*The Cooperstown Symposium on Baseball and American Culture, 2013-2014* William M. Simons, 2015-01-29 Generally acknowledged as the preeminent gathering of baseball scholars, the annual Cooperstown Symposium on Baseball and American Culture has made significant contributions to baseball research and pedagogy. This collection of 17 new essays is selected from the approximately 100 presentations of the 2013 and the 2014 symposia, covering topics whose importance extends beyond the ballpark. Presented in six themed parts, the essays consider the congruence of culture and baseball, the importance of ballpark itself, the myths, legends and icons of the baseball imagination, international and ethnic game variations, the work of baseball museum curators and a context for the game's rules of play and labor.

**Latino Stars in Major League Baseball** Jonathan Weeks, 2017-06-16 This book provides richly detailed profiles of the greatest Latino baseball players in Major League Baseball history, both past and present. Full of colorful anecdotes and inspiring stories, it offers an in-depth look at the influence of Latino players on baseball in the United States.

Focus On: 100 Most Popular American League All-Stars Wikipedia contributors,

*Washington Nationals* Ben Goessling, 2015-01-01 Inside MLB profiles each of the 30 franchises in Major League Baseball. Washington Nationals is a beginner's history of the Nationals, covering the beginnings of the franchise, the greatest and lowest moments of the team, and the best players and managers. Fun facts, anecdotes, and sidebars round out the story of each club, allowing your readers to get Inside MLB! Aligned to Common Core Standards and correlated to state standards. SportsZone is an imprint of Abdo Publishing, a division of ABDO.

In Pursuit of Pennants Mark Armour, Daniel R. Levitt, 2015-04 The 1936 Yankees, the 1963

Dodgers, the 1975 Reds, the 2010 Giants—why do some baseball teams win while others don't? General managers and fans alike have pondered this most important of baseball questions. The Moneyball strategy is not the first example of how new ideas and innovative management have transformed the way teams are assembled. In Pursuit of Pennants examines and analyzes a number of compelling, winning baseball teams over the past hundred-plus years, focusing on their decision making and how they assembled their championship teams. Whether through scouting, integration, instruction, expansion, free agency, or modernizing their management structure, each winning team and each era had its own version of Moneyball, where front office decisions often made the difference. Mark L. Armour and Daniel R. Levitt show how these teams succeeded and how they relied on talent both on the field and in the front office. While there is no recipe for guaranteed success in a competitive, ever-changing environment, these teams demonstrate how creatively thinking about one's circumstances can often lead to a competitive advantage. Purchase the audio edition.

FCC Record United States. Federal Communications Commission,2013-07-08

The Immaculate Inning Joe Cox,2018-02-01 The Immaculate Inning shines a light on the miracle of baseball's endless possibility—the way that on any given day, someone (maybe a star, or maybe a scrub) could perform the rarest of single-game feats or cap off a seemingly unobtainable chase for a record. Covering a selection of the most unusual, significant, and rare feats in baseball history, both in the context of single-day (and sometimes even single-play) events and those that require a longer streak or a full season's excellence to reach or complete, the book clearly defines how each task is amassed, provides historical background, and tells riveting stories of the ballplayers that did the unthinkable.

Playing With Purpose Collection Mike Yorkey, 2012-10-01 Meet the “starting lineup” of talented big-time athletes with fascinating faith stories in the Playing with Purpose Collection. This book chronicles the lives of several players who stand strong for their Christian faith on the football field, the basketball court, and the baseball diamond. Veteran CBA author Mike Yorkey, whose biography of quarterbacks Sam Bradford, Tim Tebow, and Colt McCoy was a best-seller, also profiles major league stars such as Albert Pujols, Josh Hamilton, Clayton Kershaw, Carlos Beltran, Ben Zobrist, and Mariano Rivera and NBA heroes like Kyle Korver, Kevin Durant, Luke Ridnour, Stephen Curry, and Jeremy Lin. The Playing with Purpose Collection will introduce you to talented athletes with compelling faith stories.

