**A Perfect Union of Contrary Things** Maynard James Keenan, 2018-10-01 A Perfect Union of Contrary Things is the authorized biography of musician and vintner Maynard James Keenan. Co-author Sarah Jensen's 30-year friendship with Keenan gives her unique insight into his history and career trajectory. The book traces Keenan's journey from his Midwest childhood to his years in the Army to his time in art school, from his stint at a Boston pet shop to his place in the international spotlight and his influence on contemporary music and regional winemaking. A comprehensive portrayal of a versatile and dedicated artist, A Perfect Union of Contrary Things pays homage to the people and places that shaped the man and his art. Until now, Maynard's fans have had access to only an abridged version of his story. A Perfect Union of Contrary Things presents the outtakes, the scenes of disappointment and triumph, and the events that led him to take one step after the next, to change direction, to explore sometimes surprising opportunities. Included are sidebars in his own words, often humorous anecdotes that illuminate the narrative, as well as commentary by his family

members, friends, instructors, and industry colleagues. The book also features a foreword by Alex Grey, an American visionary artist and longtime friend of Keenan. Accompanying the text are photos of Keenan from childhood to the present. Maynard's story is a metaphor for the reader's own evolution and an encouragement to follow one's dreams, hold fast to individual integrity, and work ceaselessly to fulfill our creative potential.

**Chartwell Manor** Glenn Head, 2021-05-25 No one asks for the childhood they get, and no child ever deserved to go to Chartwell Manor. For Glenn Head, his two years spent at the now-defunct Mendham, NJ, boarding school – run by a serial sexual and emotional abuser of young boys in the early 1970s – left emotional scars in ways that he continues to process. This graphic memoir – a book almost 50 years in the making – tells the story of that experience, and then delves with even greater detail into the reverberations of that experience in adulthood, including addiction and other self-destructive behavior. Head tells his story with unsparing honesty, depicting himself as a deeply flawed human struggling to make sense of the childhood he was given.

Darkness in the Blood Guy Haley, 2021-08-17 Delve into the dark, beating heart of the Blood Angels with a novel that focuses on their twin flaws and the desperate struggle to prevent them from damning the Chapter for eternity. The galaxy is in flames. Chaos is in the ascendant across the stars. The Great Rift has split the holdings of the Imperium in twain, isolating entire sectors

from the light of Holy Terra. But all hope is not lost. The Primarch Roboute Guilliman has returned from deathless sleep, and appointed Commander Dante, lord of the Blood Angels, as Regent and Warden of the newly dubbed Imperium Nihilus. In the Baal system, the shattered holding of the Chapter is being rebuilt, and Dante plans the greatest campaign of his long life, to retake half an empire. And yet at this moment of rebirth there are dangers close to home that could overwhelm all those who carry the blood of Sanguinius in their veins, stopping Dante's noble endeavour before it is begun. The Flaw in Sanguinius's sons is growing. As the twin curses of the Red Thirst and the Black Rage threaten everything, the hardest ordeal will fall upon Mephiston, twice-born Lord of Death and Chief Librarian of the Blood Angels. Among the mighty lords of Baal, perhaps only he can save them all, by mastering the darkness in the blood...

**Chicago** Glenn Head, 2015-09-19 From Harvey- and Eisner-nominated cartoonist and editor Glenn Head comes Chicago, the hilarious and harrowing tale of a nineteen-year-old virgin who drops out of everything and into the unknown. Abandoning suburbia for art school and then the gritty streets, young Glenn finds himself fending off predators and fighting depression. A visit to Playboy offers entrée into the world of underground comix and R. Crumb, but it's a chance encounter with Muhammad Ali that allows young Glenn to prove his mettle. Like Scorsese circa Mean Streets crossed with revealing autobiography like Jim Carroll's The Basketball Diaries, Chicago

is an unforgettable tale of losing one's mind, finding one's identity, and discovering love where it's least expected.

