

Mania&sorty

Anita Šumer

Mania Ronald K. L. Collins, David M. Skover, 2013-03 By the time Lucien Carr stabbed David Kammerer to death on the banks of the Hudson River in August 1944, it was clear that the hard-partying teenage companion to Jack Kerouac, Allen Ginsberg, Neal Cassady, and William S. Burroughs might need to reevaluate his life. A two-year stint in a reformatory straightened out the wayward youth but did little to curb the wild ways of his friends. MANIA tells the story of this remarkable group—who strained against the conformity of postwar America, who experimented with drink, drugs, sex, jazz, and literature, and who yearned to be heard, to remake art and society in their own libertine image. What is more remarkable than the manic lives they led is that they succeeded—remaking their own generation and inspiring the ones that followed. From the breakthrough success of Kerouac's *On the Road* to the controversy of Ginsberg's *Howl* and Burroughs' *Naked Lunch*, the counterculture was about to go mainstream for the first time, and America would never be the same again. Based on more than eight years' writing and research, Ronald Collins and David Skover—authors of the highly acclaimed *The Trials of Lenny Bruce*—bring the stories of these artists, hipsters, hustlers, and maniacs to life in a dramatic, fast-paced, and often darkly comic narrative.

Mania Ronald K. L. Collins, David M. Skover, 2013 *Mania* takes you into the world of the young rebels who transformed American culture in the 1950s—a world of sex, drugs, jazz, crime, insanity, and a defiant new literature. It tells the story of Lucien Carr's killing of David Kammerer, the car chase that led to Allen Ginsberg's committal to a mental asylum, William S. Burroughs' heroin addiction and deadly *William Tell* act, Jack Kerouac's seven-year struggle to publish *On The Road*, and the creation of Ginsberg's ecstatic masterpiece *Howl*, which the authorities declared obscene and fought fervently to suppress. It is a story too unbelievable to make up. Book jacket.

Mania David Healy, 2008-06-23 This provocative history of bipolar disorder illuminates how perceptions of illness, if not the illnesses themselves, are mutable over time. Beginning with the origins of the concept of mania—and the term maniac—in ancient Greek and Roman civilizations, renowned psychiatrist David Healy examines how concepts of mental afflictions evolved as scientific breakthroughs established connections between brain function and mental illness. Healy recounts the changing definitions of mania through the centuries, explores the effects of new terminology and growing public awareness of the disease on culture and society, and examines the rise of psychotropic treatments and pharmacological marketing over the past four decades. Along the way, Healy clears

much of the confusion surrounding bipolar disorder even as he raises crucial questions about how, why, and by whom the disease is diagnosed. Drawing heavily on primary sources and supplemented with interviews and insight gained over Healy's long career, this lucid and engaging overview of mania sheds new light on one of humankind's most vexing ailments.

Sourdough Mania Anita Šumer, 2020-11-23 Anita Šumer is a passionate, self-taught, 100% sourdough baker and teacher, based in Slovenia who has become an international sensation – she now has over 70,000 followers on Instagram @sourdough_mania. She started baking sourdough when her husband was ill and could not eat yeasted bread. So successful has she been that she is now teaching sourdough baking around the world; 9 countries and across 3 continents. In 2017, she published her unique sourdough book in her native Slovenia, a first of its kind and the book received two Gourmand World Cookbook Awards. The book has now been published in German, Dutch, French and Croatian. The book features both simple-to-make recipes and more ambitious recipes for more festive occasions. Readers can feast their eyes (and later their stomachs) on rye bread, simple white bread, corn bread, buckwheat bread, fruit bread, donuts, brioches and much more. Sourdough Mania contains chapters on types of grain, making a sourdough leaven, the baking process, ingredients and useful tools. Every stage is fully illustrated with step-by-step photography on weighing, mixing, kneading, shaping, scoring, and baking, to take you on a journey to the healthy world of sourdough baking made easy. Anita has started a real bread revolution which more and more people are joining in to bake healthier and more delicious bread. Sourdough Mania is here.

