic study of K-3 children who do not tell stories in the written language format valued by most early literacy educators.

Of Cats and Men Nina de Gramont, 2008-12-18 Haughty Bengals, faithful Maine coons, and feral strays: These are the haunting familiars that animate Nina De Gramont's critically acclaimed debut collection of short fiction. Prowling through

every story, these enigmatic creatures expose the hidden fears and passions of the female heart, and illuminate the profound truths of men and love. A young woman finds two dark surprises in her home: a magpie dismembered by her mischievous cat, and an unsettling glimpse of her fiancé's secret inclinations... A pregnant housewife quietly suffers a visit from her troubled brother-in-law while her hidden anger comes to life in the suddenly hostile behavior of her docile house cat... A frustrated newlywed clings to the last vestige of her well-appointed upbringing--a pampered Himalayan high point--until a rangy stray cat shows her the true meaning of marriage... As clever, finessed, and keen as the feline disposition it celebrates, *Of Cats and Men* marks the arrival of an exciting new voice in fiction.