**You Gotta Have Heart** Frederic J. Frommer, 2013-06-21 “First in War, First in Peace . . . and Last in the American League.” Expressions such as this characterized the legend and lore of baseball in the nation's capital, from the pioneering Washington Nationals of 1859 to the Washington Senators, whose ignominious departure in 1971 left Washingtonians bereft of the national pastime for thirty-three years. This reflective book gives the complete history of the game in the D.C. area, including the 1924 World Series championship team and the Homestead Grays, the perennial Negro League pennant winners from the late 1930s to the mid-1940s who consistently outplayed the Senators. New chapters describe the present-day Nationals, who, in 2012, won the National League East led by the arms of Gio Gonzalez and Stephen Strasburg and the bats of Ryan Zimmerman, Adam LaRoche and rookie Bryce Harper. The book is filled with the voices of current and former players, along with presidents, senators, and political commentators who call the team their own.

*100 Things Nationals Fans Should Know & Do Before They Die* Jake Russell, 2020-06-02 Revised and updated, including the 2019 World Series! 100 Things Nationals Fans Should Know & Do Before

They Die is the ultimate resource guide for true fans of the Washington Nationals. Whether you're a die-hard booster from the days of the Senators or a newer supporter of Max Scherzer and Juan Soto, these are the 100 things all fans need to know and do in their lifetime. It contains every essential piece of Nationals knowledge and trivia, as well as must-do activities, and ranks them all from 1 to 100, providing an entertaining and easy-to-follow checklist as you progress on your way to fan superstardom.

**Playing Pro Baseball** Brian Howell, 2014-08-01 Being a professional baseball player is no walk in the park—it's a physically and mentally demanding job. When you're on the field, millions of people are expecting you to record base hits as a batter or strikeouts as a pitcher. And the work continues beyond game time; you need to practice, work out, and scout your competition. Aches and pains are a given. And on top of everything else, you must perform amidst constant travel, media attention, and high expectations. Baseball has been America's pastime for more than a century. And for those who uphold the tradition in the major leagues today, there's nothing else like it. This book, which was reviewed by 12-year Major League Baseball (MLB) veteran and World Series champion Gabe Kapler, offers an authentic look at what life is like as a pro baseball player. You'll learn: • What kinds of skills it takes to play in the major leagues • What daily life is like for an MLB player • How MLB players prevent and treat injuries Go behind the scenes and see what it's really like to be an MLB star!

*Beltway Boys* Elliott Smith, 2013-03-01 An insider's look at the Washington Nationals breakout season and their unique strategy to piece together a contending team, this work shows how the team combined once-in-a-generation talent with an experienced manager and a roster of other talented young players to lead the team to the top of the National League East. Anchored by a pair of number

one draft pick the steady, serious Stephen Strasburg and the brash, bold Bryce Harper the Nationals have been elevated to first place in the National League East. Beltway Boys dives into Strasburg and Harper's preordained journey to the major leagues and the challenges they faced once they arrived, including Strasburg's recovery from Tommy John Surgery and Harper's misperceived persona. Also included are several never-before-told stories about the budding superstars, manager Davey Johnson, and general manager Mike Rizzo, making this the perfect reference for any baseball fan.

**Minnesota Timberwolves** Ben Goessling, 2013-08-01 Minnesota Timberwolves is a beginner's history of the NBA's Minnesota Timberwolves. Beginning with the franchise's early years, readers will experience the team's highest and lowest moments, meet the team's best players and managers, and gain the inside track on information that completes the team's story. Mini-biographies, fun facts, anecdotes, fantastic quotes, and sidebars combine with full-color, action-packed photographs to round out the story of the T-wolves, allowing your readers Inside the NBA! SportsZone is an imprint of ABDO Publishing Company.

The Baltimore Stallions Ron Snyder, 2020-03-25 Baltimore is home to some of the greatest football players ever to step onto the gridiron. From the Colts' Johnny Unitas to the Ravens' Ray Lewis, Charm City has been blessed with multiple championship teams and plenty of Hall of Fame players. Between the Colts and Ravens, a brief but significant chapter of Baltimore football history was written--the Stallions. Formed in 1994, they posted the most successful single season in the history of the Canadian Football League, when in 1995 they became the only U.S. team to win the Grey Cup. By 1996 the Stallions were gone, undermined by the arrival of the Ravens and the overall failure of the CFL's U.S. expansion efforts. Drawing on original interviews with players, coaches, journalists and fans, this book recalls how the Stallions both captured the imagination and broke the

hearts of Baltimore football fans in just 24 months.