In Mania's Memory Lisa Birnie, 2010-11-04 Mania dreams of becoming Poland's Shirley Temple. She is seven when World War II begins and 11 when she witnesses her mother die in Auschwitz. A year later, she is transferred to the work camp, Reichenbach. Johanne, an SS guard, slips her food and looks out for her, giving her hope that she will survive. Johanne even voices her desire to adopt Mania when the war ends. But when at last it does, they are suddenly separated. As the years pass, Mania often thinks about Johanne and wishes that she could thank her. Then, decades later, their lives serendipitously reconnect. Mania hires a cleaning lady whom she is sure is Johanne, but the woman elusively denies it. Lisa Birnie interweaves the true stories of these two remarkable women with her own experience of the war as she attempts to discover the truth. Her book fearlessly traverses gray areas of war, belief, and memory. Will Johanne admit to being the one who saved Mania? Is she deliberately keeping the truth a secret? Or is Mania mistaken? As Mania often says, Life's full of secrets, and every secret has a purpose.

Customer Mania! Kenneth Blanchard,2016-03-22 Customer service is the single most pressing problem for business managers and people in any service or sales operation, especially at the retail level. In fact, many experts believe that you build a business from the customer up. In *Customer Mania!*, Ken Blanchard, one of America's biggest bestselling authors and inspiring business leaders, writes of the key to customer service -- creating a people-oriented, performance-driven, customer-first organization. Along with coauthors Jim Ballard and Fred Finch, Blanchard explains why the customer is the right starting place from which to build a successful business. By drawing on examples from the world's largest restaurant company, Yum! -- owner of KFC, Taco Bell, Pizza Hut, Long John Silver's, and A & W Restaurants -- the authors explain how any company, large or small, can develop a unified, people-first, customer-oriented culture.

Looking Back Mania Salinger,2006-05 Mania Salinger was born in Radom, Poland and enjoyed a childhood blessed with love, friends, and good luck until horrors unleashed by Nazi invasion changed her life forever. Many of her friends and family perished during the Holocaust, but Mania survived those horrific years working in multiple Nazi camps, including Auschwitz and Bergen Belsen. Her optimistic spirit, shrewd instincts, and fierce determination to believe that life, and humanity, must prevail over evil helped her to endure.

Manic Terri Cheney,2009-10-13 An attractive, highly successful Beverly Hills entertainment lawyer, Terri Cheney had been battling debilitating bipolar disorder for the better part of her life—and concealing a pharmacy's worth of prescription drugs meant to stabilize her moods and make her normal. In explosive bursts of prose that mirror the devastating mania and extreme despair of her illness, Cheney describes her roller-coaster existence with shocking honesty, giving brilliant voice to the previously unarticulated madness she endured. Brave, electrifying, poignant, and disturbing, *Manic* does not simply explain bipolar disorder—it takes us into its grasp and does not let go.

Manic Minds Lisa M. Hermsen,2011-11-22 From its first depictions in ancient medical literature to contemporary depictions in brain imaging, mania has been largely associated with its Greek roots, to rage. Prior to the nineteenth century, mania was used interchangeably with madness. Although its meanings shifted over time, the word remained layered with the type of madness first-century writers described: rage, fury, frenzy. Even now, the mental illness we know as bipolar disorder describes conditions of extreme irritability, inflated grandiosity, and excessive impulsivity. Spanning several centuries, *Manic Minds* traces the multiple ways in which the word mania has been used by popular, medical, and academic writers. It reveals why the rhetorical history of the word is key to appreciating

descriptions and meanings of the manic episode. Lisa M. Hermesen examines the way medical professionals analyzed the manic condition during the nineteenth and twentieth centuries and offers the first in-depth analysis of contemporary manic autobiographies: bipolar figures who have written from within the illness itself.

