Matilda, Vol. 2 of 2 Constantine Henry Phipps Normanby,2018-01-13 Excerpt from Matilda, Vol. 2 of 2: A Tale of the Day I have said, that, in Matilda's education, the influence of fixed principles upon conduct had never been inculcated. She was the creature of impulse, and of feeling, guided only by an innate sense of right, and pro tooted by the most sensitive feminine delicacy. She now felt dissatisfied with herself, though utterly unconscious of any thing incorrect, even in thought. Matilda, Vol. 1 of 2 Constantine Henry Phipps Normanby,2018-03-20 Excerpt from Matilda, Vol. 1 of 2: A Tale of the Day I do so hate to be early. The' half-hour introduction to a dinner, like the preface to a book, should always be skipped. One might know one was too early, the fellow drives so fast, said Mr. Penryn, as they swung round the last corner, at the risk of annihilating a pensive nursery-maid, and all her pretty ones, at one fell swoop. Thomas Mann's The Magic Mountain Rodney Symington,2011-09-22 Thomas Mann's novel *The Magic Mountain* presents a panorama of European society in the first two decades of the 20th century and depicts the philosophical and metaphysical dilemmas facing people in the modern age. In the years leading up to the First World War, the fundamental elements of human nature were thrown into sharp relief by the political tensions that resulted in the ultimate metaphor for the innate destructiveness of humankind: the War itself. If such a war is the true expression of human tendencies, what hope is there for the future? Through the figure of the main character of the novel, Thomas Mann explores the alternative philosophies of life available to human beings in the modern age, and invites the reader to undertake a personal odyssey of discovery, with a view to adopting a positive approach in an era that seems to offer no clear-cut answers. This book is a comprehensive commentary on Thomas Mann's seminal novel, one of the key literary artefacts of the 20th century. The author has taken upon himself the task of explaining all the references and allusions contained in the novel, and of providing readers who know little or no German with enough explanatory comment to enable them to understand the novel and extract the maximum reading pleasure from it.
