Jan Morris

**Marvel Weddings** Stan Lee, Roy Thomas, 2005 Contains material originally published in magazine form as Fantastic four #150 and annual #3; Incredible Hulk #59-60 and Amazing Spider-man annual #21 and X-men #30--P. 2 of cover.

Conundrum Jan Morris, 2013-04-17 The great travel writer Jan Morris was born James Morris. James Morris distinguished himself in the British military, became a successful and physically daring reporter, climbed mountains, crossed deserts, and established a reputation as a historian of the British empire. He was happily married, with several children. To all appearances, he was not only a man, but a man's man. Except that appearances, as James Morris had known from early childhood, can be deeply misleading. James Morris had known all his conscious life that at heart he was a woman. Conundrum, one of the earliest books to discuss transsexuality with honesty and without prurience, tells the story of James Morris's hidden life and how he decided to bring it into the open, as he resolved first on a hormone treatment and, second, on risky experimental surgery that would turn him into the woman that he truly was.
