Four Decades in Infant Mental Health Michael Trout,2021-04-29 What can we do about very young children who cry all the time, or who withdraw, or who resist the very thing they need most: loving care? What can we do about parents who seem lost in the hurts of their own early childhood, and who behave in ways absolutely antithetical to their own stated parenting principles? This is the world of infant mental health, and this book gathers together 25 stories from the author's 41 years of experience in this remarkable clinical specialty. It will serve as a casebook and guide for infant mental health practitioners, and for the specialized faculty who prepare them. The clarity and accessibility of the cases will, however, make this book compelling to anyone mystified by how our earliest attachment experiences support or confound our later development.

Better Made in Michigan Karen Dybis,2015-05-18 For many, Detroit is the crunch capital of the world. More than forty local chip companies once fed the Motor City's never-ending appetite for salty snacks, including New Era, Everkrisp, Krun-Chee, Mello Crisp, Wolverine and Vita-Boy. Only Better Made remains. From the start, the brand was known for light, crisp chips that were near to perfection. Discover how Better Made came to be, how its chips are made and how competition has shaped the industry into what it is today. Bite into the flavorful history of Michigan's most iconic chip as author Karen Dybis explores how Detroit chipreneurs rose from garage-based businesses to become snack food royalty.

The Magic Room Jeffrey Zaslow,2011-12-27 The New York Times bestselling journalist and author of *The Girls from Ames*, Jeffrey Zaslow, takes us to a multi- generational family owned small-town bridal shop to explore the emotional lives of women in the 21st century. You may not have heard of Fowler, Michigan, much less Becker's Bridal. But for the thousands of women who have stepped inside, Becker's is the site of some of the most important moments of their lives-moments that speak to us all. Housed in a former bank, the boutique owners transformed the vault into a magic room, with soft church lighting, a circular pedestal, and mirrors that make lifelong dreams come true. Illuminating the poignant aspects of a woman's journey to the altar, *The Magic Room* tells the stories of memorable women on the brink of commitment. Run by the same family for years, Becker's has witnessed transformations in how America views the institution of marriage; some of the shop's clientele are becoming stepmothers, or starting married life for a second time. In *The Girls from Ames*, beloved author Jeffrey Zaslow used friendships to explore the emotional lives of women. In *The Magic Room*, he turns his perceptive eye to weddings and weaves together secrets, memories and family tales to explore the hopes and dreams we have for our daughters.

Michigan Evidence Courtroom Manual Lawrence A. Dubin,A. J. Stephani,Glen Weissenberger,2021-06-18 Designed specifically for trial use, Michigan Evidence Courtroom Manual's purpose is to provide fast, concise, and authoritative answers to most of the evidentiary questions which arise in the course of trials and hearings, as well as in trial preparation. It accomplishes this through a unique combination of trial-tested features, including: • Rules: The complete rules are collected at the beginning of the book. Individual rules are also at the beginning of the chapter in which the rule is discussed. • Commentary: Perhaps the most important part of this book, the author's Commentary provides a quick overview of the rule under discussion, guidance in interpreting the rule, and helpful pointers for applying the rule in actual practice. In many chapters the Commentary contains special features such as Illustrations, Constitutional Considerations, and Current Trends. • Authority: Following each chapter's Commentary, additional authorities are cited. These give the user a starting point for additional research. • Comparison to Federal Rule: A brief comparison of the Michigan and federal rules in each chapter provides additional insight. • Cases: Recent significant cases are summarized at the end of each chapter. These provide support for argument and decisions required during the course of proceedings.

My Alphabet Toddler Coloring Book with the Learning Bugs The Learning Bugs, 2018-09-20 Parents, get set for some precious forever memories with your child. Not only will your child love to color this adorably cute kids coloring book on their own but we have specially designed the pages to give you both plenty of fun teaching and learning opportunities where you can interact together. They will love these unforgettable moments with you! If you only buy one toddler coloring book, make sure it's this one! I'm Mark and together with my partner Jane we came up with the concept of The Learning Bugs, the fun characters who appear regularly throughout the book. Giggles the ladybug, Squiggles the caterpillar and Zapp the bee are not only entertaining but they engage and ask questions and give your child interesting facts. As parents ourselves we couldn't find a coloring book for young children that we were completely happy with so we decided to create our own. We then conducted research with over 500 fellow parents who helped shape the book you can purchase today. Welcome to the magical world of The Learning Bugs where kids play and have fun while learning at the same time. This will help them throughout their life as they build the habit of being inquisitive and asking questions. Why Buy This Book? Talented artists have hand-drawn unique illustrations that are beautiful but simple, cute and fun. Good value - we made sure to have plenty of pages (over 100). Illustrations are on one side only so you can tear them out to frame and keep. No issues with markers bleeding through the page and ruining an image underneath. Thick black lines for toddlers to try keep within the lines. Each page is a large 8.5 inches by 11 inches and printed on bright white paper. A book for toddlers but with some more advanced elements so the book can be kept for years. Your child will likely treasure this book for years to come. Our fun characters, the Learning Bugs, engage your child while being educational. Helps teach your kids that learning is enjoyable and not a chore. This book will help start to prepare them for school. Teaches the alphabet, they learn the letters and words beginning with that letter. We also have games where they can spot things in the drawing. We also have educational facts about the objects in the lovely drawings. Another game is how many things can you spot - to help with counting. This early learning activity book is aimed at boys and girls aged from 2 to 4 years old (especially toddlers, preschoolers, pre-k and kindergarten kids) but it is suitable for any child up to 6 who loves coloring. We have gone 'above and beyond' to create something special which we are very proud of. This lovingly created ABC coloring book is one you can come back to time and time again. We hope you enjoy this toddler coloring book and be sure to look out for more Learning Bugs books which your child can progress with as they grow. Mark, Jane and Giggles, Squiggles and Zapp (The Learning Bugs)!

20th-Century Retailing in Downtown Grand Rapids Michael Hauser and Marianne Weldon, 2014 Grand Rapids, Michigan was the center for shopping in western Michigan with department stores, five-and-dimes and more, until the advent of the shopping mall. For decades, downtown Grand Rapids enjoyed a long run in the limelight as the epicenter of shopping in western Michigan. The vibrant Monroe Avenue corridor included three homegrown department stores, several chain department stores, five-and-dime stores, and scores of clothing and specialty retailers. It weathered mother nature, wars, the Great Depression, the advent of neighborhood shopping centers, and civil disturbances--but the one change it could not overcome was the regional shopping mall.
