Matilda Roald Dahl,2020-10-13 Now a musical on Broadway and streaming on Netflix! Matilda is a sweet, exceptional young girl, but her parents think she's just a nuisance. She expects school to be different but there she has to face Miss Trunchbull, a menacing, kid-hating headmistress. When Matilda is attacked by the Trunchbull she suddenly discovers she has a remarkable power with which to fight back. It'll take a superhuman genius to give Miss Trunchbull what she deserves and Matilda may be just the one to do it! Here is Roald Dahl's original novel of a little girl with extraordinary powers. This much-loved story has recently been made into a wonderful new musical, adapted by Dennis Kelly with music and lyrics by Tim Minchin.

*Princess Matilda* Eva Montanari,2013-04-26 Clever, whimsical illustrations accompany this charming tale of a little girl named Matilda with a big imagination. She's a beautiful princess, an angry witch, a free butterfly, a jungle dweller, and a clown all in one! Beginning readers will love this story and identify with Matilda's make-believe worlds, and adults will enjoy reading alone. Ideal for children ages 3-8.

The Full Matilda David Haynes,2007-12-18 Matilda Housewright hails from a long line of venerable and well-respected African American retainers—her family has been in “service” for generations, serving Washington, D.C., politicians and other upper-crust families. The daughter of the indispensable majordomo Jacob Housewright, Matilda grew up in the house of a powerful D.C. senator and learned how to be a hostess extraordinaire—and has perfected the art of service. But after her father dies and she starts a catering business with her brother, Matilda begins to question who she is and what, exactly, she’s serving. Told in the voices of the men in her life, with connecting interludes from Matilda, the reader indeed gets *The Full Matilda*, a glorious glimpse inside the intriguing life of a captivating woman in the midst of change as she maneuvers through a web of secrets, expectations, and worn-out social mores.

*What If It's Us* Becky Albertalli,Adam Silvera,2018-10-09 A New York Times, USA Today, and Indie bestseller! Critically acclaimed and bestselling authors Becky Albertalli and Adam Silvera combine their talents in this smart, funny, heartfelt collaboration about two very different boys who can’t decide if the universe is pushing them together—or pulling them apart. ARTHUR is only in New York for the summer, but if Broadway has taught him anything, it’s that the universe can deliver a showstopping romance when you least expect it. BEN thinks the universe needs to mind its business. If the universe had his back, he wouldn’t be on his way to the post office carrying a box of his ex-boyfriend’s things. But when Arthur and Ben meet-cute at the post office, what exactly does the universe have in store for them . . . ? Maybe nothing. After all, they get separated. Maybe everything. After all, they get reunited. But what if they can’t nail a first date even after three do-overs? What if Arthur tries too hard to make it work and Ben doesn’t try hard enough? What if life really isn’t like a Broadway play? But what if it is? What if it’s us? Plus don't miss *Here's to Us!* Becky Albertalli and Adam Silvera reunite to continue the story of Arthur and Ben, the boys readers first fell for in *What If It's Us*.

**Matilda** Catherine Hanley,2019-04-23 A life of Matilda--empress, skilled military leader, and one of the greatest figures of the English Middle Ages Matilda was a daughter, wife, and mother. But she was also empress, heir to the English crown--the first woman ever to hold the position--and an able military general. This new biography explores Matilda's achievements as military and political leader, and sets her life and career in full context. Catherine Hanley provides fresh insight into Matilda's campaign to claim the title of queen, her approach to allied kingdoms and rival rulers, and her role in the succession crisis. Hanley highlights how Matilda fought for the throne, and argues that although she never sat on it herself her reward was to see her son become king. Extraordinarily, her line has continued through every single monarch of England or Britain from that time to the present day.

Matilda's Movie Adventures Lucy Dahl,1996 Excerpts from Roald Dahl's book and the movie, *Matilda*, and a behind the scenes discovery of what it's like to be a kid in a movie.

**Matilda** Roald Dahl,2008-09-12 Five-year old Matilda longs for her parents to be good and loving and understanding, but they are none of these things. They are perfectly horrid to her. Matilda invents a game of punishing them each time they treat her badly and she soon discovers she has supernatural powers. A Welsh translation of the award-winning Dahl title, *Matilda*. -- Welsh Books Council

*Hey Harry, Hey Matilda* Rachel Hulin,2018-02-06 Matilda Goodman is an underemployed wedding photographer grappling with her failure to live as an artist and the very bad lie she has told her boyfriend (that she has a dead twin). Harry, her (totally alive) brother, is an untenured professor of literature, anxiously contemplating his dead-end career and sleeping with a student. When Matilda invited her boyfriend home for Thanksgiving to meet the family, she falls down a slippery slope of shame, scandal, and drunken hot tub revelations forcing both siblings to examine who they really are and who they want to be. Told entirely in hilarious email exchanges, this is a wonderfully subversive, sensitive novel of romantic entanglement and misguided ambition

