Teenage Mutant Ninja Turtles: The Last Ronin—The Lost Years #1 Kevin Eastman, Tom Waltz, 2023-01-25
RETURN TO THE RONIN-VERSE! In the smash-hit miniseries TMNT: The Last Ronin, readers were taken on a pulse-pounding trek through time—past, present, future—to witness the final gut-wrenching days of the Heroes in a Half Shell. For Michelangelo in particular, the march to his heartbreaking last battle was long and dangerous, taking him from New York City, to Japan, across Asia and Europe, and then back home again to administer final justice against those guilty of killing his family. But what happened during those fateful years when he had only the need for vengeance and Master Splinter's journal to guide him? What battles did he fight? What hard lessons did he learn? The time has come to find out as original miniseries writers Kevin Eastman and Tom Waltz join artist Ben Bishop (TMNT: The Last Ronin) to finally reveal what adventures the Last Ronin experienced during his vengeful journey. While in the present, a new master, Casey Marie Jones, prepares her young terrapin students to be the next generation of...Teenage Mutant Ninja Turtles!

Starting Over Robin Pilcher, 2010-04-01 It seems a long time since life was good for Liz Dewhurst. Her happy marriage to Gregor ended six months ago when she discovered he had been having an affair with another local woman for two years. But if that wasn't enough, Liz and Gregor's family businesses were also intertwined. Growing up on neighboring farms on the East coast of Fife, an area blessed with rich soil and beautiful, unspoiled landscapes, the marriage made it perfect sense to merge. The separation, however, has come at the worst possible time. With business bad, the two farms are barely struggling to survive on their own. Then an extraordinary opportunity arises. An American-financed consortium is looking to build a golf course, and with Liz's and Gregor's land think they have found the ideal site for the best new links course in Britain. Liz is torn: the money is tempting, and she knows that by turning the scheme down she will face the wrath of the local community. On the other hand, the farm has passed through five generations of her family; is she really ready to give up that history, a move that will also help Gregor and his mistress? At the same time Liz's son Alex, a student at nearby St Andrews University, suggests renting a room out to raise some money. And the person he suggests, his German tutor Arthur Kempler, is the man to change everything. Funny, charming, he hits

it off immediately with both Liz and Alex's grandfather. Indeed, if he were twenty-five years younger, Liz would find him extremely attractive. Then Arthur goes on holiday to Spain, and asks Liz to join him. Once over there, she meets the last person either expected to see: Arthur's son . . . In Robin Pilcher, readers will discover a fresh new voice in fiction. With a deft touch and an uncanny sense of the human heart, Robin Pilcher, after a promising start with his first novel, is now a proven master of the genre.