Travel Mania Karen Gershowitz, 2021-07-13 Since leaving home for Europe alone at age seventeen, Karen Gershowitz has traveled to more than ninety countries. In pursuit of her passion for travel, she lost and gained friends and lovers and made a radical career change. She learned courage and risk taking and succeeded at things she didn't think she could do: She climbed Mt. Kilimanjaro. She visited remote areas of Indonesia on her own and became a translator, though only fluent in English. She conquered her fear of falling while on an elephant trek in Thailand. And she made friends across the globe, including a Japanese family who taught her to make sushi and a West Berliner who gave her an insider's look at the city shortly after the wall came down. An example that will inspire armchair travelers to become explorers and embolden everyone to be more courageous, *Travel Mania* is a vivid story of how one woman found her strength, power, and passion. Travel is Karen's addiction—and she doesn't want treatment.

Blazermania Wayne Thompson, 2010-11-01 Guaranteed to delight NBA historians and Blazermaniacs alike, this release chronicles forty years of Portland Trail Blazers basketball with an amazing collection of anecdotes, rare photographs, and more. Guaranteed to delight NBA historians and Blazermaniacs alike, this release chronicles forty years of Portland Trail Blazers basketball with an amazing collection of anecdotes, rare photographs, and more. *Blazermania: This is Our Story* captures the magic moments and behind-the-scenes stories that have unfolded in the four decades since Harry Glickman and his serendipitous raincoat first brought professional basketball to Portland. The book highlights great moments, reveals long lost anecdotes, and uncovers photographs from the vast archives of the Trail Blazers and *The Oregonian*. The book takes an in-depth look at an array of topics, including: - The birth of "Rip City" and the team's rise to prominence. - Dr. Jack Ramsay's arrival and the road to the 1977 NBA championship. - The career and legacy of Bill Walton, the mercurial, star-crossed center. - Clyde Drexler, Terry Porter, and the beloved two-time Western Conference champions. - A new tradition of excellence, led by Brandon Roy, Greg Oden, and LaMarcus Aldridge - The team's biggest characters, overachievers, and winners. Learn how one of the NBA's smallest cities was transformed into one of basketball's foremost meccas, hosting 814 straight sellouts, 21-straight playoff appearances, three NBA Finals, as well as the NBA Draft and the historic

1992 Dream Team.

Super Mario Manga Mania Yukio Sawada,2020-12-08 Experience the zany world of Super Mario through manga! Join Mario and pals in crazy adventures inspired by the hit video games! In this collection of short stories, Mario and Luigi go on adventures that showcase the fan-favorite characters of the Mario world in new, unconventional and hilarious ways. This compilation, handpicked from years of Mario comics in Japan, has never been available in English—until now!

Memories of Mania Kim Evans,2011-06-01 DescriptionThese memories of mania are a first hand account of Kim's experiences of mental illness. But as well as it being a time of mental illness, it was also a time of great spiritual revelation for Kim. During his mania he often felt guided by a higher power. Those encounters with a warm, benevolent and entertaining God have shaped Kim's outlook on life and spirituality is still an extremely important part of his life.Kim's journey took him away from medicine to maths, which had always been his best subject at school. The abstractions of pure mathematics at university offered Kim exactly the sort of language he needed in order to attempt to articulate the wildly energetic and emotive thoughts that he experienced during his manic episodes.One of the challenges Kim had to face during the seven years of his repeated hospitalisations was to accept his condition as an illness. He found the highs of manic depression extremely alluring. Kim experienced a profound sense of connection to the universe and to God when he was high and it was difficult for him to label these experiences as problematic.For a long time Kim's obsession with the idea that he was Jesus refused to go away. Some strange coincidences in his life fuelled this notion. Kim interpreted these signs as part of a huge and complex symbolic message from God confirming his special role in the Creation.This is the story of a bright young man whose experience of university life was dominated by his desire to find out about the workings of his own consciousness. That journey took him into the murky waters of insanity but he survived the turbulent times and has used the insights he gained on the way to inform his own spirituality.About the AuthorKim Evans had a very successful time at school. He played four musical instruments, did karate, played rugby for his school and sailed through his GCSEs and A-levels. At this stage there was nothing to indicate the chaos that would soon characterise his life.It was at the end of his first year of medicine that Kim was first hospitalised. He was extremely euphoric, giving away money and talking of himself as the Second Coming. The next seven years or so were characterised by peculiar, unsettling mood swings, during which Kim experienced the upswings of manic depression on about 15 occasions.

