**The Spoken Books Uprising Box Set 1** D. T. Kane, 2022-11-24 Reading Books can get you killed. The series that reviewers have called Sanderson-esque and Genius! For the first time ever, get the first three parts of this new epic fantasy series in one place! In addition to three novels, the box set includes two, never-before-seen essays by the author about his inspiration for the series and also artwork depicting each of the three main characters! A free preview of Part IV is also included. Part I: The Acktus Trials In the land of Oration, magic is cast by reading aloud words of power from Spoken Books. Only a select few, the Speakers, are born with the ability to do so. But after a disaster nearly destroyed Oration, society grew to fear the Speakers' power and they were hunted and enslaved, never taught to read. Now they live in oppression, unable to use their magic unless a spell is first read aloud to them. Each year, young men and women from Oration's ruling Libraries compete in the Acktus Trials, a journey that takes them through the wilds of Oration to the ruined city of Tome. Once Oration's capital, it is now abandoned, though the Great Library at its center still holds a wealth of Spoken Books. As Speakers are no longer taught to read, they also cannot write, so new Spoken Books have not been created in hundreds of years. The discovery of a new Book is a coveted prize for any young noble. Baztian is a slave to one of Oration's poorer Libraries. When he is selected to accompany his master on the Acktus Trials, he thinks his life is over. The wilds are treacherous, his master incompetent, and their fellow competitors set on winning, whatever the means. But Baz also has a secret—one that could get him killed, but one that also makes him the most valuable of assets during the Trials. Baz can read, and after he saves his master from certain death, he strikes a deal—his secret kept safe in exchange for aiding his master in completing the Trials. But can Baz really help a young man who thinks of him as property? And even if he can, there is much he doesn't know, like the evil that lies in wait beneath the ruins of Tome. Part II: Declaimer's Discovery \*Potential Spoilers Below\* Baz and his master are called upon to suppress an uprising among the slaves of Fortune, Oration's wealthiest city. But after an attack separates Baz from the rest of his group, he's unwittingly caught up in the very rebellion his master is trying to stop. And as if things couldn't get any worse, Baz discovers that the most powerful man in Erstwhile might know his secret. A secret that could get him killed. Surrounded by enemies and friends he doesn't trust, can Baz survive and help the slaves of Fortune to freedom? Part III: Declaimer's Flight \*Potential Spoilers Below\* Baz and his friends are on the run, allies at a premium, as they search for the savior who will lead the slaves of Oration to freedom. When no one believes that Baz knows who that savior is, he finds his closest supporter is none other than his one-time master, a member of the ruling class against whom the rebels are fighting. When Baz returns to where his adventure—or is it a nightmare?—began, his path finally becomes clear. But even then, there are forces working to betray him, both external and in Baz's own head. Once more, he must face the dark terror beneath the ruined city of Tome, while simultaneously battling the trauma he suffered in the dungeons of Leamina Library. And that's all before the dragons show up. Will Baz persevere and find Oration's savior?

**Declaimer's Discovery** D. T. Kane, 2022-04-15 “What do you mean, he knows our secret?” Having survived the Acktus Trials and kept his secret safe—for now—Baz has returned to Erstwhile. But his rest is short lived when an unwelcome guest visits Torchshire Library, bearing news of a revolt amongst the Speakers in Fortune, Oration's wealthiest city. A special session of Oration's Congress has been called and Baz's master is selected to travel to Fortune and represent Erstwhile. Of course, Baz must go with him. Suddenly, Baz has an opportunity to fulfill his promise to the Keepers of Tome—search Fortune for the prophecy that promises to free the Speakers of Oration from slavery. But circumstances quickly turn dangerous when Baz and his companions are attacked on route to Fortune. Baz finds himself at the center of a rebellion he's unsure he wants to join, but is equally unsure he can escape. And as if that wasn't bad enough, Baz discovers that the most powerful man in Fortune not only holds a secret that could destroy all of Oration, but also knows Baz's own. Surrounded by enemies and friends he doesn't trust, can Baz survive, find the prophecy, and become the leader of an uprising?

*Good and Evil Light and Dark and the Grey Mists in Between* Caedmon Holland, 2022-11-03 Concepts are black and white. Ideas are black and white. But the world we live in is a steely gray, and along with the future and past, much remains hidden to the average person. Inside this book are chilling tales of what might have been, what could be, and what may be already. From jungles to deserts, from past to future, the people, places, and things within each story may be completely different, but each account has a collective purpose--to reveal. These short stories seek to pierce through the fog of mystery and deliver frightful messages that make even the most steadfast in their own knowledge hesitate, reflect, and ask, What if? These narratives are written to make you pause at that mysterious creak in your house when you know it's just you alone at home, to look over your shoulder on that moonlit walk when the sound of footsteps tracing yours reaches your ears, and take heed of the sounds surrounding you in the forest when you are at peace and think all is well: For when you take the time to peer through the enshrouding mists that veil the world and its history, you never know what you'll find staring right back at you.

I could blame the fact I'm a witch for my behavior, but the truth is I'm infuriating, arrogant, and stab-worthy. Alex Remington is a hunter and everything I'm not—righteous, honest, caring. We used to have a thing, but that was before he learned I'm a witch and tried to kill me. Eighteen months later, he's back in my life and we have a deal; I'll help him save his brother and he'll disappear from my life for good. But karma can be a real bitch...
