Of Stillness and Storm Michele Phoenix,2016-12-06 Award-winning and highly acclaimed author, Michèle Phoenix, pens a story of marriage and missions, and what happens when they don't always align. "The Poisonwood Bible for a new generation." —Elizabeth Musser, author of *The Long Highway Home* "I felt torn between two worlds. Each with its own mystery. One more captivating than the other, but the other more real and breathing." It took Lauren and her husband ten years to achieve their dream—reaching primitive tribes in remote regions of Nepal. But while Sam treks into the Himalayas for weeks at a time, finding passion and purpose in his work among the needy, Lauren and Ryan stay behind, their daily reality more taxing than inspiring. For them, what started as a calling begins to feel like the family's undoing. At the peak of her isolation and disillusion, a friend from Lauren's past enters her life again. But as her communication with Aidan intensifies, so does the tension of coping with the present while reengaging with the past. It's thirteen-year-old Ryan who most keenly bears the brunt of her distraction. Intimate and bold, *Of Stillness and Storm* weaves profound dilemmas into a tale of troubled love and honorable intentions gone awry. "In this fine novel, Phoenix realistically captures the deep struggles enveloping a missionary family." —Publishers Weekly

Redemption Weather Christine Michelle,2020-12-10 When I married Walker Smithson, I thought it was the happiest day of my life. My family was there, we had a bright future ahead of us, and the world was ours for the taking. Then the storms started coming. First, there was the one that took my family. Then, there was the one that took my husband. Moving to a new town, new state, and starting a new life was never on my agenda until I couldn't take the ghosts, both living and dead, that haunted my every waking moment in the town I'd grown up in. I'd been wrong about my life before. Being wrong brought me to Cedar Falls, West Virginia and left me on the doorstep of the same motorcycle club that had failed me before. It took me to a place where my future was waiting for me. You know what they say about smoke? Where it appears, flames aren't far behind. I wasn't ready for the scorching passion that developed between us, but my Smoke withstood the storms and brought me through to the other side where the only mark left on me was the one that he burned into my heart. Lying Up a Storm Julia Cook,2015-01-15 A storm is brewing... Whenever Levi doesn't like the truth, he kinda, sorta makes up other stuff to say. One day his mother explains to him that telling lies will damage the trust of his friends and make him very sad. Whenever you tell a lie, your inside sun goes away. Then a lying cloud forms, and glooms up your day. Each time you tell a lie, another cloud starts to form, and before you can stop it from happening, your insides start to storm. This book is a great resource to help children understand not only the consequences of telling a lie, but also how one lie can often lead to telling several more. It will help parents and teachers understand that lying can be a normal and sometimes healthy response for a child and offers tools to help guide children toward truthfulness.

Devastate Me Anne Storm,Christine Michelle,2023-03-02 Devastate Me (Savage Vipers MC #2) by Anne Storm Nova I'm not even sure how I ended up working as a nanny for a biker and his wife. That's not true. I knew. It all started when we found out about my mother's years-long affair, and the fact that my father was not who we thought. The minute the DNA results came back, my father's side of the family cut me off and left me destitute like it was my fault my mother was a cheating liar. That meant, I needed to earn money for my next semester. I didn't realize it also meant being immersed in a whole new world, with a different type of man than I'd ever been around. I knew he was bad for me – not just bad – the worst. He would be the worst kind of man for me and not just because he was a biker. As my mom said when she was found out – “The heart wants what the heart wants.” I should have remembered how sad she sounded when she said that. Breakneck The sweet little honey Kip hired to watch his kid caught my attention immediately. I could smell the innocence on her and all it did was paint a target on her I couldn't ignore. I'd have her, own her, make her my one and only. She'd just have to come to terms with the fact that I'd never be hers in return. She could have the parts I was willing to give her, but not the whole. I should feel bad about that. That's what I've been told anyway. I don't. I live the way I want. Always have. Not about to change for anyone. Not. Even. Her. Someone should have warned me that her innocence didn't mean she wasn't full of fire and brimstone. My little angel turned she-demon and it changed everything. *This book was a requested story from readers who enjoy reading cheating romance storylines. Devastate Me is 133,110 words in length. Typical romance books are between 50,000 and 90,000 words. This is a lengthy read and has quite a few triggers that might not agree with sensitive readers.