Moose Mania Kevin Lovegreen,2020-04 Join Luke, his family, and their friends as they journey into the wilds of Alaska in search of majestic moose and giant bear. The ninth book in the Lucky Luke's Hunting Adventures series proves to be another hit with outdoor adventure-loving kids. Dive in and see how Luke and the gang use their hunting skills, patience, and determination to take on everything the Alaskan wilderness can throw at them.

Mall Mania Stuart J. Murphy,2006-02-28 Shopping, counting, and a birthday present all add up to a surprise ending on Mall Mania Day! A lighthearted look at addition strategies

Fudge-a-Mania Judy Blume,2011-12-01 Part of the classic Fudge series from Judy Blume, bestselling author of *Tales of a Fourth Grade Nothing!* Peter Hatcher can't catch a break. His little brother, Fudge—the five-year-old human hurricane—has big plans to marry Peter's sworn enemy, Sheila Tubman. That alone would be enough to ruin Peter's summer, but now his parents have decided to rent a summer home next door to Sheila the Cootie Queen's house. Peter will be trapped with Fudge and Sheila for three whole weeks! "As a kid, Judy Blume was my favorite author, and *Tales of a Fourth Grade Nothing* was my favorite book."—Jeff Kinney, author of the bestselling *Wimpy Kid* series Love Fudge, Peter, and Sheila? Read all the books featuring your favorite characters: *Tales of a Fourth Grade Nothing* *Otherwise Known as Sheila the Great* *Superfudge* *Double Fudge*

Born to Be Public Greg Mania,2021-06-15 An NPR Best Book of 2020 - An O, The Oprah Magazine Best LGBTQ Book of 2020 - An Electric Literature Favorite Nonfiction Book of 2020 - A Largehearted Boy Favorite Nonfiction Book of 2020 - A 2020 Goodreads Choice Award Nominee for Best Humor - One of Lambda Literary's Most Anticipated LGBTQ Books of August 2020 - One of BuzzFeed's 15 Books From Smaller Presses You Won't Be Able to Put Down - A Shondaland 15 Hot Books for Summer In this unique and hilarious debut memoir, writer and comedian Greg Mania chronicles life as a pariah prodigy. From inadvertently coming out to his Polish immigrant parents, to immersing himself in the world of New York City nightlife, and finding himself and his voice in comedy. *Born to Be Public* is a vulnerable and poignant exploration of identity (and the rediscovery of it), mental health, sex and relationships, all while pursuing a passion with victories and tragicomic blunders. At once raw and relatable, Mania's one-of-a-kind voice will make you shed tears from laughter and find its way into your heart. PRAISE FOR BORN TO BE PUBLIC This is a gift of a book from a young writer who seems likely to become a comedy star. - NPR Comedic gold. - O, The Oprah Magazine There's a lot of humanity in these pages, and it's a humanity that Mania renders with both tenderness and hilarity. - BuzzFeed An impressive humorist with a voice all his own. - Kirkus Reviews Greg Mania is

one of the funniest up-and-coming writers cranking out work and he is finally releasing his laugh-out-loud memoir....Come for the laughs, stay for the heartwarming story of coming out in the most millennial way possible. - Electric Literature Unafraid to tell the messy truths about identity, sex, mental health, and ambition, Mania's memoir is relatable and fun to read at the same time that it is heartfelt and honest. It even has photos, which are pure gold. - Shondaland A smashing debut. - Lambda Literary Greg Mania is the Cheesecake Factory of writers, and I say that with the utmost reverence: extravagant, unapologetic, hilarious, and f*cking good. - Lindy West, author of Shrill and The Witches Are Coming This book is a hilarious wonder. Not only does it prove that Greg Mania was, indeed, born to be a public (and beloved) icon, but also that he was born to be a celebrated writer. It's sheer delight. - Alissa Nutting, author of Tampa and Made for Love

