**Culture Making** Andy Crouch, 2023-09-12 Christianity Today Book Award winner Publishers Weekly's best books The only way to change culture is to create culture. Most of the time, we just consume or copy culture. But that is not enough. We must also do more than condemn or critique it. The only way to change it is to create it. For too long, Christians have had an insufficient view of culture and have waged misguided culture wars. But Andy Crouch says we must reclaim the cultural mandate to be the creative cultivators God designed us to be. Culture is what we make of the world, both in making cultural artifacts as well as in making sense of the world around us. In this expanded edition of his award-winning book Crouch unpacks the complexities of how culture works, the

dynamics of cultural change, and tools for cultivating culture. Keen biblical exposition demonstrates that creating culture is central to the whole scriptural narrative, the ministry of Jesus, and the call to the church. With a conversation between Crouch and Tish Harrison Warren as the new afterword, this expanded edition addresses the current landscape and forges a way for the future of culture making. Enter into it with guided questions for reflection and discussion for a deeper experience.

*Making Machu Picchu* Mark Rice, 2018-08-17 Speaking at a 1913 National Geographic Society gala, Hiram Bingham III, the American explorer celebrated for finding the lost city of the Andes two years earlier, suggested that Machu Picchu is an awful name, but it is well worth remembering. Millions of travelers have since followed Bingham's advice. When Bingham first encountered Machu Picchu, the site was an obscure ruin. Now designated a UNESCO World Heritage Site, Machu Picchu is the focus of Peru's tourism economy. Mark Rice's history of Machu Picchu in the twentieth century—from its discovery to today's travel boom—reveals how Machu Picchu was transformed into both a global travel destination and a powerful symbol of the Peruvian nation. Rice shows how the growth of tourism at Machu Picchu swayed Peruvian leaders to celebrate Andean culture as compatible with their vision of a modernizing nation. Encompassing debates about nationalism, Indigenous peoples' experiences, and cultural policy—as well as development and globalization—the book explores the contradictions and ironies of Machu Picchu's transformation. On a broader level, it calls attention to the importance of tourism in the creation of national identity in Peru and Latin America as a whole.

**Making Comics** Lynda Barry, 2019-09-10 The idiosyncratic curriculum from the Professor of Interdisciplinary Creativity will teach you how to draw and write your story Hello students, meet Professor Skeletor. Be on time, don't miss class, and turn off your phones. No time for introductions, we start drawing right away. The goal is more rock, less talk, and we communicate only through images. For more than five years the cartoonist Lynda Barry has been an associate professor in the University of Wisconsin-Madison art department and at the Wisconsin Institute for Discovery, teaching students from all majors, both graduate and undergraduate, how to make comics, how to be creative, how to not think. There is no academic lecture in this classroom. Doodling is enthusiastically encouraged. *Making Comics* is the follow-up to Barry's bestselling *Syllabus*, and this time she shares all her comics-making exercises. In a new hand-drawn syllabus detailing her creative curriculum, Barry has students drawing themselves as monsters and superheroes, convincing students who think they can't draw that they can, and, most important, encouraging them to understand that a daily journal can be anything so long as it is hand drawn. Barry teaches all students and believes everyone and anyone can be creative. At the core of *Making Comics* is her certainty that creativity is vital to processing the world around us.

Louie doesn't have the best luck when it comes to nurturing small creatures. So when his father brings home a sickly newborn mini donkey, he's determined to save him. He names him Winslow. Taking care of him helps Louie feel closer to his brother, Gus, who is far, far away in the army. Everyone worries that Winslow won't survive, especially Louie's quirky new friend, Nora, who has experienced loss of her own. But as Louie's bond with Winslow grows, surprising and life-altering events prove that this fragile donkey is stronger than anyone could have imagined. Written in the spirit of Creech favorites *Moo* and *Love That Dog*, this standout tale about love and friendship and letting go will tug at the heartstrings.
