The Real Gladiator Tony Sullivan, 2022-06-16 "Are you not entertained?" shouts Russell Crowe, playing the part of General Maximus Decimus Meridius in the Oscar winning 2000 film *Gladiator*. The crowd, having witnessed Maximus defeating several gladiators, cheer in response. Film goers too were indeed entertained with the film grossing nearly half a billion dollars. This book covers the historical events that film was based on. From the Germanic wars on the northern frontier to the gladiatorial arena in Rome. From the philosopher emperor, Marcus Aurelius to the palace intrigues during the reign of his son. We will discover how Commodus really died and which of the characters actually fought in the arena. Readers will meet two generals, Pompeianus and Maximianus, who most resemble our hero General Maximus. Also Lucilla, the sister of Commodus, who in reality married her General, but detested him. The book also focuses on warfare, weapons and contemporary battles. It will compare the battle and fight scenes in the film with reality from contemporary sources and modern tests and reenactments. The reader will discover that fact is not only stranger than fiction, it is often more entertaining. The real history was certainly as much, if not more, treacherous, bloodthirsty, murderous and dramatic than anything the film industry has created. Anyone who answered "yes!" to the question posed by Russell Crowe's character in the film, will indeed be entertained by this book.

Captain Maximus Barry Hannah, 1985 These stories portray people consumed by yearning, but devoid of hope.

Farticus Maximus, 2012 Hold your nose - *Farticus Maximus* is back in a rip-roaring sequel! Have you ever let one rip and blamed ... your brother or sister? Your best friend? The dog? Your dad or mom, or even your teacher? Have you ever laughed, snorted, blushed or just smiled at the sound of someone popping-off? Have you ever broken wind in the bath, in your classroom, on the school bus or in bed? If you have answered yes to any of the above questions, then *Farticus Maximus* is definitely for you. *Farticus Maximus*, Greatest Gladiator of All Time, is back in the arena with his arch enemy Gassius Brutus, whom he must butterfly-kiss or face losing his beloved Rhina forever! Will the power of *Farticus*'s almighty wind be strong enough to prevail? Also features grannies who don't toot (or do they?), the return of the Stick Dudes in Phwoohhh!, new Fartoons and more!

Maximus Richard L. Black, 2015 Includes notes which refer to Biblical passages at end of book.

Farticus Maximus Felice Arena, 2008 *Farticus Maximus*, fiercest gladiator of all time, has a gut-busting secret weapon-the potent strength of his flatulence. A wildly funny kid-friendly Roman tale with ten other equally stinky stories! Wicked wit, hilarious characters and plenty of gross humour is combined with cleverness and insight.

Diary Of Dorkius Maximus Tim Collins, 2013-02-07 *Dorkius Maximus* is a young boy growing up in ancient Rome. This hilarious diary recounts his exploits as, desperate to become a great Roman hero, Dorkius enlists the help of his father's friend, Stoutus, to teach him the noble art of fighting. But heroism doesn't come naturally to Dorkius. Plus, his dad doesn't listen to him, his friends pick on him, and his mum is more interested in her sacred chickens. Dorkius knows there's a mighty warrior inside him, just waiting to get out ... isn't there? Humorously illustrated by Andrew Pinder, this book will delight any child who would like to get a taste of life as an ancient geek.

Maximus Steve Heron, 2018-06 Sometimes you need a special friend to give you wings... Eleven-year-old Mitch is a regular kid who argues about cleaning his room, thinks his younger sister is a pain, and enjoys hanging out with his friends. But he's finding life tough going. For one thing, he's being picked on by Jason, both in class and on the football field, and he feels like the spirited Maddy is his only true friend. Even worse, his Fly-in, Fly-Out dad has become increasingly distant and angry, and Mitch misses their father-son time. In Mitch's eyes, 'stuff sucks'! An encounter with a bedraggled magpie he names Maximus

gives Mitch something to look forward to when he's at home. As their connection grows, so too do other relationships in Mitch's life, as his self-confidence grows, he starts to stand up for himself, and the reason for his dad's moodiness is revealed. Maximus is an engaging, warm-hearted story for eight to eleven-year-olds about family, friendships, self-confidence and reconciliation, with the gentle message that life is like riding a wave.

The Circus Maximus Charles River Charles River Editors,2017-08-06 *Includes pictures

*Includes ancient accounts of the Circus Maximus *Includes online resources and a bibliography for further reading Rome was a poem pressed into service as a city. In that short line, Anatole Broyard, a 20th century American writer, compactly captures the timeless and enchanting beauty that resides within the Eternal City of Rome. This tourist destination is often one of the highest ranked on bucket lists, for how could one not want to experience its marvelous ruins, mirror-like rivers, and spectacular stretches of aqueducts firsthand? As one sips on fine Italian wine on a terrace overlooking the grand remnants of the Colosseum, one can practically hear the roars of the battling gladiators and the raucous applause of the spectators. And as one strolls through the coarse, yet quaint cobblestone streets, one can almost hear the galloping horses and screeching wheels of chariots in the distance, and even feel the brush of the breeze as they charge past. It is difficult not to fall in love with a city so effortlessly nostalgic it verges on utopian. The ambitious and fearless emperors that built the legendary Roman Empire from scratch, the broad-shouldered and bronzed gladiators with their iconic plume helmets and glinting swords, and elaborate parties attended by toga-wearing Romans fueled by alcohol, violence, orgies, and other godless acts all paint a picture of Roman life. Indeed, many people are well-versed with these unique scenes of Roman history, and Ben-Hur helped popularize people's views of what went on at Rome's largest stadium. While the characters of Judah Ben-Hur and Messala were fictitious figures drawn from the imagination of novelist Lew Wallace, the setting of the rivals' classic confrontation, the fabled Circus Maximus, is very much real. At the Circus Maximus, the guttural cheers of the spectators reverberated across the enormous open space, but their cries could hardly be heard over the rumble of the ground. On the ellipse-shaped track, 5 charioteers would skew their bodies and steer their magnificent vehicles around the curves. Gusts of sand and dirt flew up from the whizzing wheels and encircled the pounding hooves of the stunning stallions. Distracted personnel and guards dragging their feet were considered fair game. As one chariot careened to the side, preparing to collide with another chariot, a row of guards might have to try to duck out of the way in the nick of time. Some would be trampled by hooves. Chariot races were dangerous for participants too. A charioteer could become disoriented and fail to position himself as his horses moved instinctively, sending his body catapulting forward out of the chariot. Needless to say, chariot racing in Rome was a nail-biting spectacle. The Circus Maximus: The History and Legacy of the Largest Stadium in Ancient Rome explores the development, as well as the origins and legends surrounding the stadium. It also dissects the historic sport and the Circus stars, as well as the most momentous events ever to have transpired in this fantastic place. Along with pictures depicting important people, places, and events, you will learn about the Circus Maximus like never before.