Anatomy of a Short Story Yuri Leving,2012-05-24 A unique anthology devoted to a single story—"Signs and Symbols" by Vladimir Nabokov—which exposes the way we read and interpret short stories.

Breaking Bipolar Troy Steven,2020-09-14 BREAKING BIPOLAR is an empowering, self-help book that provides you with the battle plan, weapons, and training to successfully battle bipolar disorder and live a long and satisfying life. In this ground-breaking book, Troy Steven combines the knowledge he has gained battling bipolar disorder for over 20 years, his engineering expertise developing plans and procedures, and the wisdom of five bipolar individuals he interviewed, to equip bipolar individuals with the knowledge and skills needed to win the war against bipolar disorder. The best solution to overcome bipolar disorder is to follow a lifelong whole-life wellness plan that is based upon the expert recommendations of the medical community. Breaking Bipolar will give you that plan.

Manic Man Jason Wegner,2021-10-14 Manic Man: How to Live Successfully with a Severe Mental Illness is an account of Jason Wegner's experiences living with a severe mental illness: bipolar I disorder. The story begins with an outline of Jason's normal life and then describes the hypomanic stage of his illness. The mania starts with his experience of taking the dangerous psychedelic drug LSD and takes off a few weeks later in Tanzania, Africa. He is in a full-blown manic episode while in

Africa, and his behaviours and thoughts captured demonstrate this. Weeks of mania continued after he was home from Africa until he was tricked into going in an ambulance and taken to the hospital's emergency wing. He would be hospitalized in the acute psychiatry ward for 57 days, and seven months of depression follows his hospitalization. To lift himself out of his severe depression, his psychologist, Dr. Kerry Bernes, develops The Octagon of Life, which is the eight areas of life that he gets Jason to focus on. Following the plan, Jason gets out of depression and experiences post-traumatic growth and becomes a more successful person than he was before his diagnosis.

This book delves into Mania&sorty. Mania&sorty is an essential topic that needs to be grasped by everyone, ranging from students and scholars to the general public. The book will furnish comprehensive and in-depth insights into Mania&sorty, encompassing both the fundamentals and more intricate discussions.

1. The book is structured into several chapters, namely:
 - Chapter 1: Introduction to Mania&sorty
 - Chapter 2: Essential Elements of Mania&sorty
 - Chapter 3: Mania&sorty in Everyday Life
 - Chapter 4: Mania&sorty in Specific Contexts
 - Chapter 5: Conclusion
2. In chapter 1, the author will provide an overview of Mania&sorty. The first chapter will explore what Mania&sorty is, why Mania&sorty is vital, and how to effectively learn about Mania&sorty.
3. In chapter 2, this book will delve into the foundational concepts of Mania&sorty. This chapter will elucidate the essential principles that need to be understood to grasp Mania&sorty in its entirety.
4. In chapter 3, this book will examine the practical applications of Mania&sorty in daily life. The third chapter will showcase real-world examples of how Mania&sorty can be effectively utilized in everyday scenarios.
5. In chapter 4, the author will scrutinize the relevance of Mania&sorty in specific contexts. The fourth chapter will explore how Mania&sorty is applied in specialized fields, such as education, business, and technology.
6. In chapter 5, this book will draw a conclusion about Mania&sorty. This chapter will summarize the key points that have been discussed throughout the book.

The book is crafted in an easy-to-understand language and is complemented by engaging illustrations. This book is highly recommended for anyone seeking to gain a comprehensive understanding of Mania&sorty.