*Baltimore Sports* Daniel A. Nathan, 2016-08-01 To read a sample chapter, visit [www.uapress.com](http://www.uapress.com). Baltimore is the birthplace of Francis Scott Key's "The Star-Spangled Banner," the incomparable Babe Ruth, and the gold medalist Michael Phelps. It's a one-of-a-kind town with singular stories, well-publicized challenges, and also a rich sporting history. *Baltimore Sports: Stories from Charm City* chronicles the many ways that sports are an integral part of Baltimore's history and identity and part of what makes the city unique, interesting, and, for some people, loveable. Wide ranging and eclectic, the essays included here cover not only the Orioles and the Ravens, but also lesser-known Baltimore athletes and teams. Toots Barger, known as the "Queen of the Duckpins," makes an appearance. So do the Dunbar Poets, considered by some to be the greatest high-school basketball team ever. Bringing together the work of both historians and journalists, including Michael Olesker, former Baltimore Sun columnist, and Rafael Alvarez, who was named Baltimore's Best Writer by Baltimore Magazine in 2014, *Baltimore Sports* illuminates Charm City through this fascinating exploration of its teams, fans, and athletes.

**Dick Bosman on Pitching** Ted Leavengood, Dick Bosman, 2018-03-08 Dick Bosman's career in Major League Baseball as a player and coach has spanned more than 50 years. He pitched eleven seasons in the American League, was the Major League pitching coach for multiple teams, and has served as a minor league pitching coordinator for the Tampa Bay Rays since 2001. Throughout his years in baseball, Bosman has developed a distinct pitching philosophy and astute insights into the cat-and-mouse game between hitter and pitcher. In *Dick Bosman on Pitching: Lessons from the Life of a Major League Ballplayer and Pitching Coach*, author Ted Leavengood examines Bosman's life in baseball, from his winning the ERA title in the American League in 1969 and his no-hitter in 1974 to

his current coaching position with the Tampa Bay Rays. For those wanting an inside look at the essentials of pitching, Leavengood includes insights and tips from Bosman throughout the book, compiled through hours of personal interviews. Bosman has worked for and with some of the best pitchers and coaches in major league baseball, and he not only shares stories from their time together but also the many things he learned from them about the game. Dick Bosman has found enormous success working with young ballplayers at all levels and fostered innovations—such as his signature slide step—that have impacted pitching in today’s game. With personal anecdotes from Bosman, his teammates, and those he coached, Dick Bosman on Pitching will entertain and inform young pitchers as well as baseball fans of all generations.

A Season to Forget Ronald Snyder, 2019-04-23 Between 1966 and 1983, the Baltimore Orioles were considered the best team in baseball. During that span, the team won three World Series, advanced to three others, and competed for a playoff spot just about every season. The Orioles were a model franchise thanks to its “Orioles Way” approach to building a franchise through a strong farm system. Future Hall of Famers like Brooks Robinson, Jim Palmer, Cal Ripken Jr., and Eddie Murray made their ways through the ranks and helped put consistent winners on the field. But five years after Ripken caught the final out to clinch the Orioles World Series victory over the Philadelphia Phillies, the franchise was in disarray. From not understanding how to utilize free agency to having their once famed farm system dry up of talent, the once-proud franchise was spiraling downward. Heading into the 1988 season, the Orioles expected to struggle after a 95-loss season the year before. Not even the return of famed manager Earl Weaver in 1985 and 1986 was enough to turn the team around. The Orioles attempted to revamp their roster in 1988 with 14 new players on the roster compared to the year before. The team opened that season 0-21, shattering the

record for futility to start a season by eight games. They consistently found different ways to lose each night to the point that President Ronald Regan sent a message of support to the lovable losers from Charm City. Religious leaders and mental health professionals even offered to help the team find that elusive first win. In the same vein as Jimmy Breslin's *Can't Anyone Here Play This Game?* on the 1962 New York Mets, author Ron Snyder discusses just how did a once model franchise devolved into a team with the distinction of having the worst start of any team in MLB history. *A Season to Forget* takes an in-depth look at the lead up to that season, a game-by-game breakdown of the streak, and the toll it took on those who lived through it.

