November's Fury Michael Schumacher, 2013-11-01 On Thursday, November 6, the Detroit News forecasted “moderate to brisk” winds for the Great Lakes. On Friday, the Port Huron Times-Herald predicted a “moderately severe” storm. Hourly the warnings became more and more dire. Weather forecasting was in its infancy, however, and radio communication was not much better; by the time it became clear that a freshwater hurricane of epic proportions was developing, the storm was well on its way to becoming the deadliest in Great Lakes maritime history. The ultimate story of man versus nature, *November's Fury* recounts the dramatic events that unfolded over those four days in 1913, as captains eager—or at times forced—to finish the season tried to outrun the massive storm that sank, stranded, or demolished dozens of boats and claimed the lives of more than 250 sailors. This is an account of incredible seamanship under impossible conditions, of inexplicable blunders, heroic rescue efforts, and the sad aftermath of recovering bodies washed ashore and paying tribute to those lost at sea. It is a tragedy made all the more real by the voices of men—now long deceased—who sailed through and survived the storm, and by a remarkable array of photographs documenting the phenomenal damage this not-so-perfect storm wreaked. The consummate storyteller of Great Lakes lore, Michael Schumacher at long last brings this violent storm to terrifying life, from its first stirrings through its slow-mounting destructive fury to its profound aftereffects, many still felt to this day.

Deadly Storms of the Delmarva Coast Michael Morgan, 2019-05-06 Journey to the coast with Michael Morgan as he looks back at the area's most deadly storms. Coastal Delaware, Maryland and Virginia have always been vulnerable to the power of storms. In the early nineteenth century, storm-driven shipwrecks led to the construction of the Delaware breakwater. In 1933, a storm created an inlet on the south edge of Ocean City

and changed the character of the Maryland resort. The Ash Wednesday nor'easter of 1962 devastated oceanfront communities, led to the creation of beach replenishment projects that pushed the ocean back from the new multimillion-dollar buildings that sat on the sand and spurred the creation of Assateague Island National Seashore. Michael Morgan narrates the stories of these storms and reminds us of the power of wind and water.

Memoirs of Michael: The Hurricane Project Ashley Conner, Cierra Camper, 2019-12-13 Hurricane Michael was a Category 5 Hurricane, the third worst storm in U.S. history, that ravaged the Gulf Coast of Florida October 10, 2018. Herein lies a collection of stories from residents whose lives were forever changed after the storm.

Comics, Manga, and Graphic Novels Robert Petersen, 2010-11-18 This text examines comics, graphic novels, and manga with a broad, international scope that reveals their conceptual origins in antiquity. Graphic narrative art is a fascinating phenomenon that emerged centuries ago with the expansion of literacy and the publication industry. The earliest example of a repeating comic character dates back to the late 1700s. By following the growth of print technology in Europe and Asia, it is possible to understand how and why artists across cultures developed different strategies for telling stories with pictures. This book is much more than a history of graphic narrative across the globe. It examines broader conceptual developments that preceded the origins of comics and graphic novels; how those ideas have evolved over the last century and a half; how literacy, print technology, and developments in narrative art are interrelated; and the way graphic narratives communicate culturally significant stories. The work of artists such as William Hogarth, J. J. Grandville, Willhem Busch, Frans Masereel, Max Ernst, Saul Steinberg, Henry Darger, and Larry Gonick are discussed or depicted.

An Ocean Apart/ Starting Over Robin Pilcher,2005-10 For six dreadful months, David Corstorphine has tried to come to terms with his young wife's death, while caring for his three motherless children. Try as he may, David is unable to return to work, and his only form of solace comes from working in the garden of his parents' estate in the Scottish countryside. Dispatched unexpectedly to New York, David's family hopes that the impromptu business trip will help him get back on his feet. But the journey proves both disastrous and heartening. David finds himself settling in comfortably among the strangers of a seaside Long Island town, and takes a job as a gardener. But it is the people he meets, the pain he confronts, and the joy he is able to once again experience that prove to be magically transformative-- and as David learns to accept his enormous loss, he is able to open his heart to love once again.

Adventures in Tornado Alley Mike Hollingshead,Eric Nguyen,2009-07-10 Features dramatic photography of tornadic systems as captured by the authors during seventeen storm chases throughout the American Midwest, in a series of weather portfolios that features sequential shots, running commentary, and complementary information about such phenomena as hail, mammatus clouds, and forecasting technology. Original.

