The Message and the Book John Bowker,Atlantic Books, an imprint of Grove Atlantic Ltd.,2012-03-27 Grand in its sweep, this survey of the sacred writings of the major religions of the world offers a thoughtful introduction to the ideas and beliefs upon which great faiths are built. Under the expert guidance of John Bowker, a religious scholar and author of international stature, readers explore the key texts of Jewish, Christian, Muslim, Hindu, Jain, Sikh, Buddhist, Parsi, Confucian, Daoist, and Shinto traditions. The author discusses some 400 books, among them such well-known sacred texts as the Bible and the Quran, but also spiritual writings by theologians, philosophers, poets, and others. Bowker provides clear and illuminating commentary on each text, describing the content and core tenets of the work and quoting pertinent passages. He also sets the writings in religious and historical contexts, showing how they have influenced—and in many cases continue to influence—artistic, musical, literary, and political traditions. The Message and the Book is essential reading for anyone who wishes to understand the meaning and the deep significance of primary religious texts of civilizations around the globe.

Nature's Silent Message Scott Stillman,2020-03-20 The Earth is trying to teach us to live better. To lead richer, happier lives. Will we continue down the limited path of the mechanical mind? Or will we tune into ultimate intelligence? The same intelligence that allows blood to flow through our veins, bees to pollinate flowers, birds to fly south, salmon to spawn, whales to migrate, caterpillars to become butterflies, the Earth to rotate, the moon to orbit, and the rest of nature to function perfectly of its own accord? We have access to nature's silent message-if we take the time to listen. In this spellbinding collection, Stillman guides us from the lush forests of the North Cascades, through the sandstone slot canyons of Utah, and into the border country of extreme southern Arizona. In this classroom, we learn not from books, nor words, nor lectures. Wilderness is the school of life, where we learn not from that which thinks-but that which knows. Nature's Silent Message suggests the existence of something far greater than what we see on the surface. It's about breaking through old patterns so that new ones may emerge. The message is simple and pure, but when you try to define it, it vanishes into thin air. And in that vanishing, you find it again. Like a beautiful butterfly that can never be caught. Try and catch her and she'll drive you mad, eluding you forever. But learn to fly with her, and all the wonders of the world will be shown, and all the answers to your questions be known. Get it now.

When he gets to France, he discovers he has not one but three near-impossible tasks before him. He also discovers a dark and shameful episode from his grandfather's past, something Adam is supposed to make amends for. But how can he do that when he barely speaks the language and his tasks become more and more dangerous? Despite the odds, Adam finds a way to fulfill his grandfather's wishes and, in the process, become worthy of bearing his name.

Using WebSphere Message Broker V8 in Mid-Market Environments Carla Sadtler,Vinicius D. G. Braganca,Minsung Byun,David Crighton,Kiran Darbha,Jefferson Lowrey,Pavel Malyutin,Abhinav Priyadarshi,Rashmi Katagall,IBM Redbooks,2012-08-31 IBM WebSphere® Message Broker is a lightweight, advanced enterprise service bus (ESB) that provides a broad range of integration capabilities that enable companies to rapidly integrate internal applications and connect to partner applications. Messages from business applications can be transformed, augmented and routed to other business applications. The types and complexity of the integration required will vary by company, application types, and a number of other factors. Processing logic in WebSphere Message Broker is implemented using message flows. Through message flows, messages from business applications can be transformed, augmented, and routed to other business applications. Message flows are created by connecting nodes together. A wide selection of built-in nodes are provided with WebSphere Message Broker. These nodes perform tasks that are associated with message routing, transformation, and enrichment. Message flows are created and tested using the Message Broker Toolkit, a sophisticated, easy-to-use programming tool that provides a full range of programming aids. This IBM® Redbooks® publication focuses on two specific integration requirements that apply to many midmarket companies. The first is the ability to use WebSphere Message Broker to integrate Microsoft.NET applications into a broader connectivity solution. WebSphere Message Broker V8 introduces the ability to integrate with existing Microsoft .NET Framework applications. A .NET assembly can be called from within a message flow and the WebSphere Message Broker runtime can host and run .NET code. Solutions explored in this book cover connectivity to applications using Windows Communications Framework (WCF), Microsoft Message Queuing, Microsoft Dynamics CRM, and other Microsoft applications. The second is the ability to integrate WebSphere Message Broker with file transfer networks, specifically with WebSphere MQ File Transfer Edition and IBM Sterling Connect Direct.

The Message Jesus Preached Shane James,2015-10-27 THINGS WERE DIFFERENT IN THE CHURCH JESUS STARTED We sing songs to Jesus. We pray to Jesus. But do we really know and understand what Jesus preached? Before you say, “Yes,” and move on, consider these shocking facts: • Most messages preached today have nothing to do with Jesus’ core message • Christian universities that train pastors, missionaries, and priests don’t have courses that teach what Jesus taught, and it’s been this way for hundreds of years • The majority of believers in Christ have little or no understanding of what Jesus said or what He meant when He said it God is realigning His church with the message Jesus preached, and He’s doing it to prepare us for Jesus’ return. Get ready for a journey through the Bible that will help you: • Challenge your Christian experience and knowledge of Jesus’ teachings • Learn the true heart of Christ’s teachings as recorded in God’s Word • Discover the Kingdom life Jesus provided for, exemplified, and taught • Shed any belief barriers that have inhibited your spiritual life to this point • Embrace and renew a walk with God that is alive, growing, fresh, and purposeful
