Building a StoryBrand Donald Miller, 2017-10-10 More than half-a-million business leaders have discovered the power of the StoryBrand Framework, created by New York Times best-selling author and marketing expert Donald Miller. And they are making millions. If you use the wrong words to talk about your product, nobody will buy it. Marketers and business owners struggle to effectively connect with their customers, costing them and their companies millions in lost revenue. In a world filled with constant, on-demand distractions, it has become near-impossible for business owners to effectively cut through the noise to reach their customers, something Donald Miller knows first-hand. In this book, he shares the proven system he has created to help you engage and truly influence customers. The StoryBrand process is a proven solution to the struggle business leaders face when talking about their companies. Without a clear, distinct message, customers will not understand what you can do for them and are unwilling to engage, causing you to lose potential sales, opportunities for customer engagement, and much more. In Building a StoryBrand, Donald Miller teaches marketers and business owners to use the seven universal elements of powerful stories to dramatically improve how they connect with customers and grow their businesses. His proven process has helped thousands of companies engage with their existing customers, giving them the ultimate competitive advantage. Building a StoryBrand does this by teaching you: The seven universal story points all humans respond to; The real reason customers make purchases; How to simplify a brand message so people understand it; and How to create the most effective messaging for websites, brochures, and social media. Whether you are the marketing director of a multibillion-dollar company, the owner of a small business, a politician running for office, or the lead singer of a rock band, Building a StoryBrand will forever transform the way you talk about who you are, what you do, and the unique value you bring

to your customers.

An open heart, an open mind. The wonder will show itself. Es gibt Geschichten, welche eine schöne Story erzählen,

Diese sind mal schwerer, mal leichter zu entdecken. Solche Nachrichten sind wichtig, um bestimmte Themen besser zu verstehen. Auch wenn die Nachrichten versteckt sind; Wenn man sie erstmal in ihrer Bedeutung erfasst hat... Deswegen - lies die Geschichte vor dir nicht einfach so - sondern versuche ihre Bedeutung zu erfassen.

A Message from Jessie Buck Blodgett, 2015-06-22 Love is stronger than hate. That was a grieving dad's message to 1,000 people at his daughter's funeral after she was brutally murdered in their home. Borne of this statement was Jessie Blodgett's legacy: The LOVE>hate Project. As I sat there with my face in my hands, asking Him why, my thoughts traveled forward from the eighth grade musical where Jess debuted her first original composition, Butterflies. I remembered recurring visions of myself at her funeral with this song playing in the background. I had always dismissed these premonitions as typical parental fears. Every parent worries about losing their child, right? Then I envisioned an angel coming to Jess in her darkest hour. As the rope bit hard into her neck, cutting off her air, the grip too hopelessly strong for her to fight off, as she struggled desperately, bewildered by the betrayal and cruelty of a friend, the angel came. Out of her body it called her soul. Floating up and away together, the angel whispered in her ear, Fly away, fly high. You're a butterfly, and butterflies are free to fly... Excerpt But, of course, most of life-the mundane minutes, seconds, and moments-was just normal life. Now, life would never be normal again, of course. No, it would be a moment-to-moment wrestling match, a constant duel for my attention between the abyss and the life of purpose. Excerpt Jess was a young woman with an indomitable spirit. She was the girl who ran out into traffic on Highway 60 near Pike Lake to rescue a turtle that wasn't going to make it across the road. She was

the girl whose purse came from Ecuador, because it was a Fair Trade item, and even a stranger from halfway around the world deserved a chance to build a life. The way to meet this horrible tragedy was not with anger and bitterness. We had to respond to this incomprehensible act with the best of our true selves, not the worst. To honor Jess. Excerpt I had hit rock bottom. It had been over half a year now. It was the dead of winter. The shock phase was over, and all that was left was emptiness. The day before, I had gone up to Jessie's room. I stood by the side of her bed. I imagined her lying there, sleeping peacefully.... And then I bent over and put my arm around her and gave her a kiss on the head, as if she was actually sleeping there. Even though I was alone, it was kind of awkward. But something about it felt really good, too, and I ended up hugging her for a full five minutes. Then, I grabbed the flannel shirt hanging on her bedpost, the shirt that still smelled like her, the one she wore so much in her last days, and I climbed onto her bed with the shirt and, using it like a blanket, I snuggled with her for a half hour. And I imagined that she talked back, speaking words of comfort and wisdom. Excerpt FACEBOOK Buck Blodgett July 15, 2014 Jess, a year ago today.... At 12:35 p.m. I took the call from Mom. She was sobbing, telling me she found you-you weren't breathing; there were marks on your neck. She did CPR, called 911. EMTs worked on you as we spoke. I asked if you were responding. She said no. I asked if you were gone. No words came. I talked to God the whole drive home, hoping, praying. Our driveway was full-squad cars, firetrucks, ambulance, Crime Scene Unit vehicle. They wouldn't let me see you, touch you, hold you. Your room was taped off. I understood, but not being there for you when you needed help, or to say goodbye, was unbearable. It's been a year of deep pain and profound Love. Never again will I take a single second of this life for granted. I was wrong about God and Spirit and life after death. You have opened my eyes. You have infused some of yourself into me, made me kinder, braver, more musical, less judgmental. I live for you now,

sweetie, for your legacy, LOVE>hate. See ya when I'm done here my hero, my brave and beautiful young w

Mordecai, the Man and His Message Richard Ishmael McKinney,Mordecai Wyatt Johnson,1997
The Message 100 Devotional Bible ,2015-09-24 Here in The Message 100 is the whole Bible—every single, moving word of it—laid out in 100 readings and arranged to chronologically

reflect the unfolding story. Move through it at your own pace, and discover how God may be moving right there on the page, right here in your life. What moves you? Beauty? “God looked over everything he had made; it was so good, so very good!” (Genesis 1) Worry? “It’s wonderful what happens when Christ displaces worry at the center of your life.” (Philippians 4) Injustice? “God was moved to compassion when he heard their groaning.” (Judges 2) Suffering? “Deeply moved, Jesus touched their eyes. They had their sight back that very instant.” (Matthew 20) The Bible tells a story about moving—people moving from place to place, from good times to hard times to good times again. But more than anything, it’s a story of a God who is moved by love, and who moves—and who moves us—to make the world a better place.

Share Your Message with the World Tony Gambone, 2016-01-18 Share Your Message with the World started out as an idea of how I could get everyone to share his or her stories. Volume I was such a success and the stories were so inspiring that I decided to make Share Your Message with the World a series. I received many e-mails and phone calls from people telling me how inspired and motivated they were reading the stories in Share Your Message with the World. In Volume II, the stories are just as inspirational, educational, and informational. I am a big believer that no one cares anything about what you're selling, offering, or providing until they know more about you. This book will tell you the personal journeys of people around the world, how they overcame the struggles of life and stayed focused on the place they were aiming for. It is true that every day our directions might change, but the one thing that is important is that you stay focused on where you are going to conquer the struggles and recognize the lessons from them. I believe that everyone needs to hear or read someone else's story to be able to continue through daily struggles. The stories in this book and Volume I are the proof you need to know that you too can make it to the finish line. Make sure to Share Your Message and learn how you too can help someone through his or her journey of life.
