Mediating Post-Socialist Femininities Nadia

Kaneva, 2017-10-02 Twenty-five years after the fall of the Berlin Wall, this collection of essays examines the ways in which popular media re-construct ideas and ideals of femininity in the post-socialist cultural space. The authors explore a comprehensive range of questions including: How have post-socialist women engaged with media as media producers and consumers, as well as objects of media representation? What are the consequences of the commodification of femininity in the post-socialist context? How does the female body serve as a battleground for the enactment and renegotiation of gendered identities and ideologies? How can we understand and theorize post-socialist women's activist movements? In seeking answers to such questions, this volume highlights the need to reconsider feminism as a political and theoretical project with many faces. It bridges research on the mediation of post-socialist femininities with broader concerns about the transnational trajectories of feminism today. This book was originally published as a special issue of *Feminist Media Studies*.

Lloyd's Register of British and Foreign Shipping, 1901

Billboard, 1996-01-27 In its 114th year, Billboard remains the world's premier weekly music publication and a diverse digital, events, brand, content and data licensing platform. Billboard publishes the most trusted charts and offers unrivaled reporting about the latest music, video, gaming, media, digital and mobile entertainment issues and trends.

This Earth, That Sky Manuel Bandeira, 2018-08-14 This is a generous, long-overdue presentation of the major Brazilian poet Manuel Bandeira (1886–1968) to the English-speaking reader. Well over a hundred poems appear here in both Portuguese and English, together with a critical overview that introduces the poet and Brazilian poetry to the nonspecialist and contributes significantly to the existing body of Bandeira scholarship.

Bandeira's poetry not only stands among the most important in twentieth-century Brazil but also embodies the experience of transition from one literary movement to another. The poems span a half century of writing, from the publication of Bandeira's first book in 1917 to the definitive edition of his collected work in 1966. Because critics agree that the poet's most influential creative efforts began in 1930 with the publication of *Libertinagem* (Libertinism), the collection concentrates on the later period. A smaller number of poems drawn from the three books published before this date provide a useful basis for comparison. Candace Slater's fine versions of the poems are augmented by a translator's note that considers Bandeira's poetic language in terms of the particular challenges it offers the translator into English. Her introduction offers a fresh and comprehensive look at the poet whose artistic transformation from nineteenth-century modes of expression to experimental twentieth-century Modernism paralleled the transformation of his country. It focuses on the poet's continuing alternation between an acceptance of, if not allegiance to, the material world and a desire for something more. This fundamental though often subtle opposition is reflected in the title, *This Earth, That Sky*. This title is part of UC Press's *Voices Revived* program, which commemorates University of California Press's mission to seek out and cultivate the brightest minds and give them voice, reach, and impact. Drawing on a backlist dating to 1893, *Voices Revived* makes high-quality, peer-reviewed scholarship accessible once again using print-on-demand technology. This title was originally published in 1989.

Sociology in Latin America Man Singh Das, 1994 The book, *Sociology in Latin America*, deals with three areas-rural sociology demography-and the study of Latin American Societies. The purpose of this book is to introduce the reader to the study of population, rural and urban societies and gerontology in various less developed and developing countries of Latin

America This book is a valuable source indicating the influence of history, cultural conflict and the dynamics of modernization and industrialization on various social institutions.

Entrepreneurship, Women's Roles, and the Domestic Cycle Maria Guadalupe Serna-Perez, 1994

"Der" Volksbote, 1873

Maria's Verses Rev. Maria De La Gandara,
La Voz, 1981

En Directo! Patricia Boylan, 1988

Maria Rafael Arcaya Cruzado, 2014-08-21 María cuenta la historia de dos amigos de toda la vida que aunque se aman entrañablemente, confrontan problemas cuando se trata de religión y de sus creencias personales. Diana ha sido siempre una fiel creyente cuya mayor ilusión es ver a la Virgen María durante esta vida, solo para que su mejor amigo se burle de ella y minimice todo lo que ella cree. Pero en uno de esos extraños giros que toma la vida, es su amigo Manuel quien recibe una inesperada visita.

Encyclopedia of Sacred Places [2 volumes] Norbert C. Brockman, 2011-09-13 Now thoroughly revised and updated, this encyclopedia documents the diversity of shrines, temples, holy places, and pilgrimage sites sacred to the world's major religious traditions, and illustrates their elemental place in human culture. As interest increases in the role of world religions in history and international affairs, the new edition of *Encyclopedia of Sacred Places*—which arrives 15 years after the publication of the original edition—provides new and updated information on site-specific religious practice and spiritually significant locations around the globe. While many of the entries describe specific places, like the Erawan Shrine and the Rock of Cashel, others examine types of sacred sites, pilgrimages, and practices. With articles that describe both the places and their associated

traditions and history, this reference book reveals the enormous diversity and cultural significance of religious practice worldwide. For students and teachers of classes ranging from high school geography to university-level courses in religious studies, geography, anthropology, and sociology, this book provides essential reference on places of great significance to the world's various faith traditions.

Identities in North America ,1995-02 This wide-ranging inquiry into the socio-cultural forces that define the three nations of North America seeks out ways in which the countries can become more comfortable with their collective future on the continent.

La Chartreuse de Dijon d'après les documents des archives de Bourgogne Cyprien Monget,1898

Billboard ,1995-11-18 In its 114th year, Billboard remains the world's premier weekly music publication and a diverse digital, events, brand, content and data licensing platform. Billboard publishes the most trusted charts and offers unrivaled reporting about the latest music, video, gaming, media, digital and mobile entertainment issues and trends.
