Story Intelligence Richard Stone, Scott Livengood, 2021-03-18 Story Intelligence-SQ helps you become a master of your story, a pursuit indispensable to personal and professional success. By developing your SQ, you'll amplify and unleash every aspect of your intelligence, including your IQ and EQ. In this book, you'll also learn how you're wired for story and the ways it can set a positive trajectory for every facet of your life journey. Developing this level of mastery is imperative today because four in ten Americans have not discovered a satisfying life purpose. Nearly a quarter of us—about one hundred million people—do not have a strong sense of what makes our lives meaningful. We need more than ever ritual fires where we can gather to create new stories that transcend the old metanarratives that no longer enrich and satisfy the yearnings of our hearts and souls. Story is a potent medicine that can re-enchant our lives. By re-storying ourselves, consciously building it into everyday living, we can make space to hear ourselves better, listen more deeply to each other, and discern the tales the earth is quietly whispering in our ears. Hopefully, Story Intelligence will help you stoke a new kind of fire, assisting you in illuminating what the Japanese call *ikigai*—translated loosely as that which most makes one's life seem worth living. Through mastering story, we believe you can build a more durable source of meaning and personal fulfillment, as well as have a broader impact for good in your community and the world. In this book, you'll also learn how to: harness the power of story to live with greater efficacy; become a more influential communicator; solve complex challenges using story-based solutions; transform your workplace and community; heal old wounds, change dysfunctional beliefs, and bridge differences by resolving deeply seated conflicts; and, acquire the narrative tools to craft a more desirable future.

The American Story David M. Rubenstein, 2019-10-29 Co-founder of The Carlyle Group and patriotic philanthropist David M. Rubenstein takes readers on a sweeping journey across the grand arc of the American story through revealing conversations with our greatest historians. In these lively dialogues, the biggest names in American history explore the subjects they've come to so intimately know and understand. — David McCullough on John Adams — Jon Meacham on Thomas Jefferson — Ron Chernow on Alexander Hamilton — Walter Isaacson on Benjamin Franklin — Doris Kearns Goodwin on Abraham Lincoln — A. Scott Berg on Charles Lindbergh — Taylor Branch on Martin Luther King — Robert Caro on Lyndon B. Johnson — Bob Woodward on Richard Nixon — And many others, including a special conversation with Chief Justice John Roberts Through his popular program The David Rubenstein Show, David Rubenstein has established himself as one of our most thoughtful

interviewers. Now, in *The American Story*, David captures the brilliance of our most esteemed historians, as well as the souls of their subjects. The book features introductions by Rubenstein as well as a foreword by Librarian of Congress Carla Hayden, the first woman and the first African American to lead our national library. Richly illustrated with archival images from the Library of Congress, the book is destined to become a classic for serious readers of American history. Through these captivating exchanges, these bestselling and Pulitzer Prize-winning authors offer fresh insight on pivotal moments from the Founding Era to the late 20th century.

My Story 2 Craig Froman, Andrew Froman, 2018-08-13 This book of adventure is going to help you learn about something called social studies. Social studies is about people and places around the world. We will talk about what people eat, where our food comes from, how governments are set up, the symbols on flags from different countries and what they mean, how God teaches us to love the people of the world like He does, and much more. The language of this book is English, but we'll share some Italian and Chinese words with you too! *My Story, My Country, My World* is a course for lower elementary students. It includes basic introductions to history, politics, economics, sociology, and geography, with the ultimate aim of teaching a comprehensive understanding of God's world and the cultures of each country. This is a daily adventure-based curriculum series that encourages families to explore the world together through four nine-week quests and to understand it better from God's perspective. It is designed with elements that make weekly learning fun and interactive, including: Thankful Time! Government Time! God's Creation Time! My Story Journal It's time to explore God's world and to learn more about others... and more about you too! Get your Quest Collector Cards ready. Each card includes your world map showing the path of each of your four journeys.

They will study the major events of the Middle Ages and delve into how society and

culture developed and changed. Students will also study medieval civilizations spanning the whole globe, including the Byzantines, Anglo-Saxons, Muslims, Chinese, Japanese, Mongols, Mughals, Vikings, Normans, Russians, Songhai, and Aztecs!

Rolex GMT-Master Giorgia Mondani, Guido Mondani, Lele Ravagnani, 2015-01-01 PRESENTATION: HOW TO KNOW EVERYTHING ABOUT THE ROLEX GMT-MASTER The GMT-Master was created to meet the needs of Pan American Airways to supply its pilots with a wristwatch able to indicate the time back home and the time in their arrival destination simultaneously. It was necessary to give the pilots a “technical” wristwatch, which indicated simultaneously the two different times. It is from this point that the request arose from Pan Am to Rolex, to create a new watch for modern age aviators: a watch with two time zones. The name GMT-Master was chosen... Are you a watch collector and you need information about the Rolex GMT-Master? Are you a watch dealer and you want to know exactly what you are buying and selling? Do you want to know the real value of your GMT-Master? For all this and much much more, this book is perfect for you. You will also know the current value of every GMT-Master. TOPICS With high quality images, technical details and updated prices, this book shows and describes every GMT-Master and GMT-Master II reference. For each watch this guide explains every characteristic: crystal, bakelite bezel, anodized aluminium bezel, Cerachrom bezel, bracelet, case back, winding crown, case number with production year, dial, movement, hands, etc. Furthermore, the book shows: “Albino”, bachelite, “Batman”, bracelets, calibers, “circular” indexes, “circular edged” indexes, “Cornino” crown guards, “standard” crown guards, GMT hand with small arrow, Green Dial, Oysterlock, sunken holes, vintage advertisements, Underline, box, papers, the “Ice” model, “Chuck Yeager”, “Tiffany & Co.”, “Mission Everest”, dials with Arab coats of arms, ... Attached are the updated estimates of every modern and vintage Rolex GMT-Master.

My Story K Craig Froman, 2021-08 *My Story K: My Family, My Life* is a kindergarten social studies course. Social studies for this age typically includes introductions to family and culture, what it is to be a good citizen, basic geography and understanding simple maps, and basic economics and the value of things, ultimately aiming toward a better understanding of God's love for us, our families, and other people in the world. The course begins at the core with a foundation of family, neighborhood, and church. *My Story K* is an adventure-based curriculum that encourages families to explore the world together through four quests, and to understand it better from God's perspective.

The Anatomy of Story John Truby, 2008-10-14 John Truby is one of the most respected and sought-after story consultants in the film industry, and his students have gone on to pen some of Hollywood's most successful films, including *Sleepless in Seattle*, *Scream*, and *Shrek*. *The Anatomy of Story* is his long-awaited first book, and it shares all of his secrets for writing a compelling script. Based on the lessons in his award-winning class, *Great Screenwriting*, *The Anatomy of Story* draws on a broad range of philosophy and mythology, offering fresh techniques and insightful anecdotes alongside Truby's own unique approach for how to build an effective, multifaceted narrative. Truby's method for constructing a story is at once insightful and practical, focusing on the hero's moral and emotional growth. As a result, writers will dig deep within and explore their own values and worldviews in order to create an effective story. Writers will come away with an extremely precise set of tools to work with—specific, useful techniques to make the audience care about their characters, and that make their characters grow in meaningful ways. They will construct a surprising plot that is unique to their particular concept, and they will learn how to express a moral vision that can genuinely move an audience. The foundations of story that Truby lays out are so fundamental they are applicable—and essential—to all writers, from novelists and short-story writers to journalists, memoirists, and writers of narrative non-fiction.