**Protected by Shadows** Aliyah Burke, 2013-12-06 Valentino Cassano is a man who lives in shadows, lies and secrets. He works for a group that he can't tell anyone about. When the ugliness from that world affects the woman he's had a thing with for a few years, he refuses to let her face it alone. Lexy Camden loves her life as a veterinarian. However when everything gets turned upside down and Valentino inserts himself into routine for more than a few days things get complicated...fast. The feelings she'd been ignoring for so long won't give her a moment's peace. As the danger to her escalates, and part of Valentino's past comes out, will they have a chance to be a real couple or will it all be shattered with the simple pull of a trigger? Valentino has lost a lot and has no plans to do so again, now if he can just convince Lexy to give him another shot.

**In Aeternum: A Box Set** Aliyah Burke, 2019-09-17 Casanova in Training A woman who is all about rules and a man who lives to break them, their scorching passion threatens all they hold dear. Can they find a way to have it all? Lieutenant Commander Giovanni 'Casanova' Cassano is a top test pilot for the military, and is the epitome of an ace. Cocky, arrogant, handsome, and true to his call sign. His best friend's death brings a new pilot to his squadron—a woman. That's not even the real

reason it's hard—she's the one who left an indelible imprint on his soul after a twenty-four hour rendezvous. Now she seems to have ice in her veins, not the fiery passion he knows rages beneath the surface. Jaydee 'Dusti' Amos is following orders, and this time they have landed her at a test facility. She's there to ascertain what caused the deadly B-2 crash. The situation becomes harder once she discovers who is stationed there—the one man she never believed she'd see again after their impulsive and passionate encounter. He pulls her focus from the job at hand and tends to make her break the stringent rules she lives her life by. They work together to unveil the truth and the feelings between them deepen. But there is a traitor in their midst. Will the fallout tear them apart, or will Gio find some way to convince Jaydee to give him a chance at forever? Harbour of Refuge What happens in Monte Carlo stays...with you forever...well, if you're one of the lucky ones. Enzo Cassano is the driver of a powerboat team, used to the fast life and all it includes—women, parties and popularity. Until the race in Monte Carlo when he meets a woman who is unlike any he's met before. Her small town values and almost innocent ways charm him beyond everything. He discovers, however, that beneath her exterior she's very firm in her beliefs and won't budge. Halyn Jennings maybe from a small town but she knows a player when she sees one and Enzo is definitely that. She doesn't mind—she still likes him and enjoys spending time with him, well aware that what is happening between them is most likely temporary. She's not the supermodel type he's accustomed to being with. Enzo's life is turned upside down by an unexpected visitor from his past, he has to learn to accept racing isn't everything and not everyone wants to be the centre of attention. Halyn's own past comes to light in a most harsh revelation and he discovers things aren't always so easy. Will he be able to find a way to break back through her barriers and prove to her she's the one he wants, for forever? Protected by Shadows She's everything he wants and all he knows he shouldn't

have...when danger strikes will he give it all up or is he doomed to live the rest of his life without her? Valentino Cassano is a man who lives in shadows, lies and secrets. He works for a group that he can't tell anyone about. When the ugliness from that world affects the woman he's had a thing with for a few years, he refuses to let her face it alone. Lexy Camden loves her life as a veterinarian. However when everything gets turned upside down and Valentino inserts himself into routine for more than a few days things get complicated...fast. The feelings she'd been ignoring for so long won't give her a moment's peace. As the danger to her escalates, and part of Valentino's past comes out, will they have a chance to be a real couple or will it all be shattered with the simple pull of a trigger? Valentino has lost a lot and has no plans to do so again, now if he can just convince Lexy to give him another shot. Polar Opposites Despite differences and difficulties, love is always capable of finding a way to take root and bloom. Ivan Vinokourov w