*Come As You Are* Michael Azerrad, 2013-01-23 The definitive biography of the revolutionary band Nirvana and its star-crossed frontman Kurt Cobain, hailed by Rolling Stone as "the first [book] to comprehensively tell the band's tale from Aberdeen, Wash., to world domination" "Amazingly raw and candid . . . an unsparing and extremely honest depiction of the group's highly tumultuous history . . . *Come As You Are* is as good as rock bios get."—Billboard "Just tell the truth. That'll be better than anything else that's been written about me."—Kurt Cobain Nirvana came out of nowhere in 1991 to sell nearly five million copies of their landmark album *Nevermind*, whose thunderous sound and indelible melodies embodied all the confusion, frustration, and passion of the emerging Generation X. *Come As You Are* is the close-up, intimate story of Nirvana—the only book with exclusive in-depth interviews with bandmembers Kurt Cobain, Krist Noveselic, and Dave Grohl, as well as friends, relatives, former bandmembers, and associates—now updated to include a final chapter detailing the last year of Kurt Cobain's life, before his tragic suicide in April 1994. *Switched on Pop* Nate Sloan, Charlie Harding, 2019-12-13 Pop music surrounds us - in our cars, over supermarket speakers, even when we are laid out at the dentist - but how often do we really hear what's playing? *Switched on Pop* is the book based on the eponymous podcast that has been hailed by NPR, Rolling Stone, The Guardian, and Entertainment Weekly for its witty and accessible analysis of Top 40 hits. Through close studies of sixteen modern classics, musicologist Nate Sloan and songwriter Charlie Harding shift pop from the background to the foreground, illuminating the essential musical concepts behind two decades of chart-topping songs. In 1939, Aaron Copland published *What to Listen for in Music*, the bestseller that made classical music approachable for generations of listeners. Eighty years later, Nate and Charlie update Copland's idea for a new audience and repertoire: 21st century pop, from Britney to Beyoncé, Outkast to Kendrick Lamar. Despite the importance of pop music in contemporary culture, most discourse only revolves around lyrics and celebrity. *Switched on Pop* gives readers the tools they need to interpret our modern soundtrack. Each chapter investigates a different song and artist, revealing musical insights such as how a single melodic motif follows Taylor Swift through every genre that she

samples, André 3000 uses metric manipulation to get listeners to shake it like a Polaroid picture, or Luis Fonsi and Daddy Yankee create harmonic ambiguity in Despacito that mirrors the patterns of global migration. Replete with engaging discussions and eye-catching illustrations, Switched on Pop brings to life the musical qualities that catapult songs into the pop pantheon. Readers will find themselves listening to familiar tracks in new ways and not just those from the Top 40. The timeless concepts that Nate and Charlie define can be applied to any musical style. From fanatics to skeptics, teenagers to octogenarians, non-musicians to professional composers, every music lover will discover something ear-opening in Switched on Pop.

Dante Guy Haley, 2018-03-20 The origin story of Dante and his rise from young aspirant to the mighty Chapter Master of the Blood Angels. Dante is Chapter Master of one of the noblest but most troubled Chapters of Space Marines in the Imperium: the Blood Angels. From the time of his

birth in the rad-scarred wastes of Baal Secundus, he was destined for glory and strife. From his apotheosis to Scout, to the hive cities of Armageddon and the alien menace of the Cryptas system, Dante has waged war against all the enemies of the Imperium. He has witnessed the divine, and struggled against the darkness within all sons of Sanguinius. Longer lived than any other Chapter Master, this is his chronicle, his great and storied legend.

**Solidarity in Biomedicine and Beyond** Barbara Prainsack, Alena Buyx, 2017-01-19 In times of global economic and political crises, the notion of solidarity is gaining new currency. This book argues that a solidarity-based perspective can help us to find new ways to address pressing problems. Exemplified by three case studies from the field of biomedicine: databases for health and disease research, personalised healthcare, and organ donation, it explores how solidarity can make a difference in how we frame problems, and in the policy solutions that we can offer.

**Militant Right-Wing Extremism in Putin's Russia**  
Miroslav Mareš, Martin Laryš, Jan Holzer, 2018-10-25  
Militancy continues to be characteristic of many  
supporters of the Russian far right, encompassing  
a belligerent rhetoric, a strong perception of  
participants as political warriors and often the  
use of physical violence. How serious a threat  
does Russian militant right-wing extremism pose to  
Russia and the World, and how has the level of  
threat changed over time? This book addresses this  
question by exploring right-wing extremism in  
Russia, its historical context and its resurgence  
over the past thirty years. Outlining the legacies  
and forms presented by current right-wing  
extremism, with a particular focus on militant  
extremism, it employs a historical, descriptive  
method to analyse the threats and risks posed.  
Presented within the framework of research on  
extremism and political violence related to the  
Russian political thought, the book outlines the  
key criteria of identifying threats, such as the  
level of violence, ability to gain supporters and  
penetration of governing elites. Primarily aimed  
at researchers and academics in political science,  
extremism, security studies and the history of  
Russia and Eastern, Central and South-East Europe,  
this book will also be of interest to political  
journalists and practitioners in international

security.