Matilda Dahl Roald,2016-09-29 Matilda är en ovanligt smart liten flicka. Hon har läst Dickens, Hemingway, Kipling och Steinbeck, och hon kan lösa de mest invecklade mattetal. Trots att hon är en riktig nörd är hon omtyckt av sina klasskompisar och hennes lärare fröken Honung är världens underbaraste. Men allt är långt ifrån perfekt. Hemma hunsas och hånas Matilda av sina elaka föräldrar och i skolan härjar världshistoriens vidrigaste rektor. Så när hon upptäcker att hon har en hemlig kraft bestämmer hon sig för att skipa rättvisa.

**Matilda** Roald Dahl,Quentin Blake,1992 Chinese edition of Matilda, the Roald Dahl classic. With unusual power, Matilda was able to rid of her school with the vicious headmistress and help her teacher Ms. Honey. Matilda is an unusual book. The last book by Dahl, it is almost like his last words to his readers.

**Where Am I Now?** Mara Wilson,2016-09-13 Thoughtfully traces [Mara Wilson's] journey from child actress to Hollywood dropout...Who is she now? She's a writer. –NPR's Guide To 2016's Great Reads “Growing up, I wanted to be Mara Wilson. Where Am I Now? is a delight.” –Ilana Glazer, cocreator and star of Broad City Named a best book of the month by GoodReads and Entertainment Weekly A former child actor best known for her starring roles in Matilda and Mrs. Doubtfire, Mara Wilson has always felt a little young and out of place: as the only kid on a film set full of adults, the first daughter in a house full of boys, a Valley girl in New York and a neurotic in California, and a grown-up the world still remembers as a little girl. Tackling everything from what she learned about sex on the set of Melrose Place, to discovering in adolescence that she was no longer “cute” enough for Hollywood, these essays chart her journey from accidental fame to relative (but happy) obscurity. They also illuminate universal struggles, like navigating love and loss, and figuring out who you are and where you belong. Candid, insightful, moving, and hilarious, Where Am I Now? introduces Mara Wilson as a brilliant new chronicler of the experience that is growing up female.

**Matilda Bone** Karen Cushman,2002 Orphaned Matilda is not at all pleased when she arrives at Blood and Bone Alley to become an assistant to Red Peg the Bonesetter. She is a religious, well-educated girl who can't picture herself doing dirty chores or helping sickly patients. Each day is very different from her former quiet life. Matilda's not used to being around so many people who are coming and going, laughing and eating. Not one of them seems interested in prayer or study. Self-centered Matilda thinks no one understands her. But Peg does, and gives her time to get used to this new way of life and teaches her through kindness and friendship. Matilda is as surprised as anyone when she begins seeing the world around her in a different way.

Matilda's World and the Real One Sener Saltürk,2012-11-06 Essay from the year 2005 in the subject English Language and Literature Studies - Literature, grade: 1,0, University of Dortmund (Anglistisches Institut), language: English, abstract: [...] Though children's books not infrequently take on the subject of children suffering under their own weaknesses, the major difference between the world in these books and the real world is that in the latter they cannot define the rules, nor can they rule. In a fictional world, however, they can become heroes and masters of their own fate, or even, anything and anyone. Here children can become free in an existential sense of the word. In order to reach this freedom the child must cope with a number of different and quite difficult and dangerous tasks. But what sort of world is it actually? An aforementioned ersatz world, a parallel world or just a copy of the real world they are desperately striving to escape from? In any case, this fictitious worlds do not only include the “things in it” but quite frequently (comp. above mentioned Harry Potter, Huck Finn etc.), focus strongly on their protagonists, a fictional child that is in many ways like any other child save in one thing: he or she is capable of ‘doing things’ the others cannot, thus being enabled to change the status quo of things (or of the world). This status quo, i.e. conflicts children generally encounter, is depicted in ironic, quite often exaggerated ways that the child heroes have to face and overcome. Of course, in order to accomplish this, it takes an extraordinary child and it is no coincidence that many a ‘successful’ children's book either carries its protagonist(s)'s name in the title or is actually named after them. As is Roald Dahl's Matilda. As for the world Matilda lives in, it contains many elements of different genres (such as fairy tales etc.) that I will pay my closer attention to, hoping to yield some information on what these worlds include and what makes them so attractive to children and approach to the fantasies and the fantasy world of children.