Tornadoes Michael Allaby,2009-12-31

Starting Over Robin Pilcher,2010-04-01 It seems a long time since life was good for Liz Dewhurst. Her happy marriage to Gregor ended six months ago when she discovered he had been having an affair with another local woman for two years. But if that wasn't enough, Liz and Gregor's family businesses were also intertwined. Growing up on neighboring farms on the East coast of Fife, an area blessed with rich soil and beautiful, unspoiled landscapes, the marriage made it perfect sense to merge. The separation, however, has come at the worse possible time. With business bad, the two farms are barely struggling to survive on their own. Then an extraordinary opportunity arises. An

American-financed consortium is looking to build a golf course, and with Liz's and Gregor's land think they have found the ideal site for the best new links course in Britain. Liz is torn: the money is tempting, and she knows that by turning the scheme down she will face the wrath of the local community. On the other hand, the farm has passed through five generations of her family; is she really ready to give up that history, a move that will also help Gregor and his mistress? At the same time Liz's son Alex, a student at nearby St Andrews University, suggests renting a room out to raise some money. And the person he suggests, his German tutor Arthur Kempler, is the man to change everything. Funny, charming, he hits it off immediately with both Liz and Alex's grandfather. Indeed, if he were twenty-five years younger, Liz would find him extremely attractive. Then Arthur goes on holiday to Spain, and asks Liz to join him. Once over there, she meets the last person either expected to see: Arthur's son . . . In Robin Pilcher, readers will discover a fresh new voice in fiction. With a deft touch and an uncanny sense of the human heart, Robin Pilcher, after a promising start with his first novel, is now a proven master of the genre.

Savage Dragon #5 Erik Larsen,1993-10-01 After Dragon defeats Doubleheader, he is appointed leader of a special police unit made up of Dart, Barbaric, Horridus, and Rapture, who is new to the force. While Debbie Harris' mother storms into the Police Department HQ and blames Dragon for her daughter's death, Overlord learns of territorial disputes by The Annihilators, a rival gang to the Vicious Circle. While Rapture and Barbaric train, Dragon rescues Frank Darling from a Vicious Circle agent. Frank then confesses his blackmail situation. So afterwards, Dragon and the aptly named Freak Force attack the Annihilators at their secret Headquarters.

Teenage Mutant Ninja Turtles Color Classics, Vol. 1 Kevin Eastman,2018-04-04 Go back to the very beginning, with the Turtles' first encounter with the Foot Clan and their mysterious

leader, the Shredder. With over 300 pages of mutated martial-arts action, this volume is perfect for fans to relive the glorious days of the Turtles' origins, as well as an excellent place for new readers to see where the TMNT phenomenon began. Collects the first seven issues of the series, plus the Raphael and Michelangelo Micro-Series one-shots, all in brilliant color.

The Comic Art Collection Catalog Michigan State University. Libraries. Special Collections Division, 1993 This is the most comprehensive dictionary available on comic art produced around the world. The catalog provides detailed information about more than 60,000 cataloged books, magazines, scrapbooks, fanzines, comic books, and other materials in the Michigan State University Libraries, America's premiere library comics collection. The catalog lists both comics and works about comics. Each book or serial is listed by title, with entries as appropriate under author, subject, and series. Besides the traditional books and magazines, significant collections of microfilm, sound recordings, vertical files, and realia (mainly T-shirts) are included. Comics and related materials are grouped by nationality (e.g., French comics) and genre (e.g., funny animal comics). Several times larger than any previously published bibliography, list, or catalog on the comic arts, this unique international dictionary catalog is indispensable for all scholars and students of comics and the broad field of popular culture.

Savage Dragon #7 Erik Larsen, 1993-12-31 Dragon and Frank Darling attack Overlord in his skyscraper headquarters. Darling is incinerated, and Cyberface, whilst in police custody, is poisoned!

Grimm Fairy Tales #9 Joe Brusha, Ralph Tedesco, 2010-03-17

The very eccentric and very rich Mr. Lockett is smitten with the much younger and very beautiful Goldilocks. His advances finally prove successful as Goldy accepts an offer to move into his estate. However, little does Mr. Lockett know that Goldilocks is certainly not all she's cracked up to be. She has a shocking plan to take his fortune out from under his nose even if it means killing him. But Goldilocks quickly learns that gold-digging might not be the best career move after she finds 3 much bigger problems to contend with.

Savage Dragon #24 Erik Larsen, 1995-11-30

As super-villains across Chicago fight over the mantle of leadership of the Vicious Circle, the Dragon, still with his bones broken, is found by a cabbie named Chester. Chris Robinson has become a police officer, and Liberty, Justice, and Freak Force have begun patrolling the streets for the villains running rampant. The Dragon arrives in time to prevent Mako, who has escaped from jail, from killing Alex Wilde and Phil Dirt. Meanwhile, She-Dragon is taken to meet Chelsea Nirvana, who has become Johnny Redbeard, and who has decided to join the battle for the leadership of the Vicious Circle.
