After years of intense and meticulous preparation, which included paying off or killing all the right people on either side of the border, the cartel is ready to make its move. Before the U.S. government can seal the border, hundreds of thousands of cartel men infiltrate the country as far north as Phoenix. Enter Mac, a ten-year-old boy with unlimited potential and incredible gifts to offer the world. But these gifts stem from an unthinkable childhood; he was molded by cruel and neglectful parents in an effort to enhance his unparalleled capabilities. The harsh tests inflicted by his parents consist of a series of elaborate punishments, seemingly inspired by Friedrich Nietzsche's quotation: That, which does not kill us, makes us stronger. It is during one of these tests, stranded in the Mexican desert, that Mac stumbles upon an ancient codex by a pre-colonial Spanish philosopher, whose parched pages contain the secret to achieving a perfect utopian society out of a self-destructive mankind. Representing the inverse morality, the cartel will stop at nothing to destroy the codex and the child that holds it. The hunt is on. About the Author: Michael Mac Centuori is about to graduate from the University of Arizona with a degree in Latin American studies and a minor in Spanish. Raised in Phoenix, he now lives in Tucson. Griffin and Richard Marcinko, here is a pure adrenaline skydive into enemy territory--written by an Air Force Combat Crewmember who knows firsthand what awaits in the...Drop Zone. Among the U.S. Special Forces' most valued troops are the Air Force's Pararescue Teams--some of the most highly trained soldiers the nation has to offer. Known as PJs, they drop out of C-130s or HH-60G Blackhawks into places no one else can reach. They climb mountains, penetrate jungles, and descend into freezing waters to retrieve the wounded, the dying...and the secrets their government will kill to uncover. Master Sergeant Jason Johnson is one of the best pararescue jumpers around, a man intimately familiar with massive scenes of destruction--from an earthquake-ravaged city in the Philippines to Operation Desert Storm. Outfitted with the military's most sophisticated equipment, Johnson is about to embark on a mission unlike any other. He is about to meet the Brotherhood of Death. Within the world of U.S. covert forces, the Brotherhood is the most shadowy of them all--a handful of warriors trained to act as a precise airborne hit squad. For his latest assignment, Johnson has been teamed up with Kelly Sherwin, a hotshot Marine who once swam from the Persian Gulf into Kuwait's sewer tunnels during Operation Desert Storm. Their mission is to drop behind enemy lines in war-torn Bosnia to find and retrieve evidence of a horrifying war crime: the ethnic cleansing of five thousand civilians through the use of a deadly nerve toxin. From the moment they leap into the swirling Balkan darkness, Johnson and Sherwin enter a landscape of unspeakable destruction and despair...and a mission that goes wrong in every conceivable way. On a race through enemy territory, Johnson is stripped of his HGU helmet, night-vision goggles, survival radio, and GAU-5 machine gun. Somehow he finds the evidence he needs--but only a miracle will bring him out alive. Maintenance Man II - Paperback Michael Baisden,2012-04-01 Baisden builds upon the saga of his former main character, Malcolm Tremell, a gigolo who first came to life in Baisden's 1999

release *The Maintenance Man*. *The Maintenance Man* saw the author gain notoriety for unapologetically disclosing the lifestyle of a man who rendezvoused for pay with married women. The original *Maintenance Man* followed a litany of releases, including *Men Cry In The Dark*, *God's Gift To Women*, *Do Men Know What They Want* and solidified his stance as one of the most successful self-published male authors on the literary scene. With *Maintenance Man II*, Baisden broadens the storyline as Tremell comes out of retirement to not only rebuild his contact list of high-end female clientele, but also franchise a male escort service worldwide. Intrigue, drama and danger quickly come into play when Tremell liaisons with the wife of a powerful and corrupt Republican senator. When they unwittingly uncover the senator's underhanded deal with the powerful Kross brothers for political control, Tremell will have to tap his military training and street smarts to not only save his life, but also those closest to him. Baisden, once again educates as he entertains, brilliantly engaging his readers. Utilizing Malcolm Tremell as the ultimate Renaissance man protagonist, he brazenly unveils several harsh and dark realities behind the current political process. He skillfully touches on some of the most critical political issues to date, including voter suppression as well as corporate greed, seamlessly interspersing them between a romantic and politically charged plot. The novel's tone is captivating and inviting, whisking the reader into a non-stop escapade of sex, action and adventure. After years of being out of the gigolo lifestyle, Malcolm has to rebuild his list of contacts and high-end clientele. But he still has his good looks, his Rolodex, and his reputation. This time he vows that nothing will stand in his way of getting back on top and creating a franchise of escort services worldwide. He disguises his gigolo lifestyle as a nightclub owner in Miami--the perfect cover to mix business with pleasure.
