Steel Serena Akeroyd,2020-08-03 Steel's a prick. He stole my heart when I was a kid, and ever since, he's refused to let go. He's clung to me, even as he pushed me away, and I'm tired of it. I'm over it, and over him. Of the games we play together, the endless waltz of him hurting me to shove distance between us. So I'm out of there. My future is medicine. If I turn into a crazy cat lady, then so be it. I'm good with that. At least Mrs. Biggins can't hurt my heart when she poops in my shoes... Of course, Mrs. Biggins doesn't kiss like Steel either. One kiss. That's all we've had together, and it haunts me. My nights, my days, my waking moments, my sleeping ones. A single kiss. Where everything, the stars included, aligned and just felt right. But Steel isn't mine to have... by his choice. And I've dealt with that. For years. So when he suddenly changes his mind? What am I supposed to do? Just fall at his feet? I don't think so. Find out if Steel and Stone can ever be together in STEEL, book four of A Dark & Dirty Sinners' MC series.

A Dog's Porpoise M. C. Ross,2020-10-06 A rambunctious mutt and a curious porpoise become best pals in this adorably charming story about friendship and family. When a bad storm throws Bangor, a harbor porpoise, off course, he finds himself all alone in the harbor of Ogunquit, Maine. And he's not the only one who's lost in these wayward waters: Lars, a rowdy pup, is knocked overboard a nearby boat. With the help of a girl named Natalie, Bangor rescues Lars, and they become fast friends. But not everyone in the small town approves of this unlikely friendship. Some find Lars a nuisance to the community, and it isn't safe for Bangor to remain in the harbor. It's up to Natalie to convince the town to locate Bangor's pod and return him safely home -- even if it means saying goodbye to her new friend. Full of humor and heart, A Dog's Porpoise asks readers to consider what it means to be a good friend, especially during tough times.

Mason, I fucked up years ago and trusted a friend over the woman I loved and have regretted it to this day. He was her high school boyfriend. She was his one that got away. His best friend sexually assaulted her. He didn't know that. So, when he said the words that ultimately destroy any future that they might have had, they both thought that was the end. After ten years of avoidance and the death of her mother brings her back to the small town of Delway, North Carolina. A flat tire and a dead cellphone leads her to the door of the Storm Reapers MC Clubhouse. Behind this door, she'll come face-to-face with her past and the man that once had her heart. She's not the same girl he knew before she left. She'll prove that by carving her path to vengeance. Can they pick up where they ended so many years ago and have the future they were once hoping to have? Or will outside forces from their past tear them apart before they have the chance to find out? **Surviving Storm** Rebecca Vazquez,Jackie Ziegler,2021-09-22 Lottie I spent months going from one biker club to another, desperately searching for a long-lost brother my mum abandoned. Turning up at the Kings Reapers MC was purely coincidence, but it worked out for the best cos meeting Lake put an end to my search. So why doesn't finding him, stop my pain? I'm a hot mess, that's how a social worker once described me, and poor Lake did nothing to deserve having me as a sister. Then, one day, I cave because the world becomes too much and who turns up to save me but Storm, newest member of the Kings Reapers. Running away from his own demons, the mysterious biker is too much. Too intense. Too hot. Too bossy. Too dangerous. So, of course, I'm attracted to him. Storm London was a fresh start, that's how I sold it to my sister, Taya. Riggs needed more men, and I jumped at the chance to escape cos that's what I do, run. I swore I wouldn't get involved with any woman, especially not Lake's long-lost sister. Lottie is all kinds of messed up and she's a complication I don't fuckin' need. My priority is getting Taya and my son, Seb, settled. That is, until the day I have to collect Lottie from the hospital. Her eyes are screaming pain and they call out to me for help. Because if anyone knows pain, it's me. Separately, we're suffering . . . but together, we're toxic. But I know we met for a reason and I ain't letting her slip away from me. I can fix her, she can fix me, and then we'll live happily ever after, right? Right?

Saving her might be the only chance I have of reclaiming the parts of my soul that my brother destroyed. Even if it means I have to go home and face the brothers I chose to leave behind. Duo They fucking kidnapped me because of who my father is in the Juric crime family. I've been kidnapped before so this isn't anything new, not really. What I'm not used to is the insane extent his brother will go to get what he wants. I know I shouldn't trust Storm.
